

Quit Dosing Your Children

with strong Cathartics—Chamberlain's Tablets are most effective in regulating stomach troubles and constipation for the little folk—one tablet going to bed means a sunny face in the morning. Pleasant to take, they never fail. 25c. a bottle. Druggists and dealers or by mail.

Chamberlain's Medicine Co. Toronto

TO THE TOMB

LATE THOS. H. RUTHERFORD.

One of the largest funerals ever held in this section was that of the late Thomas Henry Rutherford, of Fenelon township, near Sturgeon Point, which took place Thursday afternoon. The cortege was almost a mile long, and friends of the late deceased who was highly respected by the community were present from miles around. The many floral tributes were very beautiful and included among others a wreath from the members of the Baptist church, Fenelon Falls, a wreath from the Berean class of the Bloor-st. Baptist church, Toronto, of which his daughter is a member, sprays from the late Mr. Rutherford's sisters, Misses Elizabeth and Jessie Rutherford, Fenelon Falls; from C. L. Higgins, florist, Toronto, from Mr. Melville Moffatt and Misses Jean and Ruby Moffatt, Toronto, from Mr. and Mrs. Richard Corley, Lindsay, from Mr. and Mrs. Wm. Hussey, Lindsay, from Mr. and Mrs. F. R. Rutherford, Fenelon Falls, and from Mr. and Mrs. John Moffatt, Toronto.

Rev. Mr. Cook, of Fenelon Falls Baptist church, conducted the services at the house at one o'clock. The pallbearers were the late gentleman's six brothers, Messrs. Adam, Robert, John, William, James and George Rutherford.

RHEUMA

FOR ALL FORMS OF RHEUMATISM

Don't be skeptical about RHEUMA, the modern enemy of Rheumatism. Lumbago, Sciatica, Arthritis, Gout, Chronic, Neuralgia, or Kidney Disease. After taking a few doses you will know that the poisonous Uric Acid is leaving the system.

"For six years I was practically a cripple on crutches from Rheumatism. One bottle of Rheuma cured me."—J. K. Greenburg, 3533 Cottage Ave., Chicago, Ill.

RHEUMA—guaranteed—50c. a bottle. E. Gregory.

WEDDING BELLS

GREENAWAY—ROGERS.

A pretty wedding took place on Wednesday, January 16th, at the home of Mrs. F. Wood, Cambury, when her sister, Hannah Rogers, was united in marriage to E. Greenaway, eldest son of Mr. W. J. Greenaway, Eden, Mariposa.

The Rev. Mr. Rowe, pastor of the Methodist Church, conducted the ceremony. The wedding march was played by Mrs. Gilbert. During the signing of the register Mrs. Gilbert sang "O Promise Me". The bride was unadorned and looked charming in a dress of white silk crepe de chene. Her tulle veil was arranged in Juliet cap and crowned with lilies of the valley. Maurice Wood, a little nephew, acted as Ring Bearer. After a sumptuous dinner was served to a number of invited guests the happy couple left on the C. P. R. train for Ottawa and points East. The bride travelled in a navy blue suit with tan beaver hat.

A BRONCHIAL COUGH

is wearing and dangerous because the inflamed, mucus-filled tubes interfere with breathing and the fresh air passes through that unhealthy tissue.

Probably no other remedy affords such prompt and permanent relief as Scott's Emulsion; it checks the cough, heals the linings of the throat and bronchial tubes and strengthens the lungs to avert tuberculosis. This point cannot be emphasized too strongly—that Scott's Emulsion has been suppressing bronchitis for forty years and will help you!

Be careful to avoid substitutes and insist on SCOTT'S.

FARMER OUTSTRIPS CITY COUSIN

The arm of rural mail delivery is ever stretching out to new territory. Each day its fingers grasp a little more, until the entire Province almost is lined with rows and rows of boxes, each on its post before the farmhouse gate.

What is the result? The farmer has well outstripped his city cousin. He has his auto, he has his telephone, and his gramophone. Why should he not have his mail brought up to the front door, the same as they do in the city? He is even better off in this respect than are the village residents, for "the new post office" is often situated at the other end of the town, and all mail must be called for. But now Jennie, or Mary, can sit on the fence and wait for the postman coming up the road, with a smile on days that are fruitful, and a point of disappointment when he dares to pass her by in neglect.

The system of mail delivery extends over a great many parts of the Dominion. There are as many as 13 divisions, as they are called, in Canada. In the Province of Ontario there are four of these districts. They are denoted by the names London, Toronto, Ottawa and North Bay.

ON CONCESSION ROAD

It is the rule when constructing a new rural mail route to follow where possible, the concession roads throughout the country. There are several reasons for doing this. Houses in the heart of the farm district as a rule face on to the concession road. The concession road is kept up better, and is laid out more uniformly.

In a district contemplating the establishment of mail delivery, it is required that 50 per cent. of the eligible residents sign a petition to open the route, and the place must be contiguous to a well defined thoroughfare. If a single farmer wants to be added to the list of those who enjoy the privileges he is required to fill out a form to that effect. All that is asked in the way of expense or taxation is that he pay \$3, which sum pays for the box. If special application be made to the postmaster of the distribution office, it is possible to use one box for the accommodation of one, two or three families, but no more than three. Generally, each farmer has his own private chute.

CARRIES POSTAGE STAMPS

As regards postage, the postman carries around with him an abundance of stamps, sufficient to supply all hands. The rules tell him he is supposed to be able to supply a customer with as much as 50 cents' worth of stamps, and to have enough left to accommodate another man to a similar extent. Sometimes letters are mailed from one point to another on the same route, without going into the city or town. Such mail is designated "drop" letters, and postage on these is charged at the rate of two cents per ounce or a fraction thereof.

HOW THEY ARE ADDRESSED

The address on rural letters must include: the name, route, number, and the post office of the recipient, in the following manner: John Jones, Rural Route No. 675.

Will the rural mail system aid in disseminating and in augmenting the effect of an enlarged system of parcels post? It has been stated, and the two combined have been assigned the destiny of eliminating one species of the "middleman." He is the small town grocer, the cross roads general merchandise dealer, and all such like. Arguments on every side have been taken and vouches for. Certainly the rural inhabitant is pretty well connected up with the town. The system of delivering letters and parcels throughout the farm lands is constantly growing better and more expensive, and every day new routes are being opened up. It is whispered that the rural mail delivery system is being fully taken into consideration by those who are working on the new adjunct of Canadian parcels post.

OBITUARY

ETTIE BROWN.

The death took place Sunday night at about eleven o'clock at the House of Refuge of Miss Ettie Brown at the age of eighty seven years. The late Miss Brown was formerly a resident of Eldon Township, but came down here a couple of years ago. Death was due to the natural causes of old age. She has a number of relatives residing in Eldon.

Complete arrangements have not yet been made in regard to the funeral.

At this time, my mother in Alvinston sent me some "Fruit-a-tives" and induced me to try them as she had heard of another woman who had been cured of a similar growth in the stomach by taking "Fruit-a-tives".

To please my mother, I began to take "Fruit-a-tives" with the happy result that they cured me. I have not been to see a doctor since and my health is first class.

I recommend "Fruit-a-tives" every time I get a chance and I will be glad to have you publish this letter as some other woman may now be a sufferer from the same trouble and "Fruit-a-tives" will cure her." Mrs. A. McDONALD.

50c a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

WM. HENRY HODGES

The death of a well known resident of Head Lake, formerly of Lindsay, in the person of William Henry Hodges, occurred on Wednesday, Jan. 21st at the age of 67 years, death being due to pneumonia.

The deceased gentleman was born in England, but came to Canada when quite a young man, where he afterwards married Mary Ann Ray of West Ops, and settled just south of the town of Lindsay, where he resided for a number of years, afterwards moving to Head Lake, where his wife died eight years ago. There, is left to mourn this loss three sons and one daughter, Jennie, of Toronto, James at home, Thomas, farmer of West Ops, and William, conductor on G.T.R., Lindsay.

THOS. A. R. ALLIN.

On Friday morning, Jan. 16, after a lingering illness, Thomas Addison R. Gillson, passed away at the home of his father, Mr. Aaron Gillson, Pleasant Point.

He was only twenty-three years of age, and was a young man of great promise. He was gifted with intellectual powers of an unusual order, and it is probable that close application to his studies may have caused the illness which has just closed the young life. After leaving school at Port Perry he went to Toronto, and by hard work and study soon attained a splendid position for so young a man. Just a little less than a year ago he was obliged to leave his work and go home for a holiday, but he was never able to resume his work.

Throughout his illness he was patient and cheerful. He hoped to be strong and well again, but had a Christian faith which strengthened him to look with confidence to the future fully prepared to submit to the will of his Master.

The funeral was held at Pleasant Point church at 2 o'clock on Sunday, the service being conducted by Rev. Mr. Johnston. The church was filled by friends and relatives, and their respect and sympathy were shown by the wealth of floral tributes. Six brothers of the deceased acted as pallbearers.

The family, in their sad bereavement, have the sympathy of the community.

REV. T. W. JOLIFFE.

The death occurred in Toronto yesterday of Rev. T. W. Jolliffe, a Methodist minister who was known throughout Ontario. The late Mr. Jolliffe served the church in Toronto, Kingston, London, Brantford, Brampton, Port Colborne, Campbellford, Cannington, and other places. He spent six years in Toronto at St. Paul's and Euclid-ave. churches, prior to being transferred twenty-three years ago to the Bay of Quinte Conference, of which he became President. Ten years ago he was superannuated owing to failing health and since then he had lived in Bowmanville. At the time of his death he was President of the Canadian Club, President of the Library Board, High School Trustee and member of the Hospital Board in that town, and was a Past Grand Master of the Independent Order of Oddfellows.

Mr. Jolliffe was born in Stratton, Cornwall, England, seventy-two years ago and is survived by a widow, two sons, Professor R. O. Jolliffe, Wesley College, Winnipeg; Reginald, who is attending Victoria University, Toronto, and two daughters, Mrs. A. C. Denike, Havelock, and Miss Margaret Jolliffe, Bowmanville. The funeral will take place from the residence of his brother-in-law, Mr. T. A. Manning, 17 Alvia Avenue, Toronto at 2 o'clock on Monday, in Mount Pleasant cemetery.

TUMOR IN THE STOMACH

Completely Removed When She Took "Fruit-a-tives"

NEWBURY, ONT., April 4th, 1913. "Some years ago, I was sick in bed, and thought I was going to die. I had a growth in my stomach, which the doctors said was a tumor and they said that the only thing to do was to go to the hospital and have the tumor cut out. I dreaded an operation although both doctors said it was the only cure. I said I would die before being operated on. At this time, my mother in Alvinston sent me some "Fruit-a-tives" and induced me to try them as she had heard of another woman who had been cured of a similar growth in the stomach by taking "Fruit-a-tives".

THOMAS HENRY RUTHERFORD

The death occurred Monday, January 15th, of Thomas Henry Rutherford, of Fenelon township, near Sturgeon Point. The late Mr. Rutherford has been ill for some time, and four weeks ago was taken to the Toronto General Hospital for an operation, but succumbed as that institution Monday morning. He was well known and liked throughout the district in which he resided and had many friends among Sturgeon Point people. He leaves to mourn his loss his wife, at the homestead, three daughters and one son, as well as five brothers and two sisters.

The daughters are Misses Mabel and Ethel Rutherford, at home, and Miss Emma Rutherford, in Toronto. The son, Geo. Rutherford, resides in Toronto also.

The surviving brothers are Messrs. Adam, George, James, John and William, at Fenelon Falls. His two sisters, Misses Elizabeth and Jessie Rutherford, also reside at that place.

The late Mr. Rutherford was a brother-in-law of Mrs. Rich. Corley, town.

The body was brought to Fenelon Falls this morning on the noon train. The funeral will be held at two o'clock Thursday to Fenelon cemetery. Services at the house at one o'clock.

THE LATE MAX J. DOBBIN.

Review: The sympathy of citizens throughout the city will be extended to Mr. and Mrs. F. H. Dobbin, in the loss they have sustained by the death of their youngest son, Max Jeffers Dobbin, who passed away at the family residence Sunday morning.

The nature of his illness precluded almost every hope that he would become well and strong again, but all that medical skill and watchfulness could do, was given to him.

The late Mac Dobbin was a young man whose prospects for a successful career were very bright, and it is particularly sad that he should be called away at the early age of 22 years. He had progressed step by step in the Advertising Department of the C.P.R. at Montreal, and he was within reach of further advancement when he took ill at that city, in the latter part of last summer. While attending the public school, and later the Collegiate Institute, he was always a favorite.

Surviving besides his parents are four sisters, Miss Hildah and Dorothy at home; Daisy at Gladstone, New Jersey; and Mrs. Harry Pope, of Montreal; and two brothers, William G., at home, and Ross L., of Moose Jaw. All are now at home, with the exception of Mrs. Pope who was unable to come.

The funeral held this afternoon from the family residence, 622 George street, to the Little Lake cemetery, was attended by many friends and acquaintances. Rev. R. G. Peever officiated. The pall bearers were Messrs. Stanley Pringle, Stanley Madill, Percy Hooper, Harry McGee, Stewart Laing and Bernard Tait, all of whom had been personal friends of the deceased.

Many beautiful floral tributes from friends in the city and in outside points, laid on the casket, among them being an emblem from The Review staff, and as anchor from The Review Printing Co.

In Chicago a eugenic baby that was to have been a girl is a boy. In spite of all theories, Old Nature stays on the job.

MR. JOHN CAREW IS PRESIDENT

The annual meeting of the South Victoria Agricultural Society was held in the town hall on Wednesday afternoon, with a splendid attendance of directors. Considerable enthusiasm was manifested in the proceedings and more particularly in the excellent reports presented.

Mr. Wm. Manning, of Hartley was voted to the chair, which he ably filled during the meeting. The minutes of the last annual meeting were read and confirmed.

PRESIDENT'S ADDRESS

Mr. John Carew, President, then read the following excellent address: To the Members of the South Victoria Agricultural Society: Gentlemen, — It gives me great pleasure to be able to report progress in every department of the great institution which we have the honor to represent. The entries in horses, cattle, sheep and swine, poultry, etc., were first class, and as a matter of fact to take our show as a whole, the Lindsay Fair last year was a great success, both financially and otherwise.

Although we are advancing rapidly, and no doubt hold the position today as one of the foremost, if not the best county fair in the Dominion of Canada, the credit is not due to any one man, but to a bunch of willing workers that never shirk their duty, or tire when there is work to do. This, along with the excellent weather which prevailed throughout the three days, was the principal reason for the great success we have attained.

One of the greatest features of our fair this year was the appearance of the Royal Canadian Dragoons, which proved a great drawing card, and pleased the people both young and old, and although we were under a heavy expense in securing this attraction, I believe it was money well spent.

I am not going into details as to the financial end of our business, as the secretary will deal with this, but there are a few things here of note that I will mention. I notice that our gate receipts were \$3564.95 which is \$736.02 over and above the gate receipts of 1912. The receipts from our grand stand were \$1218.50, this being \$476.25 more than that of the previous year. Our entry fees also exceeded last year's. These existing conditions go to show that our Society is in a healthy condition.

We built a new up-to-date barn for sheep and swine, 30 ft. x 150 ft., along with some other repairs, and made some extensive improvements to our grounds, which were necessary, at a total cost of \$1524.56. We still have a balance to our credit in the bank of \$789.56.

With the same support from the citizens and the country surrounding, in future, as in the past, there is no reason why this institution should not be in the front. The management of the South Victoria Agricultural Society tender their thanks to the exhibitors, the county council, the town council, supporters in general, as well as the traffic officials, for their assistance in helping to make our fair the great success that it was.

I trust that the Board of Directors for this year may be given the same hearty support as has been tendered. I wish you a bright and prosperous new year.

JOHN CAREW,

President, South Victoria Agricultural Society.

The address was, on motion, received and filed.

The following excellent report was then read by Sec-Treas. Jas. Keith.
