For over half a century nembers of this firm have been engaged in manufacturing Woollens. Experimenting, studying, learning more about making blankets all hihe time. So our blankets are constructed to stand the test and are absolutely unsbrinkable. Our blankets are the warmest for the least weight, because we use only the soft silky lambs' fleece. Our blankets have the wearing qualities because the wool is skilfully carded, finely spun and closely woven. They are finished with as short soft napp which does not come off. Do not buy blankets with a lofty napp if you want it to wear or wash well.
