The concert and tea under the management of the ladies' aid of the Anglican church held on Thursday evening of last week was a grand success. The tea was served in the commercial room of the Pattie House, while the concert was given in the Oddfellows' hall, the crowd taxing to the limit both buildings. The tea was a splendid spread and was much enjoyed and praised by the company. The concert was of a high order and was splendidly received by the audience. Mr. Wm. Batty made an ideal chairman and kept the lengthy programme on the move so that every performer got a good hearing.

Mr. A. Laidlaw, Norland, Miss Mabel Shields, Victoria Road, Miss Hand, Fenelon Falls, Rev. Mr. Lord of Fenelon Falls, sang songs; Miss Etta Jackson and Miss A. Wakelin, of this village sang a duet. All who were interested in a tele phone line attended the annual meeting on Monday.

The people of West ward are getting very anxious about the telephone line. It does not seem a very good investment to put up poles to ornament the roads. Why not use fence wire until the telephone wires arrive?

Mr. Jos. White, Eden, attended church here Sunday night.

Mr. Wilfred McMullen, who has been ill this last month with inflammatory rheumatism, is at present able to move around the house some.

Quite a number are taking advant age of the good ice for skating.
