THREATENED WITH PARALYSIS.

Peter E. Summers, of Kalamazoo, Mich., relates his experience: "I was troubled with Nervous Debility for many years. I lay in bed to indigestion and weakness in early youth. I became very despondent and didn't care whether I worked or not. I imagined everybody who looked at me guessed my secret. Imaginative dreams at night weakened me—my back ached, had pains in the back of my head, hands and feet were cold, tired in the morning, poor appetite, fingers were shaky, eyes blurred, hair loss, memory poor, etc. Numbers in the family were afflicted with the same disease. I tried many first-class medicines and tried many first-class physicians, were an electric belt for three months, went to Mt. Clemens for baths, but received little benefit. While at Mt. Clemens I was induced to consult Dr. Kennedy & Kennedy, though I had lost all faith in doctors. Like a drowning man I commenced the New Method Treatment and I saved my life. The improvement was like magic—I could feel the vigor going through the nerves. I was cured mentally and physically. I have sent them many patients and will continue to do so."

A Capable Clerk and Treasurer

Bobcaygeon Independent: Victoria County Council, by reason of additional labors imposed upon County Clerk McNeillie, as secretary of the County Home, made an advance to his salary of \$300 a year. It was an acknowledgment, none too liberal, of faithful services well performed. For thirty-four years Mr. McNeillie has been a model official, his books have been reported by the provincial inspector as the best kept in the province, and as adviser of the councillors, his tact and grasp of the county business was shown, when, at the return to the old county council system, a council, almost entirely of new men, took on the work without the least difficulty. The county is fortunate in having a clerk and treasurer so capable and so courteous to all with whom he comes in contact.

A LONDON DOCTOR

Tells How to Cure Stomach and Liver Troubles.

A distinguished London physician during the course of a recent lecture on stomach and liver troubles, gives the following advice:—"Be moderate in the use of heavy, rich foods. Do not eat hurriedly, and thoroughly masticate the food. If your habits are sedentary, take a moderate amount of exercise before retiring and immediately upon arising. Do not use strong cathartic surges, but in reality do injury by weakening the system. If you find it necessary to use any laxative, stick to the old-fashioned vegetable mixture, viz.:—

Fluid Extract Cascara..... ½ oz.
Syrup Rhubarb..... 1 oz.
Carriana Compound..... 1 oz.
Compound Syrup Sarsaparilla 5 oz.

Take one teaspoonful after meals and at bedtime.

This acts in a gentle, natural way, and is free from the weakening effects of strong purgatives.

The ingredients can be bought separately, and anyone can mix them at home. This information will be of benefit to our readers and is worth keeping.

Details of New Electric Lines

Peterboro Line May be Completed in Six Weeks

The people of Peterboro are doubtless interested in the two proposed electric car lines from Cobourg, one by way of Port Hope to Havelock, the other round the west end of Rice Lake to Peterboro, and one to Stony Lake. The latter is of more concern locally, and a few details that have already been made public should be of interest. Col. H. A. Ward, K. C., of Port Hope, is the applicant for the first mentioned road and the provisional directors are as follows: W. J. Crossen, car manufacturer, of Cobourg; H. T. Bush, president of the Standard Ideal Bath Co., Port Hope (the largest shippers between Toronto and Montreal); Col. H. A. Ward, ex-M. P., Port Hope; Bernard McAllister, capitalist, Cobourg; Reeve Joseph Knox, builder, Havelock; E. C. S. Huycke, K. C., will assist in legal work and organization.

The above railway company's main line will run from Port Hope to Cobourg and across Northumberland near Centreton and Burnley, to Warkworth and on to Campbellford, and passing near Healey Falls on to Havelock on the C. P. R., while a ten mile branch line will be run from Cobourg to Gore's Landing on Rice Lake. Besides connecting the G. T. R. and C. P. R. this line will open up the rich farming country of Northumberland, and it will connect the iron and other mining properties back of Havelock.

THE PETERBORO LINE

The applicant for a charter for the Cobourg, Peterboro, and Kawartha Lakes Electric Railway is David Ewing, of Cobourg, and the main line route, as far as the name implies, is from Cobourg via Bewdley to Peterboro and Stony Lake.

Regarding this line the Port Hope Guide of Tuesday contains the following:—

On Monday evening a public meeting was held at Roseneath, Alnwick, and Mr. David Ewing addressed the meeting in the interests of the Cobourg, Peterboro and Kawartha Lake Road, but no action was taken.

We are informed that the promoters of the Cobourg, Peterboro, and Kawartha Lakes Road have stated that their line will be built within six months; yet they are trying to secure two years' franchise for right of way from farmers for the magnificent sum of one dollar.

The other line has been very strongly endorsed by the Cobourg and the Port Hope press, and prominent men in both towns. Havelock council is strongly in favor of it, as is Hamilton township and others. In fact, it is receiving splendid support.

THE LATE JOHN C. FOX.

The funeral of the late Mr. John C. Fox, Cobourg, who passed away on Thursday afternoon of last week, took place on Sunday afternoon to St. Michael's church and cemetery, and was very largely attended. The members of C. M. B. A. attended in a body. Deceased was the second son of Mr. M. C. Fox and had resided all his life in Cobourg, where he was well and favorably known. He had been ill for some weeks and in spite of the most loving and devoted care, gradually sank until his death occurred at the early age of 45 years. With his widow, formerly Miss Ellen Farry, and family of eight children, and with his parents, brothers and sisters, the deepest sympathy is felt in their great bereavement and sorrow.

Among the mourners besides his parents and brothers, W. M. and Jos. Fox, of Cobourg, were Edward M. Fox, Rochester, and Chas. J. Fox, Mechanicsville, N. Y., brothers; Mrs. J. J. Fox, Lindsay, Mrs. M. E. McAuley, Buffalo, Mrs. Robert B. Struthers, Ellyria, Ohio, sisters. Deceased's other sisters are Mrs. Cunningham, Lindsay, and Mrs. (Dr.) Grosjean, Bay City, were not able to attend.—World.

MRS. JOHN GUTHRIE

Another aged and respected resident of Emily township was called away by death early Sunday morning, January 17th, in the person of Catherine Jackson, beloved wife of the late John Guthrie.

She had been in poor health for some time but her death was unexpected. The deceased was seventy-one years of age and was well known in this vicinity, having resided in the township of Emily all her life. She was a member of Bethel Methodist church, and a continuous supporter towards the advancement of that cause.

The late Mrs. Guthrie leaves to mourn her loss three sons and two daughters. The daughters are Mrs. John Wright, Fowler's Corners, and Mrs. Wilson, Cookstown. The sons are William J., of Midland, and Robt. and Forest of Emily; also Mrs. Jos. Bell, of Midland, who is a sister of the deceased.

The funeral took place from her son-in-law's, Mr. J. Wright's, Fowler's Corners, on Tuesday, January 19th, at two o'clock, and was conducted by Rev. Mr. McKenzie, pastor of Bethel circuit. Service was held at the house, after which a large number of friends followed the remains to Emily cemetery, where they were interred.

THE LATE JOHN McCULLOUGH

Uxbridge Journal: The death of John McCullough occurred in Toronto on Sunday, and the funeral took place here on Tuesday to Uxbridge cemetery after service in the Presbyterian church. Mr. McCullough, in the early days before factory competition became a strong rival, carried on an extensive boot and shoe business in the building opposite the Journal office, but which then stood on the site of the Parrish block, employing ten men in the zenith of the industry. He was born in county Antrim, came at the age of nine years with his parents to Whitby, afterwards moving with them to Greenwood, and on attaining his manhood

"THE NIGGER IN THE WOOD-PILE"

Thousands of people go through life feeling more or less miserable without ever knowing the reason. They suffer from headaches, indigestion, pains in the back, and at the slightest chill get rheumatism or neuralgia.

They try to cure these separate outbreaks, never suspecting that the root of the whole trouble is the failure of the bowels to move regularly, and in many cases the sluggish action of kidneys and skin. The result, of course, is that the whole system gets clogged with impurities, which soon turn to poison, and show their presence in various ways.

"Fruit-a-lives"—or fruit juice tablets—promptly stir up the sluggish liver, regulate the bowels, and stimulate the kidneys and skin to do their work properly. Thus they cure all these troubles by removing the cause, and make it possible to really enjoy life. 50c a box—6 boxes for \$2.50. Trial size 25c. Fruit-a-lives Limited, Ottawa.

St. Andrew's Annual Tea and Entertainment

A Very Enjoyable Affair Held by the Members of Presbyterian Church

The annual congregational tea of St. Andrew's church was held last Wednesday and was a most enjoyable affair. Tea was served in the basement from six o'clock until after eight, and a large number of the congregation took advantage of the good things provided by the ladies, and enjoyed a pleasant hour around the festive board. It was necessary to divide the people into three relays, as they all could not get into the basement at the same time. After the tea was cleared away, a short but very enjoyable programme was given in the schoolroom above.

Rev. Mr. Wallace occupied the chair and in a few words welcomed the strangers to St. Andrew's church.

Mr. Hugh E. Hendry then rendered a very fine solo and was heartily enjoyed. Miss F. Skinner also rendered a solo which was well received. Mr. H. Hamilton gave a selection on the piano which received well merited applause. Mr. Hendry was called upon for a recitation and he kept the audience in roars of laughter. He was compelled to appear again. The instrumental duet by Messrs. Hamilton and McGregor, was also very good and received loud applause.

To the ladies of the church is due a great deal of credit for the enjoyable evening spent. The arranging of such a tea causes a good deal of work and in this case no pains were spared to make everybody at home.

The ladies worked unceasingly until the evening was over. To them go the thanks of the congregation.

Large Deer Near the Point

Mr. Robt. Graham, constable and caretaker at Sturgeon Point, was in town Thursday and paid The Post a friendly call. He reports everything all right at the Point and all the ice in the ice houses. Last week while driving through some swamp near the Point he saw a fine large deer standing in the roadway. The deer was so tame that he was able to get quite near it before it took to the woods again. Mr. Graham drove to town today in about an hour and a quarter, as fast, he says, as the steamers.

Too Wet for Sleighriding

The weather was somewhat wet on Friday afternoon and as a result the annual sleighride of St. Andrew's Sunday school was abandoned. The little folks had a happy time of it, nevertheless, being entertained by their teachers and the officers of the school at a tea and concert in the basement.

—The purity, flavor, and strength of "Salada" Tea make it incomparably the best value of the market. It is infinitely more delicious and decidedly more economical than other teas.
