Dedication Takes Place at Kinmount

Masons Congregate in Northern Village and Dedicate Hall with Impressive Ceremony

KINMOUNT Thursday was the scene of one of the most interesting Masonic gatherings which has taken place in this district for some time, the occasion being the dedication of Somerville Lodge's new hall in the fine building recently purchased by them.

The beautiful and impressive dedication ceremonies of the order were conducted by the following officers of the Grand Lodge: Rt. Worshipful Brothers Jos. White, D. D. G. M., of Whitby, representing the Grand Master; C. Ross, acting D. D. G. M., of Whitby; W. Williamson, P. D. D. G. M., of Beaverton; A. M. Fulton, P. D. D. G. M., of Lindsay; E. Fitzgerald, P. D. D. G. M., of Fenelon Falls, assisted by the following Past Masters: Worshipful Brothers Dawkins, Clarke, Campbell, Magee, Kennedy, Austin, Beggs, McMahon, Burgoyne, Johnson, Nugent, White, Munn, Mulhagan, Smith, Reeves, Geo. Frain, and Robt. Nugent, Worshipful Master of Faithful Brethren Lodge, Lindsay.

After the dedication services an adjournment was made to the Foresters Hall, where tables were laid with all the good things that go to make a first-class banquet, and which were presided over by a bevy of young ladies, who evidently understood how to serve an appetizing repast as well as to arrange the prettily decorated tables.

There were present at the banquet besides the grand officers, masters, and past masters named above, the following brethren from Kinmount, Haliburton, Minden, Lindsay: Bros. Graham, Warren, McCallum, Curry, Snell, Welch, Stinson, Harrington, W. Welch, W. Munn, Wm. Peacock, S. Ford, Wm. Somerville, B. Beales, G. Dettman, T. Graham, J. Henderson, John Hoyle, T. Currah, A. Finney, W. Oliver, J. Graham, E. King, H. Newman, W. H. Cresswell, J. T. Holbrook, W. Lyle, T. McConnell, P. Ferguson, Graham, D. McKenzie, J. Graham.

Bro. R. J. McLaughlin, Q. C., of Lindsay, fulfilled the duties of chairman, and opened the toast list with a neat and humorous speech, and congratulated Somerville on their new lodge room, and upon the success of the gathering.

The toast, "The King, a Mason, and the son of a Mason," was responded to in a truly royal manner.

"The Grand Lodge of Canada and its Officers," proposed by W. Bro. A. L. Campbell, was responded to by acting D. D. G. M. R. W. Bro. Rose P. D. D. G. M., and P. D. D. G. M. F. D. D. G. M. Williamson.

"Visiting Brethren" introduced by W. Bro. J. Mann, and responded to by W. Bro. Dowkins, W. M., and W. Bro. Smith, W. M.

Bro. Dr. White introduced "Our Visiting Brothers," and responses were made by Bro. Johnson, of Fenelon Falls, W. Bro. Nugent, Lindsay, Bro. Milligan, of Bobcaygeon, and Bro. Welch, of Minden.

"Canada," responded to by W. Bro. Mayor Beggs, of Lindsay, Bro. John Austin, of Kinmount, and Bro. G. H. Wilson, of Lindsay.

"The Ladies," by W. Bro. Fitzgerald, Curry, and Harrington, Bro. Fitzgerald particularly acquitting himself most creditably.

Port Hope Scared Smallpox Epidemic

Physicians are Charged with Spreading the Disease—Medical Men Indignant

Port Hope, Feb. 3rd. — That the stories which are current as to prevalence and danger of smallpox are exaggerated seems certain, but while there is no one willing to come out and back the insinuations which have been made to the effect that certain local physicians are not taking sufficient precautions to check the spread of the disease, there seems to be unrest among the townspeople because more care is not being paid to the epidemic, and matters are not being dealt with more strictly. At present, there are nine cases of the disease, and these are located in different parts of the town. The houses where the patients are have been placed under quarantine, but this only applies where those quarantined see fit to allow.

ONE GUARD FOR ALL, For the entire town there is but one guard, and he makes his round twice a day, leaving the inmates of the homes which have been placarded to shift for themselves while he is gone, and if they see fit there is no reason why they may not enjoy all the privileges of the other citizens of the town. There has been no attempt to isolate in a building or tent those who have developed the disease, and this move the Board of Health consider unnecessary as the smallpox is of a very mild character, and in some cases is scarcely discernible. Although the Board of Health have in their possession a suitable tent they do not expect to have to bring it into use unless the epidemic becomes much more serious.

NOT SPREADING DISEASE. Speaking to a reporter of the rumour which was in circulation that some of the doctors of the town were going from houses where the disease existed to houses which were perfectly free from it, Dr. W. F. Clemesha stated that he did not think there was a single case where a practitioner had done anything which could spread the epidemic, nor did he know of one patient who had taken smallpox after having been brought into contact with a physician who had been with a smallpox patient.

"We are doing what we think is advisable under the circumstances," was the way in which Mr. Geo. N. Patterson, chairman of the Board of Health, spoke of the action of that

Sudden Death of Well Known Lady

Miss Roberta Henderson Passes Away at Sister's Home in Toronto

The announcement of the death of Miss Roberta Henderson, which occurred at the home of her sister Mrs. E. Buller, of Toronto, last Friday will be received with great regret by the deceased's many friends in town. The late Miss Henderson was employed in the office of the Bell Telephone Co., in town, for several years and was well-known and very much esteemed by the company's patrons in town. She had been home for several months from illness, but her symptoms were not deemed serious by her friends, so that the announcement of her very sudden death will be received with the more regret.

There remains to mourn her loss her mother, Mrs. Buller, of Toronto, Mrs. A. Waite, of Orillia, Mrs. A. Gould, of Fenelon Falls, Miss Marrian, of Rochester, and Miss Mabel and Helen, at home in Lindsay and two brothers, Jack, of Winnipeg, and Charles, of Toronto.

The remains will arrive on the G. T. R. flyer to-night.

The East and West Meet Together

Executive Committees of East and West Victoria Farmers' Institutes Hold Session

A meeting of the executive committees of the East and West Victoria Farmers' Institutes was held in MacKenzie's office Saturday, when considerable business was transacted.

Mr. W. H. Cullis occupied the chair and Mr. Jas. Keith acted as secretary, and there was a good attendance of the members, among whom was a fair representation of ladies.

At the request of the chairman Mr. Wm. Thurston explained the conditions of last year's excursion to Guelp, after which the minutes of the previous meeting were read and approved.

A communication was read by secretary Keith from G. C. Creelman, president of the Agricultural College proposing June 22nd as the date of the next excursion.

On motion of Mr. Wm. Thurston, seconded by Mrs. W. Fell, it was decided to hold the annual excursion on that date.

A committee consisting of Messrs. Jas. Keith, Wm. Thurston, and D. MacKenzie was appointed to arrange

Letter From a Forty-Niner

Here is a simple, interesting and sincere letter from a rugged pioneer of '49, who braved the dangers and hardships of the overland trail to California. It should appeal to all our victims.

Santa Rosa, Cal., May 6, 1908

Dear Sirs:—I was afflicted with catarrh and tried a number of remedies but received no relief. I purchased an outfit of Hyomei, and before I had used the bottle I noticed a marked relief. I used it for a month or so, and thought I was cured, and stopped using it for a year or so. I thought I was getting catarrh again and started using it again. I use it every morning, and keep myself clear of catarrh. I consider it the best catarrh medicine that is used. I have often recommended it to my friends. I am 48 years old I came to California in 1849, and of course am not as vigorous as I was 58 years ago. My address is 844 4th Street. Yours truly, W. Mock.

PAIN

Pain in the head—pain anywhere, has its cause. Pain is congestion, pain is blood pressure—nothing else usually. At least, so says Dr. Shoop, and to prove it he has created a little pink tablet. That tablet—called Dr. Shoop's Headache Tablets—coaxes blood pressure away from pain centers through safety, it surely equalizes the blood circulation.

If you have a headache, it's blood pressure. If it's painful periods with women, same cause. If you are sleepless, restless, nervous, it's blood pressure. Blood pressure. That surely is a congestion—blood pressure. That surely is a congestion—blood pressure. That surely is a congestion—blood pressure. That surely is a congestion—blood pressure. You'll find it where pain is always. It's simply Common Sense.
