Lindsay Beaten On Soft Ice

Midgets Lose to Electric City in a Water Polo Struggle

Yes, the score was five to two, and Lindsay got the two.

Three hundred hockey enthusiasts accompanied the Lindsay Midgets to Peterboro Friday evening to see them battle with the Electric City septette in, it was hoped, their final game for the championship of the district.

Peterboro stole a march on Lindsay in sending up the information that the ice was in splendid condition. They knew their chances were good for winning the game on soft ice, and events proved they were not far astray in their conjectures.

A BUMPER HOUSE

About two thousand people thronged the rink to see the game, which has been the sole topic of conversation for the past fortnight in the

heady game, and was of great assistance to the forward line, but as the game progressed he showed the effect of the grind and was certainly well pleased when the game ended.

THE MIDGETS' WORK

It was certainly an off night for the Midgets, as they felt they would be handicapped on the soft ice. The locals can put it all over the Electric City bunch so far as speed is concerned, but it was impossible to

get those grand rushes going which have won them many a victory in the past. Conditions were against them, and that is the only excuse they offer for their defeat.

Newton, in goal, was a close rival to Derocher for honors, and his work in the nets was a feature of the game. Koyl's and Sullivan's rushes were grand, and on keen ice would have meant considerable. These two players were watched closely, but they got away at will.

The Peterborites were delirious with joy when the game was finished.

Electric City. A Peterboro-Lindsay contest is always sure to attract a bumper house, and my, how Peterboro sports did relish that victory.

THE REFEREE

The O. H. A. commissioned one Jas. Sutherland, of the Limestone City, to handle the struggle. James is an old player himself, and some pumpkins away back in the eighties as a hockey star.

THE PENALTIES

Twenty-one penalties were handed out during the first half and ten in the second half. It must not be judged from this record that the game was rough. True, several of the players indulged in "love taps" during the struggle and also hugged each other too strenuously, still the majority of the penalties were for tripping and off sides.

THE GAME

As before stated, the ice was in no condition for hockey, still a truly remarkable exhibition of the game was given in the first half. Lindsay had the best of the argument all through and made shot after shot on the Peterboro nets, but it was like a fight of fire against the Chinese wall.

In the third game Lindsay forced the play, which was all in Peterboro territory. Morgan was punished by the referee, and shortly afterwards Taylor was ruled off. Glover next went to the side. Sullivan made a spectacular rush and shot, but Derocher was in the way.

half ended with the score 1-1, and 21 penalties administered.

THE SECOND HALF

Found Peterboro the aggressors and the puck lingered dangerously close to the Lindsay nets. Morgan and Taylor were detected by the referee and both were penalized. Stoddard was warned for loafing. Newton was called upon to stop some hot ones, and he was equal to the occasion.

The next game was a listless one. The players could make no headway on the soft ice and good hockey was out of the question. Peterboro had the best of the play and Morgan scored in nine minutes. Score Peterboro 3, Lindsay 1.

went off at the beginning of the next game, and the former was no sooner on the ice again than back he went to the penalty box for dumping Koyl. The puck was forced through the water and slush up and down the rink. Morgan received it in mid ice and rushing in scored. Time 4 1/2 minutes. Score, Peterboro 4, Lindsay 1.

The next goal went to Lindsay, after a half minute's play, Koyl doing the trick. Parnell was ruled off shortly after the puck was faced and Dusty was hit by the puck, which was shot by Randall. He was forced to retire and Cotey went off to even up. After a fierce onslaught on Lindsay nets, Ray scored. Time 8 minutes. Score, Peterboro 5, Lindsay 2.

The teams lined up as follows: PETERBORO Derocher Glover Moore Ray Morgan Taylor Stoddard Sullivan Koyl Newton LINDSAY

Chicks vs. Bantams.

One of the most interesting games of hockey ever played on Lindsay ice was pulled off last evening, when the Chick-Chicks, of Fenelon Falls, and the Bantams, from Lindsay, battled for supremacy. Fenelon Falls has always been noted for turning out fast hockey players, and the Chick-chicks are certainly a bunch of comers.

The rink in Fenelon Falls is not nearly so large as the Lindsay rink, and the little fellows were therefore entirely at sea on the big sheet of ice. The bantams, on the other hand, were at home all the way, having practised on the rink before. The game, while not fast, was very interesting, and the large number of spectators showed their appreciation by loud applause.

For Lindsay, Elwood Coombs played the best game, scoring four of the goals. Wilson, the youngest on the Fenelon team, was the star for his side. Dayman, of Fenelon Falls, referred to the satisfaction of all.

Line-up: Lindsay Dennis A. Carew Flavelle Coombs Griffis Wallace McLennan Fenelon Falls Scott. Mann Kelly. Pierce. Shane. Junkin. Wilson
