JANETVILLE.

(Special to The Post.) Mr. and Mrs. Jas. Armstrong spent a few days last week with friends in Cavan and Millbrook.

Mr. Herbert Johnston, brother-in-law of Mr. Thos. Paul, who has been spending a few weeks with friends down in Ontario, left last week for his home in Virgil, Dakota.

Who says Janetville can't play hockey? Well, they can. They showed that on Friday. They are improving, anyway and with practice will do fine work in the semi-finals.

Last Friday Bethany's septette came over and played a friendly game with our boys on the pond here. The game was good and fast, and fine hockey was played, each team doing fine checking and stick handling.

The game was commenced about 4.30 p. m. and both teams set to work with a will. After 10 minutes play Janetville succeeded in scoring the first goal.

The puck was faced again and in a short time Bethany succeeded in putting one past Porteous, Janetville's goal keeper, Janetville then scored again and excitement ran high.

Our boys were in the lead, but just before half time Bethany did the trick again and made it a tie. They took a little rest and went at it again vigorously both sides working hard.

In about 10 minutes more Sisson scored on a pass from Philips, this putting Bethany in the lead. Both sides worked hard, but our boys failed to even up the score again, while they managed to hold Bethany down.

The game was fast, exciting and free from roughness. Thos. Wauchope acted as referee in an impartial manner, keeping the players down to business and watching closely.

Only one penalty was inflicted, and that was on Walter Price of Bethany Our boys are doing well, and are making a better showing each time.

The following is the line-up: Janetville 2—Harold Porteous, goal; Jno. Paul, point; T. E. Howe, cover; Xorm McGill, rover; Lloyd Cohnston, centre; Fred Philp, right wing, J. Bingham, left wing.

Bethany 3—Robinson, goal; C. Sisson, point; W. Price, cover; E. Sisson, centre; W. Phillips, right wing; Hawarth, left wing.

Referee—Thos. Wauchope. Mr. Wm. Robinson, of Dakota who has been visiting with his brother in law, Louis Fallis, left to visit other friends in this locality while downeast.

Mr. Matchett of Treehern, Manitoba, is visiting with Mr. Jas. Howe. We are sorry to hear that Miss Mary Byers is very ill at Dr. Johnston's.

League was fairly well attended last Friday night. The topic, "How to have a good day," was taken up by Thos. Wauchope. Miss Zlora McGill and Mossom Walker. All gave suitable readings on the topic.

The Epworth League will hold a patriotic banquet in the C.O.F. hall here on the evening of Friday, Feb. 18. Orations will be delivered on patriotic subjects by Rvss. Robins, Chapman and J. P. Wilson. Mrs. McCulloch, of Lindsay, will also give recitations on patriotic topics.

LINDEN VALLEY

(Special to The Post)

This is very changeable weather. On Sunday it was 18 degrees below zero, and a high wind made it very unpleasant to be out.

A successful event of last week was the party given by Mr. and Mrs. Hiram Rogers, at their beautiful home which was decorated for the occasion, in honor of Mr. Rogers' sister, Annie, of Winnipeg. A very enjoyable evening was spent in games and music by Mrs. Ogas Rogers, Mrs. Maurice Rogers. After a very elaborate lunch was served the most fun of all was the selection of presents blindfolded, which were brought by each family.

Mr. E. Tyrrell sold one of his big horses to Mr. Sinclair of Cannington for which he got a big price.

Mrs. Jas. Birchard has been sick and has been under the doctor's care. We are quite pleased to say that she is on the fair road to recovery, and will be pleased to see her around to health again.

Mrs. E. R. Rogers was the hostess of a young people's party given in honor of her son, Garfield, who is attending L.C.I., Lindsay.

Mr. Frank Webster is putting in a telephone and will be on the South Shamrock line from Cambray.

They have a bad water problem in Paris now.

Yelverton spent Friday evening at Jas. Armstrong's.

A number of young people under auspices of the amusement club met in the C.O.F. hall on Friday night and spent a few hours dancing.

Mr. Elias Lowes of Peterboro bought up and shipped a couple of loads of cattle from Janetville station last week.

Horse buyers are doing big work in our vicinity. About 25 horses have been taken away at good prices.

Our merchants decided a short time ago to close their stores at 6 o'clock three evenings in the week. This came into force last week, after Feb. 1st, and now the stores are closed Tuesday, Thursday and Friday at six p. m. Now on these early closing evenings as one looks down the dark streets it makes him think of Goldsmith's "Deserted Village" to see no lights and no one on the streets. One also thinks of Gray's Elegy at this time and might term it thus:

The six bell tolls the end of business day, The men go homeward slowly o'er the lea,

As each one homeward plods his weary way, It leaves our streets in darkness you may see,

Now fades the glimmering landscape and the sight, And all the air a solemn stillness holds,

Save where the skaters wheel in their delight, And coughs and barkings tell of winter colds.

However, it gives our merchants their first chance to get out and enjoy the evening as they wish or leaves them at liberty to spend the evening at home with the family or with friends and also the other men won't have to walk home in the cold after 10 o'clock.

As we viewed it it put us in mind of an old Irish woman who upon one occasion when a comet was visible here last made its appearance and on seeing it she ran into the house shouting, "Mickey do yez hear to come out and see the comical."

Miss Seymour, formerly of Grafton, is visiting with Mrs. Oscar Edwards.
