CASTORIA

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of and has been made under his personal supervision since its infancy.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance.

GENUINE CASTORIA ALWAYS

Bears the Signature of

The Kind You Have Always Bought

In Use For Over 30 Years

THE CENTAUR COMPANY, 77 MURRAY STREET, NEW YORK CITY.

year's Carnival, and commended the efforts of the Advancement Club to advertise the town.

Dep.-Reeve McWatters in seconding the resolution voiced Ald. Slame's sentiments, as did also Dep.-Reeve Dobson.

The resolution was put and carried unanimously.

Mr. P. Breen thanked the council for their generosity. The arguments advanced in the County Council against giving the Advancement Club a grant could not be substantiated.

VETERANS OF '66 TO ASK FOR PENSIONS

Peterboro Times: Last night the local veterans of '66 gathered in the offices of Lieut.-Col. Miller, George street, and the gallant Colonel president, and the gallant Colonel president of the Association, occupied the chair.

The principal business transacted was the passing of a vote of thanks to be forwarded in due time, to the Minister of Militia, M.P., for arranging for the recent grant of \$100 to the veterans.

ONTARIO WOMAN'S FORTUNE

Freed From That Weak, Languid, Always Tired Feeling, by Lydia E. Pinkham's Compound.

Thessalon, Ont.—"I cannot speak too highly of your medicine. When my appetite is poor and I have that weak, languid, always tired feeling, I get a bottle of Lydia E. Pinkham's Vegetable Compound, and it builds me up, gives me strength, and restores me to perfect health again.

Women who are suffering from those distressing ills peculiar to their sex should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

There are probably hundreds of thousands, perhaps millions of women in the United States who have been benefited by this famous old remedy, which was produced from roots and herbs over 30 years ago by a woman to relieve woman's suffering.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

much the same from the mines to the mills. The mine now in operation is less than a quarter of a mile away, in a field on the hill farm of Mr. Ames, Sr., who for years had the opinion that mineral would be found, but who passed away a few months ago, just about the time the discovery was made on his farm.

BOOK FULL OF HEALTH POINTERS

New York, Feb. 2.—If you wish to be really healthy you must immediately rid your flat or your house of—

The family cat. The family dog. All portieres, curtains, bric-a-brac, upholstered furniture, carpets and any rubbish that you may be keeping for old sake's sake.

Leave your books unprotected by glass.

Sweep with a broom. Beat your rugs on the roof, or Keep your food in the cellar.

These and a few dozen other rules were handed out to a large audience in the Academy of Medicine, 17 West Forty-third street, by Dr. Laura M. Riegelman, Dr. John Van Doren Young, Dr. Henry L. Shively and Dr. Mary Sutton Macy.

Oh, yes. And they said you mustn't keep roosters in your flat, either; it's highly unhygienic.

This last piece of advice isn't so superfluous as it may seem, for Dr. Young said that not long ago he was calling on a patient, and he heard the queerest noise behind him; he could not imagine what it was.

EVERYBODY WAS HAPPY

"I looked around," he said, "and there was a rooster on the head of the bed. Well, that girl, my patient, had never heard of the word hygiene. That rooster was her friend. She was happy; the rooster was happy; everybody was happy. Nevertheless, the city house or the city flat is no place to keep roosters, dogs, cats or any kind of pet, except goldfish or canary birds. I know I'm treading on the toes of most of you when I say this, but it's so."

OPPOSITION ACTIVE IN OPENING SESSION

That the Opposition in the Legislature, though small in numbers, is prepared to make known its demands upon the Government, is shown by the large number of questions which appeared on the order papers for yesterday. The activity of Mr. C. M. Bowman, North Bruce, takes the form of an inquiry as to how much has been expended to date upon the new Government House, the full cost of completion, and when the building will be ready for occupancy.

Mr. T. Marshall, of Monck, questioning the Government regarding mining royalties. He asks the names of mines obliged to pay royalties to the Government or to the T. and N. O. Railway Commission, and the amounts received during the past five years. Mr. Z. Macgeau, Sturgeon Falls, wants to know what timber was in the townships of Kendry and Haggart in Northern Ontario at the time the government turned them over to William K. Jackson of Buffalo for colonization purposes.

Copies of all reports made by the Superintendent of Provincial Police, and prosecutions carried on before Superintendent Rogers, have been asked by W. E. N. Sinclair, of South Ontario, and Mr. W. Proudfoot, of Centre Huron, adds to this a request to know the amount paid so far to the Statute Revision Commission for

PUBLIC NOTICE

The Annual General Meeting of the FARMERS' UNION MUTUAL FIRE INSURANCE COMPANY will be held in the Council Chamber in the Town of Lindsay, on Tuesday, 11th day of February, '13 at 11 o'clock a.m. to receive the Annual Statement, the election of Directors and such other business that may be brought before said meeting.

R. G. CORNEIL Secretary. Lindsay, Jan. 13th. 1913

Child's Play of Wash Day Surprise Soap. Means: To make the dirt drop out, not be rubbed in, use Surprise Soap. The "Surprise" way without boiling or scalding the clothes. It's a new way and a clean, easy method of doing the wash. Surprise is all Soap; a pure Soap which makes a quick lather. Read the directions on the wrapper.

WEDDING BELLS

MORTIMER-CAMPBELL

A very pretty wedding was solemnized in the Dominion Hotel on Wednesday evening February 5, 1913, when Mr. John McBride (Mack) Mortimer, of Strassburg, Sask, and Miss Margaret Ann Campbell were united in marriage.

MILLION FOR THE TRENT VALLEY CANAL

Orilla Packet—"Look in the Estimates," was the only reply vouchsafed by the Hon. Frank Cochrane when urged at the Board of Trade banquet to commence work on the northern outlet of the Trent Valley Canal. There was accordingly considerable disappointment in town when the summaries of the Estimates published in the Toronto papers contained no mention of any vote for the Trent Canal.

NO GRANT FOR WINTER CARNIVAL

The request of the Lindsay Advancement Club for a grant from the County Council in aid of the Winter Carnival was turned down by the Finance Committee Friday. Messrs. McWatters and Kylie moved that a grant of \$100 be made, but an amendment of Messrs. Southern and Devitt that no action be taken was carried.

OBITUARY

MISS CHRISTINA ROBINSON.

Beaverton, Feb. 6.—A very large gathering of relatives and friends assembled at "Riverview" this afternoon to attend the funeral of Miss Christina Robinson, whose death occurred after a protracted illness. The services, both at the house and the grave, were conducted by Rev. T. A. Symington, M. A., assisted by the Rev. D. W. Best. The late Miss Robinson was all her life a very active figure in all church, Sunday school and benevolent work.

FOR SALE

Three leading varieties of Raspberries. The old reliable Cuchbert sells at \$1.00 per hundred. The Columbian variety is used to sell at \$1.00 per bush, now sells at \$3.00 per hundred. The new Herbert Berry, that takes first place at the O. A. C. at Guelph, sells at \$5.00 per hundred. After twenty years experience these are my choice. I also have several hundred apple trees which are too large for shipping but would be suitable for replacing, which I will sell at 25c each. They are true to name or I will take the blame. Got to sell to do well says

Mayor Beal Advocates Municipal Slide Committee Will Deal With Question

Mayor Beal at last night's council meeting said that in his address at the inaugural meeting of the council he spoke of a municipal slide. The Advancement Club, which he felt should take the initiative in this matter, claimed that they had too much on their hands at present. He thought the council should make a move in this matter as well as provide free skating for the children at the rink. Something should be done for the children of the town. The question of park sites was also referred to, and Mayor Beal said the property near the town wharf on

COUNCIL ASSISTS WINTER CARNIVAL VOTED COMMITTEE \$100 LAST NIGHT

Last evening a deputation from the Lindsay Advancement Club interviewed the Council, and asked that body for an appropriation of \$100.00 in aid of the Lindsay Winter Carnival.

The deputation consisted of Messrs. Allan Gillies, (President) W. W. Staples, and P. Breen, and these gentlemen ably presented their case, pointing out the advantages of the carnival to the town and the splendid efforts under way to make it a greater success than last year's Carnival.

Mr. P. Breen presented the request for the grant in a few well chosen remarks.

YOU PAY WHEN CURED

Drs. K. & K. TAKE ALL RISKS

NO NAMES OR PHOTOS USED WITHOUT WRITTEN CONSENT

NERVOUS DEBILITY

Thousands of young and middle-aged men are annually swept to a premature grave through Early Indications, Excesses and Blood Diseases. If you have any of the following symptoms consult us before it is too late. Are you nervous and weak, despondent and gloomy, specks before the eyes, with dark circles under them, weak back, dizzy or irritable, palpitation of the heart, head aches and lasses, sediment in urine, pimples on the face, eyes sunken, hollow cheeks, careworn expression, poor memory, listless, distrustful, lack energy and strength, tired morning, restless nights, chameleon moods, weak manhood, premature decay, bone pains, hair loss, sore throats, etc.

YOU WILL BE A WRECK

Our New Method Treatment can cure you and make a man of you. Under its influence the brain becomes active, the blood purified, so that all pimples, blotches and ulcers disappear, the nerves become strong as steel, so that nervousness, listlessness and despondency vanish, the eye becomes bright, the face full and clear, energy returns to the body and the moral, physical and sexual systems are invigorated; all drains cease—no more vital waste from the system. Don't let quacks and fakirs rob you of your hard earned dollars. We will cure you or no pay.

DRS. KENNEDY & KENNEDY

Cor. Michigan Ave. and Griswold St., Detroit, Mich.

NOTICE

All letters from Canada must be addressed to our Canadian Correspondence Department in Windsor, Ont. If you desire to see us personally call at our Medical Institute in Detroit as we see and treat no patients in our Windsor offices which are for Correspondence and Laboratory for Canadian business only. Address all letters as follows: DR. KENNEDY & KENNEDY, Windsor, Ont.

Re-Arrangement of Council Committees Is Present System too Cumbersome

Ald. Adams, at last night's session of the council, championed a suggestion regarding the re-arrangement of the council committees. He would like, he said, to see the committee work dealt with differently. The present method of having the whole council on the different committees was too cumbersome. He felt that committees composed of a few members could transact the business more expeditiously.

His Worship Mayor Beal said the reason he was in favor of the present method was because it enabled the members of the council to become conversant with the business under consideration.

Dep.-Reeve Dobson said that in the County Council the committees consisted of the whole council. When the council went into session the committees reported and the business was transacted with despatch.

JANUARY EXAMS. AT THE CONVENT RESULTS IN THE DIFFERENT CLASSES

Results of the examinations at St. Joseph's Convent for January, 1913: Sr. IV, total 650—Genevieve Murphy 544, Pauline Carroll 455, Lena Hutton 452, Mary Hogan 457, Helen Duck 445, Mary O'Loughlin 429, Flo Anderson 426, Irene Curtin 420, Mary Murphy 406, Mary Brunck 391, Helen Breen 390, Teresa Barnett 383, Gertrude Flurey 370.

Jr. IV, total 650—Grace Meehan 520, Mary Primeau 465, Mary Lehane 461, Clara Houlihan 412, Marguerite Tangney 325, Julia Skipworth 301.

Senior III, total 350—Phileme Dwyer 301, Marie Murphy 298, Aileen Meehan 296, Ersile Brunck 275, Andrine Blanchard 275, Teresa Hargrove 274, Frances Murphy 271, Grace Teevins 270, Mary Fox 269, Violet Rivers 251, Camille Blanchard 230, Marjorie Walsh 201. Absent for examinations, Bernice Carroll, Gertrude Dovey, Annie O'Neill.

Jr. II—Lizzie Tully, Lucy McIntyre, Boniface Cunningham, Frances McCabe, Mary McMahon, Lizzie Fortier, Valeria Saunders, Ursula Connolly, Marion Blanchard, Helen Tangney, Leona Carroll.

WILBERFORCE IS A MINING TOWN VIRGINIA GRAPHITE COMPANY OPERATIONS

Minden Echo:—Notwithstanding the fact that it has been frequently said that little, if any, mineral wealth would probably ever be found in the county of Halifax, there now exists at least two thriving industries, as a result of recent discoveries at Wilberforce and Harcourt station on the line of the I. B. & O. Ry.

The Echo report of last week was confined entirely to the graphite industry in Cardiff township, near Harcourt station, this week we visit Wilberforce, where extensive operations are now going on.

Wilberforce is a growing village in the township of Monmouth near the boundary of Cardiff township, situated at a point where the railway crosses a road at the shores of a pretty lake. For several years past steam saw mills have been in operation at this point, bringing a fair

share of trade to the village. Immediately adjacent are inexhaustible graphite deposits, owned and operated by the Virginia Graphite Company, who have built a refining plant capable of reducing 50 to 60 tons of ore in a day of ten hours. The buildings are of the most substantial character, and the immense engines no only supply power for the machinery, but compress air to operate the drills at the mines as well as furnish power to operate the water works, hydrants having been placed in convenient positions. At the present time the ore being drawn by team, the sleighs being led down a very steep hill by a cable, the loaded sleigh furnishing power as it goes down to draw the empty sleigh up, the grade being about as steep as a barn roof. It was explained to us that later tram cars will be operated
