

HARTLEY

(Special to The Post.) This correspondence was received too late for last week's issue. Mr. Walter Stevens, of Moosejaw, is visiting Mr. B. G. Benson. Mr. Byron Bowins, of Woodville, accompanied by his sister, Miss Ruby Bowins, and her friend, attended church service here on Sunday. Mr. T. McKee, of Eldon Station, visited home friends on Sunday. Mrs. A. McFadyen, with her little granddaughter, Margaret McMillan, returned home last week, after spending a month visiting friends in Buffalo and Toronto. Messrs. Herb Campbell and Lauchie McKerrall are spending a few weeks in this community, they having recently returned home from the West. Miss S. Campbell, of Woodville, visited at the home of Mr. H. A. Barker on Sunday last. Mrs. D. Yeaman, of Toronto visited at the home of Mr. R. Spence last week. Born—To Mr. and Mrs. Duncan Campbell, on Jan. 21, a son. In December a branch of the Women's Institute Society was organized at Hartley, and two meetings have been held. The attendance at these initial meetings has been below the standard desired, and this has been discouraging to the officers. The meetings are regularly held on the first Thursday of each month, and in accordance with that arrangement the next one will be held in the Methodist church on Thursday, Feb. 5. The secretary, Mrs. W. A. Barker, and the other officers, extend a cordial invitation to all the ladies of the section who are in any way interested in this praiseworthy work of social intercourse, and mutual benefit, to make a special effort to meet at the church on Thursday, Feb. 5, at 2.30 o'clock.

PLEASANT POINT

(Special to The Post.) Owing to the treacherous and rather icy walking last week, Mr. Fox of this corner was the recipient of a very severe fall. He was engaged near the barn at the time and was in the act of walking down the gangway when he missed his footing. As a result, Mr. Fox is now suffering from the break of two or three ribs and a general shaking up. We all hope he will soon be about again. Mr. Wilson Hamilton left here a few days ago for Morrisburg to visit his father of that place, who is very ill at present. We wish to congratulate Miss Mary E. Brien, a former resident of here, who graduated from the Ross Hospital last week. Miss Violet Taylor, of the Scotch Line, spent a few days with friends here last week. Kentucky judge holds that baseball is not a nuisance. Well and wisely spoken, your honor. It is a disease, out in this neck of the timber. Parliament is still talking dear food, but when times get really bad politicians can always eat their own words.

ISLAY

(Special to The Post.) Mrs. Purdis, of Saskatoon, has been visiting her brothers, Sam and Harry Copp. Mr. Archie Graham is spending some time with his brother, Mr. Colin Graham, of Woodville. The local branch of Women's Institute held a social evening at the home of Mrs. A. Byrnell, Zion, on Thursday evening of last week. A large crowd, about ninety persons, were present, and a very pleasant time was spent. Mr. Weldon Brown filled the position of chairman in his usual witty manner. One of the interesting numbers on the program was a debate, "Resolved, that the spendthrift is more benefit to society than the miser." The affirmative side was taken by Mr. Boyd, captain, and Miss M. Naylor, and Mr. C. Elford, while the negative was defended by Mr. Tom Currins, captain, also Miss M. Tolmie and Mrs. Naylor. The judges gave the decision in favor of the negative. Mr. Donald Peter McKenzie acted as critic, and made a neat speech, as same. Other recitations, solos and duets were well rendered, and were much enjoyed. At the close of the programme a dainty lunch was served, after which the pleasant evening was brought to a close by singing the National Anthem, and a hearty vote of thanks was tendered to Mr. and Mrs. Byrnell, for their hospitality, to which Mr. Byrnell suitably replied. Mr. and Mrs. S. Copp entertained a number of their friends from Penelon Falls and Glenarm on Wednesday evening of last week.

OBITUARY

JAMES HEPBURN The death took place shortly before two o'clock this afternoon of a well known resident of the town in the person of the late James Hepburn. The deceased, who was an old and faithful employe of the town, has been ill since a year ago last September. He is survived by his wife, two daughters, and a son, and was a member of the L.O.L. and Foresters. MANILLA (Special to The Post.) The January meeting of the Women's Institute was held in the Sunday School hall on Wednesday evening, Jan. 28th. The meeting opened by singing "O Canada," followed by the prayer. A solo was then given by Mr. W. Mountain in his usual good style, followed by a debate on "Why Women Should Vote." The affirmative was taken by Miss H. Nickolson, assisted by Mrs. John Hamill, while the negative was taken by Mr. George Douglas, assisted by Mr. A. White. Dr. L. Stauffer, Mr. H. Glendinning, Mr. R. Pearce acted as the judges. While the judges were making their decision Miss Mildred Coome sang a solo. The decision was then given in favor of the negative side. Mr. Mountain then sang another solo, followed by the critic's reports, given by Mr. H. Glendinning. The meeting closed by singing the National Anthem. Miss Evelyn Cameron spent the week end with friends in Toronto. Mr. and Mrs. A. A. Birchard were guests of the Misses McPherson on Sunday. Mr. and Mrs. Fred Everson and little daughter, of Saskatoon, Sask., spent Sunday at the home of Mr. and Mrs. W. J. Woodbridge. We are sorry to hear that Mrs. C. W. Former Resident Home From West

Mr. Harry Burke, of Lashbourne, Sask., a former resident of Ops township, is renewing acquaintances in town and district. Mr. Burke went west in 1905, and like many others from the grand old County of Victoria, has been most successful. He is working a whole section, and last year had a magnificent crop. Lashbourne is on the C.N.R. and has a population of five hundred. There was not a house where the village now stands nine years ago. Mr. Burke states that a number of former Ops residents are residing at Lashbourne. Messrs. W. and Jas. Greer, formerly of Reaboro, live there. The former owns a hardware and furniture store, and is doing well. James and Robert Moore, sons of James Moore, of Reaboro, are both located at Lashbourne and are doing well. Jas. Moore is teacher of the high school. Mr. Burke states that when he left Lashbourne there was about six inches of snow on the ground. He will remain in this district until March, and is being warmly welcomed by his many old friends.

COUNTY ORANGE LODGE SESSION

The County Orange Lodge of Victoria County convened in Lindsay, on Tuesday with a big delegation present from all parts of the county. County Master W. Bro. Jos. Brown occupied the chair, and the officers reports presented showed satisfactory progress all along the line. Forty-four per cent of the handled in Chicago have faulty dresses, and it costs Uncle Sam 600 a year to doctor up the ones. New York has tried to schools with some success. Sir Thomas Lipton says that new Shamrock is going to be most wonderful ship ever known. American yachts have beaten sort before. A Cleveland minister proposed 200 churches devote time to young women how to pick the bands. Another suggestion on avoid bad eggs.
