## Dancing Hobble Skirt

A Missouri town voted to have saloons and the newspaper there printed the following comment: "Musket Ridge has voted on saloons. If we are going to stand for our women to wear slit skirts, tight form fitting dresses and vulgar hobble skirts, and our young ones to dance the boll weevil wiggle, Texas Tommy, tango, bunny kug, the bear dance, the half canter, the kangaroo kick, the buzzard lope, and so on down the line, the men might just as well have their saloons and the whole push go to hell together. .
