

Diamond Wedding of Mariposa Couple

Mr. and Mrs. Hezekiah Noble Celebrate Their Sixtieth Anniversary

On Monday, January 25th, Mr. and Mrs. Hezekiah Noble, of the 7th concession of Mariposa, observed their diamond wedding, being sixty years married. Mr. Noble was born in Markham, Ontario, eighty-five years ago. His father was originally a native of Pennsylvania, but subsequently moved to Canada. During the rebellion of 1837 he refused to enlist, not from a spirit of disloyalty, but rather from strong religious principles. As a result of his refusal his land was confiscated. His son, Mr. Hezekiah Noble, moved to the township of Mariposa at the age of seventeen. At that time

elevators until this line is completed or at least well under way, and by that time there may be very material changes in their plans regarding their elevator locations on Georgian Bay. There has been a waiting game played in connection with the Flat Point location of two years now, which is apparently all being done for a purpose, and this purpose will be revealed before a very great while now.

Thought She Was Suffering

An untravelled countryman once treated himself to a trip to London. There, for the first time in his life, he saw a school-girl go through some gymnastic exercises for the amusement of the little ones with whom she was playing. After gazing at her with looks of interest and compassion for some time, he asked a boy near if she had fits. "No," replied the boy. "Them's gymnastics." "Ah, how sad!" said the man. "How long's she had 'em?"

Stranger Chases Young Ladies

Has Been Spreading Terror Among South Ward Residents

The police have received information that a stranger has been in the habit of chasing young ladies in the south ward and driving them almost into hysteria by his actions. A few evenings ago a young lady, while going to her home unaccompanied, was chased and seized by a scoundrel. Luckily she broke away from his grasp and ran to her home. Several other young ladies were also chased by this mysterious individual, and this should warn them, if possible, not to go out of doors after dark unaccompanied. The police will keep a sharp look-out for the stranger, and if apprehended prompt punishment will be meted out to him in liberal quantities.

Goes to Pembroke and Other Points

Mr. J. Howard Bridge Will be a Busy Man the Next Two Weeks

Mr. J. Howard Bridge leaves on Monday for Pembroke, where he will address a public meeting which is called for the consideration of the pure water proposition. The town of Pembroke secures its water supply from the Ottawa river, and as there has been an epidemic in the town, the citizens have started an agitation in favor of the installation of a purification plant. Mr. Bridge has also been called to Boston, where he will give evidence on behalf of the City of Lynn before the Senate committee on water supply of the Massachusetts legislature. Afterwards he will visit Baltimore, Maryland, on business in connection with the ozone purification plant, which is being installed in that city. On his return to Lindsay it is understood he will formally hand over the local plant to the water commissioners.

Busy Times Coming at Midland

Large Freighters Being Fitted Out for the Season's Work

Discussing the coming season the Midland Argus says: The next few weeks will be busy ones along the water front where several large freighters have spent the winter and are now being fitted out prior to the opening of navigation. There has been a large amount of work going on all through the winter, but much remains yet to be done. In addition to the large grain carriers there is the tug boat fleet, representing a large amount of capital upon which considerable repairs will also be necessary and each in its turn will furnish employment for men. At the repair dock several large jobs are on hand and a number of scows to be rebuilt which will take up the time from now to when the ice begins to move, pretty well.

Committed Suicide in Lock Up

Robert Switzer Ends His Life in Midland Cells

Midland Argus: The people of the town were shocked on Wednesday morning to learn that an unfortunate fellow by the name of Robert Switzer, who had been found drunk upon the previous evening and placed in the lock-up for safe keeping had killed himself during the night. Switzer was taken charge of at the opera house by Chief Bell, who after considering matters for a time, concluded that the best place for the man to spend the night was at the lock up. When he was taken to that institution he did not show any unusual signs and he was left there to sleep for the night. Some time before morning he must have taken a delirious turn and procuring a piece of glass he cut his throat and was found dead in the morning. A jury was sworn in on Wednesday and returned a verdict of deliberate suicide while suffering from after effects of liquor.

Wife's Commandments Obeyed Them 26 Years

Husband Had to Take Off Shoes at Door, Wash Own Clothes and Bathe Wife's Pet Poodle.

Sadly lacking in appreciation of the import in those bonds, "love and obey" is Chas. B. Menough's characterization of his wife who twenty-six years ago framed an iron clad set of ten rules and forced obedience through the years of their marital existence. The meek and lowly Charles at last has spurred his courage to open revolt. He submitted a cross bill in answer to his wife's suit for divorce filed several days ago in St. Louis. She charges desertion. "Can you blame me?" he replies, and appendages these to his allegation:—
HER COMMANDMENTS.
Banged a gong as a signal for him to retire.
Locked the house at 7 p.m. if he wasn't in he slept in the woodshed.
Forced to take off his shoes at the door.
Made him pay \$10 a week board and the grocer's bill.
Made him carry water from the cistern and wash his own clothes.
Gave her pet poodle, Gary a bath twice a week, denied him plunge except on Sunday.
Forced him to eat with a fork when he was taught to use a knife.
Wouldn't let him eat at the table with unwashed hands.
Barred use of tobacco because it darkened the curtains.
Forced him to walk ahead of her on street and sit in front seat in the car to prevent his looking at other women.

"I couldn't stand that set of rules," says Menough. "Once when she locked me out I went to a hotel and stayed three weeks and I did as I pleased without any rules to bother me. When I returned my wife had a new rule on the list. It required me to pay the water license. I balked at that but it didn't do me any good. The city shut off the water and she made me carry the supply from a cistern at the rear of the house."
"In her rules she set a certain time for each meal. I had to be up in time for 7.30 breakfast. If I wasn't I had to go hungry. I couldn't lay in bed and miss my breakfast no matter how late I had worked the night before. She would rout me out so she could make the beds and have things looking nice."
Mrs. Menough admits that she is particular, but not any more so than any good housewife should be.

Lineman Fell and Broke His Leg

James Crowley of Peterboro Fell off a Machine Telephone Co.'s Pole

Last Thursday about 8.30 o'clock Mr. James Crowley, of Peterboro, a lineman in the employ of the Canadian Machine Telephone Co., was the victim of a painful accident. He was working on a pole about thirty feet from the ground when a blast of wind caused him to lose his footing. He fell heavily to the ground and it was thought at first that he was seriously injured. He was removed to Dr. McAlpine's office, where it was found that he had sustained a fracture of the left knee. He was afterwards taken to the Moore house, and it will be some weeks before he is around again.

HAWKING MACHINES

Catarrh Sufferers are Nothing But Hawking, Spitting and Blowing Machines, Says an Authority

Is it possible that in these days, when cleanliness and sanitary reform is being preached in the churches and schools, public buildings and at public gatherings that thousands of people will continue to suffer from catarrh when there is an absolutely certain remedy always on hand. Hyomei (pronounced Ho-mei) is a pleasant medicated and antiseptic air breathe in it and it will cure catarrh. It will stop foul breath, watery eyes, and crusts in the nose in a few days.
Mrs. H. W. Wilson, of Johnson-st., Wallaceburg, Ont., says: "Yes we are great friends of Hyomei for the reason that Mr. Wilson has had catarrh for several years and tried several remedies and doctors, but nothing has relieved the trouble like Hyomei. My trouble is from pains across the eyes and a burning huskiness in the throat. Sometimes much difficulty in breathing, the glands in his nose and eyes swollen and the disease made him literally sick all over. He can not say enough in praise of Hyomei, and there is nothing that can give better relief to catarrh than this remedy, which we heartily recommend."
A complete Hyomei outfit, consisting of a strong hard rubber inhaler, and a bottle of Hyomei costs only \$1.00, and extra bottles, if afterward needed, only 50c each. Jury & Gregory sells it and guarantees it to do exactly as advertised.
Hyomei also cures Asthma, Bronchitis, Coughs, Colds, and Infant's Croup.

Swing a Kirkfield Man

MR. AND MRS. HEZEKIAH NOBLE

Lindsay was practically a wilderness. Eight years afterwards he married Julia Ann Moore, of Markham, and afterwards moved from lot 2 to lot 8, where he has resided ever since. To this union were born a family of nine children, five of whom are living. They are, Thos H. Noble, of Lindsay; Alzina (Mrs. D. Culbert, of Little Britain); Lydia Ann (Mrs. Thos Reazin, Salem, Mariposa); Al-tretta (Mrs. Chas. Dunn, Mariposa) and Mr. A. H. Noble, living on the homestead. Twelve grandchildren and nine great-grandchildren are living.

In religion Mr. and Mrs. Noble are consistent members of the Christian church at Little Britain.

Mr. Noble is one of the old school of Reformers, and has been almost a life-long reader of The Post. He is at present 85 years of age, Mrs. Noble being his junior by four years.

Owing to the slight indisposition of Mr. Noble, the anniversary celebration was of a quiet and private nature. Only the immediate relatives of the honored couple were present, among them being Mr. Noble's only living brother, Daniel Noble, of Mariposa, and a cousin, Wm. Noble, of Unionville. Elder C. H. Haines, pastor of the Christian Church, Little Britain, and Mrs. Haines, were also present.

Mr. and Mrs. Noble received the hearty congratulations of those assembled, and The Post desires to join with their host of friends in wishing them a large measure of health and happiness.

To Rush C. P. R. Branch to East

The Railway Will Lose No Time in Construction from Coldwater to Peterboro

Midland Argus: That branch of the C. P. R. from Toronto to Sudbury commenced about two years ago and completed and opened for traffic last year together with the short line from Coldwater to their connection on Georgian Bay between Victoria Harbor and Midland being out of the way, the company are taking steps to push forward the construction of the connecting link between Coldwater and Peterboro, for which surveys and other preliminary work has been going on for some time. There has been some little difficulty regarding right of way and water lots at Orillia-together with crossings, but only a few days ago this was settled to the satisfaction of the town and company, and the announcement is now made that the work of construction will go on during the coming summer. Large quantities of material for dock work and the like at Flat Point have been delivered during the past few weeks and work is being pushed west of the Grand Trunk tracks, presumably to the elevator, but so far no contracts have been let for this latter work and no material that would signify has been brought forward. There does not appear any particular desire on the part of the company to push the elevator construction just at present, and it would not be surprising to see them withdraw active operation at this end in the spring and direct their attention to this new piece of road from Coldwater to Peterboro. There is no particular hurry for their

Friends Regret Ex-Reeve's Departure

Mr. E. H. Hopkins Presented with a Combination China Cabinet and Sideboard and a Chair

On Friday evening a very interesting event took place at the residence of Mr. E. H. Hopkins, lot 23, con. 4 Ops, when Mr. J. H. Hopkins, ex-reeve of the township, was presented with an address and a combination cabinet and sideboard and arm chair by his friends and neighbors on the eve of his departure from the township to take up residence in Lindsay.

A large number had gathered to participate in the proceedings, and an address was read by Mr. W. G. Dunoon, of Lindsay, which referred in eulogistic terms to his sterling worth as a citizen and also to his untiring labor on behalf of the township in municipal affairs. Regret was also expressed at his departure.

Mr. Hopkins made a suitable reply thanking his friends for the tangible demonstration of their friendship and good will and assuring them that they would always be regarded as links in the golden chain of friendship.

The evening was afterwards spent in a social manner and a sumptuous spread was partaken of before the festive came to a close.

Good Concert Held at Cameron

Home Circle Has a Delightful Entertainment Friday Evening

A delightful entertainment was held at Cameron on Friday evening under the auspices of the local branch of the Canadian Order of Home Circles.

Among those present were Mr. Jos Brown, past leader of the Lindsay circle and Mr. A. B. McIntyre, vice-leader, both of whom delivered excellent addresses on the merits of the order.

Mr. Brown presided and had the good fortune to have a splendid programme placed in his hands.

In the programme was a splendidly rendered dialogue entitled, "A Noble Outcast," which occupied about two hours to present and which was thoroughly enjoyed by the large audience. The several parts were exceptionally well taken, and revealed a histrionic ability which was as pleasing as surprising. A violin solo of unusual merit preceded the dialogue, and it was followed by a sweetly rendered solo by Miss Eyles. Mr. Leonard Lathan-gues' recitation was well received, as was also one by Miss Jean Hill. An excellent duet was also rendered in a manner which evoked the heartiest applause.

The entertainment was a great success and reflected considerable credit upon all who took part in it.
