### Daniel Grant Left Letters

#### Asked His Friends to Meet Him in Heaven

(Special to The Post)  
 Oakwood, Feb. 25th.—Dr. Blanchard Coroner, of Lindsay, visited our village on Friday morning, and after viewing the remains of Mr. Daniel Grant, whose body was found that morning, decided that an inquest was unnecessary.  
 Several letters were found written by the deceased, showing that the act was premeditated, as in one he bade all the boys good-bye and asked them to meet him in heaven; he also left money for funeral expenses; arranged for disposal of clothing, etc.  
 Undertaker Stoddard of Woodville, arrived with the casket this afternoon and removed the body to his home at Eldon station. Beside his aged mother, who is in poor health, and to whom the shock will be severe, he leaves two sisters and five brothers to mourn his untimely death. Mr. James Grant, of Lindsay, is one of the brothers.

#### Former Bobcaygeon Girl and Chum Arrested in Buffalo

Buffalo, Feb. 27.—Two Toronto girls, giving their names as Agnes, aged 19, and two Toronto men, Fletcher aged 21, and Ethel Taylor, giving their names as Edward Armstrong, aged 27, and Wm. Wilson, aged 20, are under arrest here and will be given a hearing before United States Commissioner Robinson tomorrow evening. The girls were arrested on a train bound for this city at Black Rock last night. They declared to Immigration Inspector Landis that they had come to join their husbands, who had come in ahead to establish a home for them in this city. The answer did not satisfy Landis, and in going over some letters the girls had discovered that they were being imported as "white slaves." From the letters he learned that the men in the case were living at 413 Seneca street. He enlisted the services of the police, and they visited the house. They found the two men established in luxuriously furnished quarters, having got the furniture on the instalment plan. They admitted they had just come from Toronto.  
 Armstrong said he had known the girls for a long time, that he was employed in a cigar store in Toronto, and that the girls said they

would like to go to Buffalo suggested that Wilson advance the trip. He also made a telegram came to the from the girls, notifying them to get away, as they had been taken to custody. They did not know the time that the men had been arrested.

One of the girls referred to former Bobcaygeon resident has lately been residing in Toronto.
