(Special to The Post) The Agricultural Society held a concert in the Town Hall on Friday ev. ening last and it proved a complete success. The night was fine, the crowd was good and the programme was excellent. The opening chorus, "O Canada," by twelve voices of our village, was well rendered and the three choruses by eighteen voices; of the Scotch Line choir brought an encore every time. Master Bertram Robertson's song took the house by storm, and loud encores brought him back to give a second one, which brought louder auplause than the first. Mr. Cumber sang a solo in fine voice and was encored for a second, to which he responded. A drill by twelve little girls was well executed and brought forth well merited applause. Readings by the Rev. W. H. Foley and Mrs. Jas. Seymour and the scene in two acts, entitled "A Box of Monkeys," performed by Messrs. H. Boyd and D. R. Young and Misses D. Robinson, E. Green and B. Wright were all well rendered and loudly applauded; in fact, the whole programme was of a high-class, and thoroughly enjoyed by all present. The proceeds will go towards fitting up the new grounds the Society has purchased.
