### Week's Doings From Woodville

(Special to The Post.)

Quite a serious fire happened in our village on Sunday when the grist mill was burned to the ground. The fire started in the engine room and when it was discovered it had gained such headway that it was impossible to save the building. The fire bell aroused the citizens who responded at once and worked with a will to save the contents. The flour that was in bags was saved, but the grain and other contents were burned. The loss is estimated at about \$10,000 with \$4,000 insurance. The loss of the mill will be a great drawback to the farmers in the community.
