J. B. WELDON

ZION—FENELON

(Special to The Post.) Master Carman Byrnell is very ill at present with a gripe. We hope he will soon be better.

On Monday evening, March 3rd the friends and neighbors of Zion gathered together to spend an evening with Mr. Wm. Parkin before his departure for the Northwest. During the evening a gold watch was presented to Mr. Parkin and an address was read by Mr. Cecil Brown, to which Mr. Parkin replied in a very feeling manner. The address read as follows:

Mr. Wm. Parkin. Dear Neighbor and Friend—We have assembled at your home before your departure for the west to show our appreciation of you and of the manner of life you have lived among us.

When we think of the years that are past, and remember your various activities, socially, in municipal affairs and especially in our church life, we cannot but give you credit

for righteousness, loyalty and truth. We believe you have done your best and that is what counts most for the advancement of all that is good.

We may not always, all of us, have seen eye to eye, and it is well that you have not, but we believe that you have uniformly sought what you thought the best and only the unending future can show us the full benefit of your thus living among us.

As God's child in Christ we believe you are conscious of His approval now, and we expect our appreciation will grow as the years reveal ever more fully the harvest from the good seed you have sown.

Do what you can, the world says. And there it stops. And counts the thing achieved. Your slender merit. Try all you can, God says. And then drops. Love's curtain on the deed, And crowns the spirit.

We will miss you from all our life. We regret your severance from our Methodist Men's Association, but more than anywhere else we will miss you from our Sunday school.

The very greatness of our sense of loss is over assurance that you will, if you continue to live according to the principal that you have actuated among us, find a large place and an important work in the service of the church and Canada in the west.

Please take with you this watch as a reminder of our love and appreciation, and as a token of homage to your Master, who has inspired all your good words and works. Signed on behalf of your friends and well wishers of Zion, Fenelon.

Zion church will hold a reopening next Sunday and Monday. Services on Sunday morning and evening. On Monday a cold meat supper will be served from 5 until 8, after which a good programme will be rendered.

How Easter Date Is Determined

Easter comes unusually early this year. Easter Sunday falls on March 23rd.

The date is determined by a somewhat complicated method. The rule is that Easter Day is always the first Sunday after the "paschal full moon," that is, the full moon which happens upon or following after March 21st (the beginning of the ecclesiastical year), and if the full moon happens upon a Sunday, Easter Sunday is the next Sunday.

The matter is not rendered more lucid by the fact that the "full moon" is not an actual full moon, but an ecclesiastical one, which falls generally on a day after the actual full moon.

Mr. Stewart acknowledged the presentation in a neat speech.
