HUGHES

LINDSAY SHOEMAKER

BEFORE HE FACED HIS TRIAL

(Special to The Post.) Cobourg, March 5.—Charles Almond... water has passed away here, aged 75. He was to have appeared at the assizes, which opened yesterday, on a charge of forgery. He was brought here from Castleton, and had been confined at the jail for about four months. An inquest was held by Coroner Ferris.

Dissolved Partnership... The firm of Smith & McIntyre has dissolved partnership. Mr. Andrew McIntyre having purchased the business of Mr. Stephen Keown in Arden. The change takes place at once.

BONSPIEL PRIZES WERE PRESENTED

The President-Patron bonspiel was brought to a successful conclusion last evening, and the winners were presented with the prizes. Owing to the absence of the patron, Mr. John Carew, who is out of town on business, the president, Mr. R. Butler, presided. Skip Reesor, who won first place in the bonspiel, was presented with the electric table lamps. Skip Wallace was the recipient of the safety razors. Both these gentlemen, and Mr. I. E. Weldon, the lead on the winning rink, replied in humorous speeches, praising the generosity of the President and Patron.

Dr. Wood made the presentation to the winners of the consolation event. In a neat, happy speech he congratulated the winning rinks, and gave the silk umbrellas to Skip Beall, and the second prize, Waterman's fountain pens, to Skip Flavell. Mr. Beall replied on behalf of his rink, and thanked them for their excellent support. Mr. Flavell congratulated Mr. Beall and his rink on their splendid success. It is the first time any member of the rink has won a prize for curling. Mr. Trask, the veteran's vice made a few remarks, and praised the generosity of the donors of the prizes.

TYRONE POWER MAY VISIT HERE

Mr. James Michael of the "Freckles" Company, which plays at the Academy tonight, gave the Post a call today. In an interview with our dramatic editor, he made the pleasing announcement that Mr. A. G. Delamater, the great producer of clean plays, would inaugurate a tour of Tyrone Power in "Julius Caesar" on March 22nd, playing five weeks in the United States, appearing in Toronto April 28th, Montreal on May 5th, and afterwards all the Ontario towns of importance.

Tyrone Power is the greatest actor on the American stage today. His recent appearance in Toronto and Montreal with Faversham was in the nature of a triumph.

It is up to the citizens of Lindsay to say whether this great actor will visit this town, and practical encouragement should be given Manager Roenigk in his efforts to secure this star. Tyrone Power's appearance in Lindsay would be an epoch in the theatrical history of the town.

DELAY GRANTED IN MacNAB-HUGHES SUIT

The motion for particulars in the \$10,000 slander action taken by Mr. B. A. Macnab, late managing editor of the Montreal Star against Col. Hon. Sam Hughes, Minister of Militia, was heard before Mr. Justice Beaudin Monday afternoon, presiding in the Practice Court.

Counsel for defendant asked for six weeks delay, alleging that the Hon. Sam Hughes was exceedingly busy just now. Mr. Charles Gaudet, K.C., attorney for plaintiff, stated that he wished for particulars, especially with regard to the following: "The Montreal Star had for many years published concerning the defendant a series of malicious and defamatory libels in connection with defendant's championship of the Ross Rifle. Sir Hugh Graham had not had part in this, but Mr. MacNab." Mr. Gaudet suggested one week's delay, but on suggestion of Mr. Justice Beaudin, considering the delays already granted, awarded three weeks for particulars.—Montreal Herald.

"FRECKLES" GAVE GOOD SATISFACTION

The well known nature story, "Freckles," in dramatic form, was presented to a good sized audience at the Academy of Music last evening, by a splendid company of artists. There was not a weak character in the cast, the different roles being delineated with a naturalness that left nothing to be desired.

The great secret of the success of "Freckles" is its simplicity, the leading characters being endowed with such simple nobility and wonderful sweetness as to make the play a charming one to witness. Milton Nobles, in the character of "Freckles" gave a splendid interpretation of the character. He went through his lines with a nice Irish brogue and his vocal numbers during the evening were much enjoyed. Miss Viola Knott as the "Angel" won the hearts of the audience by her clever work. She has a beautiful stage presence and a splendid future in the dramatic art. During the evening she was the recipient of a beautiful bouquet. Wm. Canfield was superb in the character of "McLean," his work last night stamping him as an actor

Sick Headaches

are not caused by anything wrong in the head, but by constipation, biliousness and indigestion. Headache powders or tablets may deaden, but cannot cure them. Dr. Morse's Indian Root Pills do cure sick headache in the sensible way by removing the constipation or sick stomach which caused them. Dr. Morse's Indian Root Pills are purely vegetable, free from any harmful drug, safe and sure. When you feel the headache coming take

Dr. Morse's Indian Root Pills

of high standing. J. M. McFarlane as "Duncan," and Jane Tyrrell as his spouse acted their parts admirably. They injected a great deal of rich, wholesome comedy into the play, their droll sayings in a rich Scotch brogue producing much laughter. Mabel Agnew as the "Bird Woman," and R. Wessels as "Black Jack" were also good in their respective roles.

The play was given a perfect stage investiture, there being nothing lacking in the matter of scenery, accessories or cast.

Lost a Leg at Peterboro

Peterboro Times.—As Mr Alex Ferguson of 367 Bethune street, was walking along that thoroughfare yesterday morning, he had the misfortune to slip and fall in front of a shunting engine. His leg was caught below the wheels, between the ankle and knee. Mr. Ferguson was dragged some distance along the track, until the engine was stopped. Conductor Leo Sullivan and Gateman Smith rushed to his assistance and found his leg severely crushed and bleeding profusely. He was quickly removed to his home. Dr. Greer was summoned; also the Dan Spence ambulance. The unfortunate man was then hurried to the Nicholls Hospital where it was found to amputate the member just above the knee.

NORTHERN TERMINUS OF TRENT CANAL

The wiping out of the Ragged Rapids, and of Orilla's power plant at that point is understood to be not the only radical move contemplated in connection with the construction of the northern outlet of the Trent Valley Canal. Instead of following the Severn River to its mouth at Port Severn, the engineers are understood to have reported in favour of cutting a channel across the short portage from Go Home Bay (a projection of Gloucester Pool) into Honey Harbour. This would shorten the distance to Midland; would give a good harbour at the mouth of the canal; would avoid the rocky channel entering Port Severn; and would enable vessels to run under the shelter of Beausoleil Island till they were within two or three miles of Midland or Port McNicoll. In every respect it is believed to be a better arrangement. The cut from Go Home Bay into Honey Harbour is only a few hundred yards across, and the route is now quite often used by canoeists.

MARRIED

SANDY-MADILL —On Wednesday, March 5, 1913, by the Rev. Matthew E. Wilson, of Pontypool, Ont., Anna Mae Madill, only daughter of Mrs. M. J. Madill, Winnipeg, to Mr. J. Byron Sandy of Manvers, Ont.

Board's Request Comes Up Tonight

(From Thursday's Post) The request of the Board of Education that the town provide by the issue and sale of debentures, the sum of \$850.00 and \$1,800 for additions to the Central School and Collegiate Institute playgrounds respectively, was read by the clerk. When the School Board interviewed the council a week ago, that body promised to deal with it last night.

Reeve Kyle wanted it laid over for committee consideration. Ald. Smale said the School Board had options on the property, and it would not do to delay the matter. Dep.-Reeve Dobson said it was a serious matter, and should be taken up seriously in committee. The south ward school needed money as well as the Collegiate.

Ald. Smale—The School Board is preparing plans to provide facilities for south ward. Dep.-Reeve Dobson—Let them do it first.

Ald. Irvine said the council promised the Board to consider it at this meeting.

Ald. Adams—If it does not interfere with the options, I would like to consider it in committee.

Ald. Smale—It has been before us for a week.

It was decided to meet at 7.30 o'clock this evening to consider the question.

Regular Session Town Council

The regular session of the council last night lasted until after 11 o'clock. Every member of the council was present and considerable business was transacted.

A letter was read at last night's council meeting from the town solicitor regarding the armory. A letter had been received by the solicitor from Mr. G. H. Hopkins, K. C., who suggested that the amount that was to be given for the buildings is to go in as consideration for the strip off the park.—Finance Committee.

Mr. Jas. Bell, of the Fire Dept, recommended to the council the purchase of two Fleury feed boxes for the horses. The one in use was giving splendid satisfaction.

The following are the market clerk fees collected by Market Clerk Callaghan for February: weighing fees, \$64.70; tolls \$2.79. Total \$67.49.—Finance Committee.

Rev. F. Johnston is building two new brick houses on the east side of Victoria Avenue, just south of Bond st. Mr. I. E. Weldon wrote the council last evening stating that Mr. Johnston would like to establish sewer connection.—Board of Works.

Mr. G. S. Patrick, Secretary, Treasurer of the Lindsay Public Library, presented to the council last night the estimates of the Library for the year 1913. The Council was also asked to levy the half mill provided for under statute.—Finance Committee.

According to Dep Reeve Dobson, the cartaker of the town dump did not provide trenches last fall in which to deposit refuse and as a result all the loads drawn to the dump during the winter are exposed. The Property Committee was instructed to take action in the matter, on motion of Messrs Dobson and Adams.

On motion of Messrs Kyle and Irvine the Chairman of Board of Works was instructed to secure a quantity of field stone not to exceed \$3.50 a cord.

Ald. Warren again urged upon the council the necessity of removing the seven trees on that portion of the park to be used by the armory. The trees would die if left until spring. Some of the Aldermen felt that it would be an expensive undertaking but the matter was finally left with Messrs Warren and Dobson to bring in a report regarding the cost.

ATTEMPTED SUICIDE AT BEAVERTON

On Wednesday last, Lorenzo Switzer, who resides at the brick yard, at Beaverton, and who is in the last stages of consumption, became despondent over his illness and attempted suicide by taking carbolic acid. Dr. Smith was sent for, and arrived in time to administer the necessary remedies. Switzer is in a fair way to recovery, although his mouth and throat are badly burned with the acid.—Packet

Twelve Degrees Below The thermometer this morning registered twelve degrees below zero. The probs say milder tomorrow, but they have been a little out in their predictions the past few days.

What Caused the Death of Horse?

Toronto Telegram.—The General Animals Insurance Co. of Canada is defendant in an action being heard by Judge Denton in the County Non-Jury Court, City Hall.

The plaintiff, Bert Howden, of Petl erboro, came to the city and on May 10th insured a grey gelding about to be shipped from Toronto to Dunsford, Ont. He paid \$3 for \$185 worth of insurance.

The horse died in the railway car on the night of the shipment.

The insurance company claims the horse was diseased with strangles. That the horse was also negligently shipped and tied causing death.

In the evidence it was brought out that horses often have what is known as "care fright." When they are put into the freight cars they become frightened, and with the ordinary railway shunting this increases. Horses have been known to turn somersaults. "Car fright" was suggested as a cause of death.

The case is proceeding.

PURELY PERSONAL

From Thursday's Post. Misses Gertrude and Wilhelmine James are visiting their grandmother Mrs. S. Hughson, Oakwood.

The Red Feather Club met at the home of Mr. W. Curtis, Ops Township last night. A most delightful evening was spent.

Afternoon meetings are called for 2 p.m. Evening meetings are called for 7.30.

Presidents—W. Channon, W.V.F.I. Isaac Fee, E.V.F.I. Secretaries—James Keith, W.V.F.I. W. Thurston, E.V.F.I.

GEO. A. PUTNAM, Superintendent Farmers' Institutes. A. A. KNIGHT, B.S.A., District Rep. for Victoria Coun

CENTRAL RAILWAY IS NOT KILLED LINE MAY BE STARTED THIS SEASON

The Midland Free Press says—should kill the project it would be unfortunate. The advantage of this route in point of distance over existing lines is considerable, and grain could therefore be carried from the Georgian Bay to the seaboard more cheaply than over the roads now operating. We hope the aid necessary to build the road will be granted, either by the Dominion or Provincial Government or both. The need of additional outlets for the grain from the Northwest is so painfully apparent that it would appear superfluous to argue in favor of any feasible plan that gives promise of relief from the annual congestion from which the situation is becoming more and more acute.

(From Saturday's Post)

Mr. James Hepburn is very low at present.

The Misses Barrie, of Haliburton, were in town today.

Mr. J. Tamlin and family, Elgin-st., leave for the west on Monday.

Master Carl Hutchinson is showing steady improvement at the Ross Hospital.

For Sale

Wholesale or Retail

Three leading varieties of Raspberries. The old reliable Cuthbert sells at \$1.00 per hundred. The Columbian, my favorite used to sell at \$1.00 per bush, now sells at \$3.00 per hundred. The new Herbert Berry, that takes first place at the O. A. C. at Guelph, sells at \$5.00 per hundred. After twenty years experience these are my choice.

I also have several hundred apple trees which are too large for shipping but would be suitable for replacing, which I will sell at 25c each. They are true to name or I will take the blame. Got to sell to do well says

Isaac Deyel Box 27 Lindsay
