## Jottings From Lively Janetville

A meeting of representatives of the Bell Telephone Company and the people of Janetville was held here over a week ago with the view of installing the system in and about Janetville. Two propositions were made to the people of the community, one was to instal the phones at \$25.00 per year having a three year contract and to have twelve persons put in phones. By this we would get a free connection with Lindsay and from central at Lindsay would get all other connections of the company. Only seven farmers have signified their willingness so far to pay \$25.00 per year or \$75.00 for three years--and five more are wanted. It is a rather large output for the use of the phone.

In case that twelve persons cannot be secured to put in the phones, a second proposition was made that the people of the community form a company here and run their line towards Lindsay to what is known as the Pottery Corners and there connect with the Bell line into Lindsay district. The phone will be a great benefit to everyone in this part and it is hoped that an agreement will soon be made.

Mr. and Mrs. Louis Fallis, who have resided at Janetville Station for the past few years left a week or so ago to their new home at Nestleton. They are not going so very far away and we may hope to see them frequently. Our good wishes go with them to their new home.

The sawmill has again opened up and resumed business for another season. The ice all left the pond nicely and the work is progressing favorably under the supervision of the proprietor Jn. R. Burn. Both shingles and lumber are being turned out.

Misses Nellie Johnston and Eva Baxter left last week for Toronto where they have positions. We wish the girls success.

With the fine weather and early spring, the farmers got out on the land and commenced seeding operations. Many have quite a number of acres sown and promises of a good year are visible. The fall crops are looking fine as also does the clover and the hay crop promise to be good.

Winter seemed loath to leave us spring put in a good strong battle, and triumphed, but Sunday evening perhaps she sat up late and overslept on Monday morning. At any rate old winter stole around again early Monday morning and again covered the ground with the beautiful, which as well as making us feel colder and making roads soft and slushy, stopped the progress of the farmer in the seeding. But all is fair and well again and the snow did no harm, but make some soft water which was very scarce in many places.

Misses Etta and Greta McDonald of Burketon are spending a few days with Mrs. Christie Armstrong.

Miss Lela Burn who has been on

an extended visit with friends in Smith's Falls returned to her home here a week or so ago.

Mr. J. J. Miller is again back at carpenter work in Toronto.

Some of the boys are enjoying themselves trying to teach fish worms to swim and fooling some of the fish. Some are learning to tell fish stories too. No fish of any great size or amount have been caught as yet.

Rev. Mrs. Wilson, of Dunsford was visiting Mrs. Rev. Snowden last week. On Sunday she visited Mount Horeb with a view of interesting the ladies and organizing a woman's missionary society at that place.

Mr. Horace Grandy, of Lifford, spent Sunday with friends in the village.

Mr. and Mrs. Cecil Timms, of Bethany spent Sunday at the home of Mr. T. E. Howe.

Mrs. Jas. Hobbs left Tuesday for Oshawa to visit her daughter, Mrs. Arthur Haskill who is ill.

Epworth League was well attended last Friday night. The topic which was "Christ's teachings about discipleship" was ably taken up by Oliver Gordon. A consecration service was held afterwards. An invitation is extended to all to attend.

On Sunday evening Rev. Mr. Snowden preached a good sermon to a goodly numbered congregation, taking as his text Revelations 4 and verse two, "Behold a throne was set in Heaven and one sat on the throne." Next Sunday, Rev. Secombe, of Pontypool will have charge of the service.

On Sunday morning a large congregation assembled at the Presbyterian church here to hear Mr. Gomm preach his farewell sermon. Mr. Gomm gave an excellent sermon using as his text 2 Cor. 10, verse 17, "He that glorieth let him glory in the Lord." The subject of his discourse being man of character which he said was the essence of life. To have a good character, fine points must be kept in view he said. They were, Love of Jesus Christ, Confidence in God, Clear conviction of fundamental principles of our religion. We must be servants and lastly we must be filled with the Holy Spirit. With remarks on these he preached his farewell sermon to our congregation here. He bade all farewell at the door before leaving to take up his work on another circuit near Newcastle. The circuit here is now vacant and candidates for a call will now be heard.
