#### FRANKLIN

(Special to The Post.)  
Mr. and Mrs. Thomas Thompson, spent Sunday with friends near Mansfield Station.

Our junior pastor, Rev. Mr. Edmanson, was unable to be with us on Sunday last on account of examinations in Toronto. In his absence the pulpit was occupied by Rev. Mr. Smith, of Toronto, who delivered a very able and instructive sermon.

Mr. Frank Spier, of Hamilton, is visiting at the home of Mr. James Spier.  
Hurray for Franklin baseball club. Our youths are quite as energetic over baseball as ever. On Friday evening last a meeting was held in the school house to reorganize the club for the coming season. The following officers were elected: Captain, E. O. Hart, sec., Ira Gardner, treas., W. White, manager, A. H. Veals. We understand they are anxious to form a league between Reaboro, Mt. Pleasant and Fleetwood.

Our Sabbath school will reopen next Sunday. A meeting was held at the church last Thursday evening to appoint the teachers and officers. We regret, however, that the attendance was so small, as there were scarcely enough present to fill the different offices. The following officers were elected: Supt., Jas. Gardner, assistant sup., W. J. Fallis, sec. treas., Ira Gardner, organist, Annie Anderson; librarian, Dred Thompson. The following teachers were also appointed: Bible class teacher, Rev. Mr. Williams, and his assistant, Rev. Mr. Edmanson; girl's class, Miss M. Thompson; boy's class, Mr. Hewitt Aspinwall; infant class, Mr. Jos. Gardner.

About four inches of snow fell on Monday last, and we noticed one sleigh out taking advantage of the sleighing.

### Finishing Up Concrete Work

**Contractor Ritchie Has Nearly Completed Construction of Locks**

Contractor Ritchie expects to finish the concrete work on the new locks today if nothing unforeseen happens. This practically completes the contract, outside of placing on the lock gates and the cleaning up process.

The work has been prosecuted with despatch, ever since the first day's operations and a highly satisfactory job has been done. Mr. Ritchie has been particularly fortunate as far as weather conditions were concerned, in carrying on the work, the progress of which has been watched with interest by the citizens.  
It is expected that a little dredging will have to be done at both entrances to the locks.

### Local Citizen's Watery Plunge

**Lock and Bridge Master Geo. Mills Had Unpleasant Experience**

Lock and bridge master Geo. Mills was the victim of what might have been a bad accident yesterday afternoon, while in pursuit of his duty. A drive of logs which was going over the sluice ways in the new dam became jammed against one of the piers of the Lindsay-st. bridge and Lockmaster Mills was assisting the river drivers to pull the timber away from the bridge. He was pushing on a log with a pike pole, which in some manner slipped, causing him to lose his balance and plunge forward off the cofferdam where he was standing into the icy water. He sank waist deep into the swift current, but luckily was not carried away owing to the quick assistance of Mr. Norm Henderson who threw him the end of a rope in the nick of time from the bridge. Mr. Mills got a dry suit and nothing daunted returned to the work in a short time. The accident might easily have been serious, as the water is deep enough to drown one only a few feet below where Mr. Mills stood, and he would have had a serious time of it had it not been for the presence of mind of Norm Henderson in casting a rope before the current caught him.

### Mrs. T. Makins Breaks Her Arm

Mrs. Thos. Makins, William-st., had the misfortune to break her right arm this morning. She was going out a door at the rear of her residence when she accidentally slipped and fell.  
Dr. McCulloch attended to the unfortunate lady's injuries.

#### MOUNT HOREB.

The grim reaper took away one of our pioneer residents in the person of Mr. James Skuce, sr., on Saturday morning, April 9th. The deceased was a life long resident of Mount Horeb and was ailing only a short time. Mr. Skuce had reached the ripe old age of 86 years. He leaves to mourn his loss two daughters, Mrs. Wm. Elliott, Mount Horeb, and Mrs. James Fleming, of Reaboro, and 3 sons, W. H. Skuce, of Lindsay, John Verulam, and Richard in the States. We extend our sincerest sympathy to the bereaved ones.

On Sunday afternoon Mrs. Wilson of Dunsford, gave an eloquent speech on the organization of a Women's Missionary board. Officers were elected, and rules given to carry out the work successfully.

The Misses Stern, of Tweed, the evangelists, who conducted services here two years ago, visited Mount Horeb friends again and held services in the church, on Tuesday, April 5th and Sunday, April 10th. We wish the Misses Stern success in the good work they are doing.

Mr and Mrs. F. Waldon spent Sunday at the home of the latter's parents, Mr. and Mrs. Robt. Hart.

If the heavy fall of snow continues we will hear the jingle of the bells once more.

Mr. Wm. Elliot our genial store keeper, will soon be on his route once more gathering eggs. He intends to get \$3000 worth this year.

Hurry up boys, don't be so dull. Get your baseball team organized. There are many good players in this part. Join together and select a place for a meeting and transact business in a sportsmanlike manner.

#### FINGERBOARD

(Special to The Post.)  
I guess we are getting that kick I spoke about in my last letter to the Post. The robins seem to be ashamed to show out this morning for fear we will laugh at them for coming too soon. They don't care a particle for April rain, but when it comes to snow, that alters the question.

Mr. Alfred King has completed the new board fence around the school grounds, which adds very materially to the good appearance of our thriving community.

Miss E. Smith is home again after a visit to friends in Toronto and Dunbarton.

Mrs. H. Rear and little daughter of Rochester, N. Y., are home on a visit to her parents, Mr. and Mrs. Robt. Frise.

Mrs. H. Frise is improving gradually.
