## SERVICES OF AN ENGINEER

From Wednesday's Post. At last night's meeting of the Board of Works Committee of the Council Town Clerk Ray notified the members that Engineer Smith, of the firm of Smith & Smith, Engineers and Land Surveyors, had written the Council offering his services during a portion of the year in connection with civic undertakings.

Mr. Naylor felt that the Council should secure the services of such an official, and instanced the crooked manner in which some of the sewers were laid as proof of his contention. The Council felt, however, that the question could not be considered at present. It was accordingly held over.
