She leaves two sons and one daughter to mourn her loss; Mr. Richard Ferguson, of Oakwood, Mr. John Ferguson, of Manilla, and Mrs. Silas James, of Manitoba. The deceased was of a quiet, retiring disposition, and owing to blindness was confined to her house for the past twelve years. The patience shown during these long years was remarkable, she was never known to utter a complaining word. The remains were interred in the East Oakwood cemetery on Monday afternoon beside those of her husband. The pall bearers were: Messrs. G. W. H. Webster, John Hooper, D. W. King, J. Dolan, George Lane and P. S. Mark. The high esteem in which the deceased was held was shown by the large attendance at the funeral. DUNSFORD (From Our Own Correspondent) Mr. and Mrs. Herb Thurston, who left for the Northwest recently, are well satisfied with their move, and like the country well. Dunsford citizens were astounded to hear of the sudden demise of one of their oldest and most respected citizens, Mr. John Everson, which occurred on Sunday, April 26. The funeral took place on Tuesday to the Dunsford cemetery, and was attended by a large number of friends from this community. Mrs. Everson left with her son for the United States last Monday. Last Thursday evening, April 30, a large number of friends in the Methodist church congregation and choir, met at the home of Mrs. Silas Thurston to express their thanks to Mrs. W. E. Woollard, (nee Ethel Thurston) for the services she has performed in the church and league during the past six or seven years. Miss Lily Gordon read the following address and Miss Jennie Thurston presented Mrs. Woollard with a purse of gold. Dear Mrs. Woollard: Events of recent occurrence which are now matters of publicity, have brought your friends in general in the community and of the choir, in particular, of which you have been a member for so many years, to realize that you are about to sever those associations which have been formed through the years from your childhood. We assure you that we do not consider any disturbance of these relations which have through so many years grown so strong, matters undeserving of notice. We, the members of the choir of the Dunsford Methodist church in which you have so efficiently performed the duties of organist for so many years, and other friends representing the wider circle of the congregation and community, where you have always lived, deem the present to be a suitable occasion upon which to express our continued interest in, and earnest hope for your present and future well being. We assure you that the labor you have so cheerfully and

ungrudging rendered—often at much inconvenience to yourself—in the Sunday School League and choir, has contributed in no small degree to build-up ideals in true service, which will abide with us when you are far away. Your unselfish and untiring labors are appreciated, in the truest and highest sense, by the whole community; and will be lovingly remembered. Not in any sense as a remuneration, but that you may be assured of our remembrance and loving interest, we ask you to accept this purse of gold; and to be assured that wherever you may go you are followed by the best wishes and kindest and truest regards of your associates from your girlhood and a wide circle of friends; and well-wishers throughout the whole community. In behalf of the choir and congregation of the Dunsford Methodist church, signed—Hazel Thurston, Walburne Gordon, Albert Thurston. Mr. and Mrs. Woollard responded in a few well chosen words, and the pastor, Mr. Wilson, spoke of the high esteem in which Mrs. Woollard was held by the people in the community, and hoped that she would always be of service to the Christian church.
