Council Warns Cattle Drivers

Farmers Must be More Careful With Their Bovines on Town Streets

(From Tuesday's Evening Post) At last night's meeting of the council, a communication was read from Chief Vincent in which reference was made to some cattle, the property of Mr. Hugh Gunn, of Ops, running riot recently on the lawn near the public library, inflicting damage. The Chief had requested Mr. Gunn to settle for the damage to the extent of \$5.00. Mr. Gunn accordingly interviewed his solicitors, Stewart & O'Connor, who wrote the council to the effect that Mr. Gunn and his son used every means in their power to control the cattle, and that Mr. Gunn was sorry that damage resulted. He was willing to pay \$2.00 for the damage done. The council decided to accept this amount in settlement. Deputy-reve. Kylie said the farming community must understand that they have no more liberty than others. He had suffered considerably from the depredations of cattle. No care is exercised by the farmers, and they seem to think they have full liberty to drive their cattle where they pleased. If a resident of the town merely drove his cow along the thoroughfare, he would be prosecuted. If

MOUNT HOREB.

Owing to the rain beginning near church time on Sunday last only a small crowd assembled. The farmers in this vicinity will be as late as last year if the heavy rain continues. The superstitious people in this burg think that Halley's comet must be interfering with the weather. Our genial postmaster, Mr. Elliott, is offering a half dollar to the one that obtains the most marks in the entrance exam. out of Mount Horeb school. Mr. Elliot is to be congratulated on taking such a keen interest in the scholars. Mr. John Hunter of Lindsay, visited at the home of Mr. Robt. Nugent on Sunday last. Mr. Arthur Siddal is in our midst again after spending the winter at his home in England. Mr. Dougal Deyell has purchased a fashionable rubber tire buggy from Mr. Dougal Sinclair, of Lindsay. No doubt Dougal intends to make things num this summer. Quite often we hear the familiar rhyme, Rain, rain go to Spain, When we want you come again.
