Stock Notes

Mr. Robert Eagleson, of Hillcrest farm, Markham, writes the following letter to The Post: Dear Sir--Mr. Thomas Waldon, of the township of Ops, County of Victoria, has purchased from Mr. Robt. Dafoe, of Green River, that grand imported Clydesdale Stallion, Gallant Chattan. I am well acquainted with him, as he has had a stand in my stable six successive years, and I thought it would not be out of place to have a few lines put in your valuable paper to let the farmers of the vicinity of Lindsay know something of his greatness as a sire. I have been horse raising for nearly thirty years, and I always aimed to use the best Clydesdale stallion I could possibly get. I am pleased to say Gallant Chattan filled the bill as I consider him the best stallion I have ever used. He was not only himself a first-prize winner in Toronto, but his stock has won many firsts in Toronto Markham and Lindsay exhibitions. He was the sire of that great horse, Polar Star, that won so many first prizes and championships in the great Northwest in 1910. He is the sire of Milne Bros' two-year-old colt that was sold last winter for upwards of a thousand dollars. He was the sire of a gelding that I had the privilege of seeing sold for three hundred and fifty dollars and weighed over eighteen hundred pounds. He is the sire of a filly, that was sold a few months ago for three hundred and forty dollars, and would not register. There has been many of his colts sold for at eight and ten months old for two hundred dollars each. This is only a few of the many instances I could mention. He has been a great money maker, for his owner, and for the farmers who used him, and I trust he will continue to do some for his owner. The farmers of Lindsay vicinity should give Mr. Waldon a liberal patronage, as they will certainly make no mistake in using this great sire, as his stock is second to none. Seeds; Seeds; In flower seeds our Leviathan mangel, mammoth long, red mangel and giant yellow mangel are great. A. Higinbotham, druggist, Lindsay, Ont.
