Other leading staples, too, all closed at a loss. Corn is off 1/4c to 1/2c to 3/4c; oats 1/4c to 1/2c to 3/4c, and provisions 5c to 10c to 12c.

Obituary

MRS. W. H. KENNEDY

The numerous Lindsay friends of Mrs. Mary Annie Kennedy, widow of the late Colonel, W. N. Kennedy, will regret to learn that her death took place at New York city on Saturday. The deceased lady, who was 74 years of age, had been in

ill health for some time, and decided last November to spend the winter in California. While there, she recovered considerably, and was on her way back to Winnipeg, and was taken ill again, and died of heart failure, shortly after New York was reached.

Deceased was the daughter of the late Mr. Thomas Chambers, of Peterboro, Ont., and married Colonel Willam Nassau Kennedy, who in 1870, joined the expedition under Lord Wolseley to quell the rebellion in the west. Later Colonel Kennedy commanded the Canadian Voyageurs in the Gordon Relief Expedition and it was when on his return from Soudan that he died at London, Eng., in 1882. She was a lady of a retiring disposition, but was well known among a very large circle of friends, and deeply respected by them. She is survived by four sons Major Kennedy, of the Royal Engineers, who is at present in London, A.H.N. Kennedy, who is also in London, and Messrs C.W.N., and F.C. Kennedy, who are in Winnipeg, and one daughter, Mrs. Stanley Adamson, of New York.

The funeral will take place on Thursday afternoon from the residence of her son, Mr. C.W.N. Kennedy, 179 Spence street.—Wm. Press.

NEW WALK IN FRONT OF SCHOOL

From Wednesday's Post.

The council's attention has been drawn to the unsatisfactory condition of the walk on Susssex-street, front of the north ward school. Some of council last evening considered the advisability of having a cinder walk, but Reeve Thomson, Ald. Smaile and McCrea, thought it would not be wise to have such a walk there. It was thought by some that a five foot walk would be satisfactory. Deputy Reeve Dobson said when the town built good walks in front of them, they were in keeping with the surroundings. The council finally decided to construct a five foot walk in front of the school in question.
