DISTRICT MEETING
CLOSED ITS LABORS

Linden Valley, May 23rd.—On Saturday evening, Stella and Tillie Hancock and their two cousins from Woodville, while leaving Oakwood for home, were dumped out of their rig caused by a sand pike being on the side of the road, and it being a very dark night their horse went over it dumping them all out of the rig. The girls managed to hang on to their horse, and called for help and several were there in a few seconds with a lantern. They got the rig fixed up in a few seconds and the girls were on their way for home again. By falling out of the rig Stella strained her back badly but the others just had a few bruises. It is the wish of this vicinity that the Oakwood folks would hang a lantern upon those sand piles so as to avoid any more accidents.
