MARKET REPORTS.

Liverpool and Chicago Wheat Futures
Close Higher—Live Stock—
Latest Quotations.

CHICAGO, May 22.—Relief from anxiety concerning drought resulted today in a sagging market for wheat. Because of special support, however, the May delivery was an exception, closing 1/4c up. Other months finished 1/4c to 1/2c down. The end of the day left corn at 1/4c to a shade advance; oats, with 1/4c to 1/2c decline, and provisions varying from 2 1/2c gain to a loss of a dime.

The Liverpool market closed today 1/4c to 1/2c higher than Saturday on wheat, and 1/4c to 1/2c higher on corn. Bertha closed 1/4c higher on wheat, Budapest 1/4c higher, Antwerp unchanged, Havre 1/4c higher, and Hamburg unchanged to 1/4c higher.

Montreal Grain and Produce.
MONTREAL, May 22.—There was no improvement in the demand from foreign buyers for Manitoba spring wheat, and what few bids came forward were away out of line with values here. Cables on oats were weaker, and the price bid would bring back over 35c per bushel for No. 2 Canadian, afloat at Port William; consequently, no business was done. The local market was weaker, and prices declined 1/4c per bushel on account of the slow demand and the easier markets in the west. A fair volume of business continues to be done in spring wheat flour for local and country account, and the undertone to the market is firm.

There was some inquiry for winter wheat flour from foreign buyers, but the prices bid were just 5c per sack lower than millers were disposed to accept.

Roller oats—Per barrel, \$4.35; bag of 50 lbs., \$2.50 to \$2.60.
Corn—American, No. 3 yellow, 60c to 61c.

CATTLE MARKETS.
Union Stock Yards.
TORONTO, May 22.—Receipts of live stock at the Union Stock Yards were 103 carloads, consisting of 2085 cattle, 173 hogs, 17 sheep, 102 calves and 16 horses.

Exporters.
Geo. Campbell bought 308 cattle for export—for London, 100 steers, 1300 lbs. each, at \$6; for Liverpool, 208 steers, 1230 lbs. each, at \$5.25.

Butchers.
Best loads and lots of butchers, good enough for any market, sold at \$5.35 to \$5.75; fair good, \$5.50 to \$5.75; common, \$5.25 to \$5.35; but there were very few cattle in this common class, as will be seen by the many sales given below.

Stockers and Feeders.
Short-keep feeders, \$5.60 to \$5.90; feeders \$5.20 to \$5.60; stockers, \$5 to \$5.25.

Milkers and Springers.
Milkers and springers were quoted at \$40 to \$70 each.

Veal Calves.
Veal calves sold at \$4 to \$6.50.

Sheep and Lambs.
Sheep, ewes, \$4.75 to \$5.25; rams, \$3.50 to \$4; yearlings, \$5.75 to \$6.50; spring lambs, 60 to \$6.50. American lambs are quoted at \$7 to \$7.25 per cwt.

Hogs.
Hogs are higher, at \$6.20 for carcass, fed and dressed, and \$5.90 f.o.b. cars at country points.

Montreal Live Stock.
MONTREAL, May 22.—At the Montreal Stock Yards west end market the receipts today were 1200 cattle, 160 sheep and lambs, 1200 hogs and 145 calves, while the offerings on the market this morning consisted of 800 cattle, 160 sheep and lambs, 1600 hogs and 200 calves.

A feature of the trade was the stronger undertone to the market for cattle and prices since this day week show an advance of 10c per 100 lbs., in spite of the extreme heat, which has prevailed during the past few days and the continued discouraging advices received from European sources, cables from Liverpool this week noting a further decline in prices of 1/2c per pound, which makes a net drop of 1c per pound in the past two weeks, which means that exporters will lose money on their first shipments, which went forward from this port, instead of making some, as they would have done if prices had been maintained around 13 1/2c to 14c per pound, but the hot weather and the increased supplies were too much for the market.

Her maiden name was Mary Blackburn and she was born on the town-line between Clarke and Darlington near Providence on May 23rd, 1834. She was twice married, first to David Davidson, who lived south of Enfield. To them were born two sons and four daughters, two of whom died when children, one daughter, Mrs. James Reason, (Minnie), died thirteen years ago. Of this family there remains Mrs. Wm. Aldsworth, Oshawa, Mrs. B. Walkey, of Lindsay and John Davidson, Meaford. Her second husband was Thomas Hardy, who predeceased her twenty-one years. To them were born three sons and two daughters who remain to mourn the loss of a loving and affectionate mother—Thomas and Alfred at Whitby, Mrs. Jos. Knight,

Taunton, Miss Mattie at home, Arthur M., of this town, and one step-son James Hardy, near Lindsay.

Her sister, Mrs. W. B. Allen, of this town, died six days previous to her sister. Since the death of her husband Mrs. Hardy has lived with her children. While on a visit to her daughter near Taunton, she took congestion of the lungs and on her death bed told her children of the beautiful place she had seen, of Jesus and her loved who were waiting her coming. She was a true Christian and a life long member of the Methodist church. The funeral took place Tuesday, service being conducted by a former pastor, Rev. E. E. Howard, Canbora, assisted by Rev. T. H. P. Anderson, at the house and Rev. J. Garbutt at the grave. The pall bearers were Messrs. Edwin Reynolds, Thomas Stainton, S. Norcott, R. Taylor, Thomas Allen, and John Luke. Among the relatives from a distance were Mrs. B. Walkey and Mr. James Hardy, of Lindsay; Mr. Fred Hardy and Mrs. R. Dobson, Oakwood; Miss Bessie Hardy Cannington.

How much she suffered Heaven knows But now she's free from all her woes; She's passed through Jordan's swelling flood, And landed safe with Christ above.

We saw her fading like a flower, We could not make her stay, But nursed her with the tenderest care, Till God called her away.

Flarewell, dear loved one, but not forever, We shall meet you on that shore, Where there is no pain and sorrow, And sad partings are no more.
