HON. A. G. MACKAY RETURNED

Whitney Government Has Enormous Majority.—Minister of Agriculture Defeated—Tories Had Some Unexpected Losses—Studholme Again Stands Alone in the Legislature—Pense Loses.

Toronto, June 9.—Nothing like Premier Whitney's triumph was ever conceived in Ontario before. Hon. Oliver Mowat's biggest majority was 32. Hon. J. Sandfield Macdonald was satisfied with a majority which at the time of writing, looks like 71. "I haven't much to say to-night," said the Premier about 10 o'clock, when nearly all the returns were in, "except that the result is beyond my expectations. I had hoped, with good reason as I thought, to have our old majority. The result shows considerably more than that, and I am very thankful to the people for their endorsement."

It is not difficult to account for the victory. In the first place the most popular plank in any platform was placed before the electorate and the banner of cheap Niagara power was kept in the forefront of the Conservative ranks.

But beyond this the Whitney Government had been absolutely honest. For the one or two matters in which they met with criticism no question was ever raised as to the intention of the Government to act in the best interests of the province in a business and administrative capacity.

The following are the returns:

Table of election results for various constituencies including Algoma, Brant, Bruce, Carleton Place, Dundas, Durham, Elgin, Frontenac, Glengarry, Grenville, Grey, Hamilton, and others.

Table of election results for various constituencies including Hastings, Huron, Kenora, Kent, Lambton, Lanark, Lennox, Lincoln, London, Middlesex, Norfolk, Northumberland, Ontario, Ottawa, Peterborough, Perth, Prescott, Renfrew, and others.

Table of election results for various constituencies including Simcoe, Simcoe East, Simcoe West, Stormont, Sturgeon Falls, Sudbury, North Toronto, South Toronto, West Toronto, and others.

Kindly Words for Engineers

An American Opinion of the Brotherhood of Locomotive Engineers

The Columbus, Ohio, Despatch, has the following to say of this recent convention held in that city. 'The convention of the Brotherhood of Locomotive Engineers which is just closing has been, in dignity and influence, all that it was expected to be. The delegates and their friends have been pleasing guests. The closer view of them in deliberation, in religious expression, and in recreation, has increased the respect for their high standard of citizenship and inspired a new admiration for a body of men who already have the public confidence. The Dispatch hopes that the visit of the locomotive engineers and the auxiliary organization of women has been as pleasant for them, as it has been for the people of Columbus and that although the city's guests, when they depart will go with so kindly a feeling as to desire to come again.'

County Council Now in Session

Met at Two O'Clock Tuesday Afternoon Road Business to Engage Attention of Members.

The County Council met Tuesday afternoon at two o'clock, and for the greater part of the week it is expected, will be busy at the court house transacting the county's business. Several important questions are to come up before them, one of which is the proposition to establish in the county of Victoria a system of County roads. To do this the County Council takes over the principle highways in the municipality and maintains them out of the funds of the county, getting one-third of the cost of the repair of the said roads from the Government.
