## CORNER STONES OAKWOOD'S NEW CHURCH WELL AND TRULY LAID TUESDAY

The laying of the corner stones of the new Methodist Church, at Oakwood, Tuesday afternoon, was an event that will long be remembered in that village and will be looked back upon with pleasure by all who were present.

The foundation of the new structure is laid on the site of the old church and judging from the plans, the initial work, the people of Oakwood will have a church that they will be proud of.

A platform was erected on the west side of the foundation and seats were arranged to make those present comfortable. A large number came from Lindsay in automobiles and when the chairman called the meeting together, there was a large gathering.

The Rev. W. Lambert, pastor of the church, took the chair. The choir of the church had seats on the platform as did also Messrs. W. H. Webster, E. G. Webster, Wm. Rich, C. B. Weldon, C. Weldon, M. Webster, Howard Rich, Fred Brass, Chas. Jenkins, Bert Graham, J. Webster, Jos. Timney, Fred Hardy, W. Shannon and Ed Rodman, members of the trustee board. The Revs. S. J. Cherry, of Lindsay; W. R. Archer, of Woodville; C. F. Chapman, Little Britain and A. M. Irwin, were also present.

The Rev. S. J. Shorey gave the opening address, congratulating the congregation on their enterprise, and spoke of the many advantages likely to come to the neighborhood, spiritually, socially and financially from the erection of the edifice.

The Rev. W. R. Archer gave a very eloquent address which was heard with marked attention. The laying of the corner stones was then proceeded with by Mr. A. O. King, of Toronto, who, being an old resident of the village was chosen by the trustees to lay the stone.

Before doing this, Mr. Hogg spoke of the great pleasure it gave him to be present as he had always looked forward to the village having a new church that they would be proud of. He prophesied great things on the future of the new building and wished the old friends God's best blessings on their new undertaking. He was presented with a very handsome engraved silver trowel by the trustees of the church.

Mrs. R. M. Beal, president of the Ladies' Aid, of the Cambridge street Methodist church was chosen for the honor of laying the corner stone for the Ladies' Aid of the Oakwood church. Mrs. Beal gave a very happy speech of congratulations to the ladies for their worthy enterprise and spoke of the great pleasure for them as

soon as their church was completed. Mrs. Beal was assisted by Mrs. S. F. Brass, president of the Oakwood Ladies' Aid.

The choir enlivened the occasion by suitable music which was much appreciated.

A tea and lawn social was afterwards given on the beautiful grounds of Mr. J. Thorndyke, at which a very large number sat down at the prettily decorated and well laden tables.

In each corner stone was placed a copy of the Word of God, the Methodist hymn book, names of the pastor and recording secretary of the church, names of the quarterly and trustee boards, architect and contractor, president and secretary of the Ladies Aid, Woman's Mission Board Epworth league, Superintendent of the Sunday school, copies of The Post, the Warbler, and the Witness, of Montreal, the Christian Guardian and two coins issued in the reign of the present king.

The two silver trowels used by Mrs. Beal and Mr. Hogg in the corner stone laying, were supplied by Mr. W. F. McCarty.

## COST OF LIVING STILL GOES UP

The cost of living continues to ascend in Canada. According to the latest estimate of the Canadian Department of Labor the continued rise in prices was maintained during May, though not to such a marked extent as during the preceding month. The department's index number which went up more than a point during April, reached the highest point in the record of the department during May, a year ago. The rise of nearly ten points in one year constitutes a record in the history of the department and it is a noticeable feature that during the last year the lowest point was recorded during May and June while the figures for May this year show an advance over any previous month. Animals and meats advanced to unprecedented levels during May, an unusual feature of the market being that all low grades have advanced as steeply as the choice grades. Grains and fodders showed an increase during the month as also did fruits and vegetables. Decreases, on the other hand, were recorded in the case of dairy products and fish.

## JUNE WEDDING BELLS

### DAVIS-ROSS

The marriage took place this afternoon at the residence of Mr. and Mrs. Robert Ross, Bond-st., of their eldest daughter, Marjorie Gordon, to Mr. R. T. Davis, of Calgary.

The ceremony was performed by Rev. James Wallace, assisted by Rev. J. W. MacMillan, D.D., of Halifax, and the wedding music was played by Miss Gregory.

The bride was given away by her father, and was gowned in ivory Duchesse satin veiled in silk marquisette with panel train, the corsage being trimmed with Limerick lace and pearl ornaments. The veil was arranged in cap effect with a wreath of orange blossoms, which had been worn by her mother. She carried a shower bouquet of lily-of-the-valley and white roses and wore the groom's gift, a handsome gold watch bracelet.

Miss Beth Smellie, of Port Arthur, was maid of honor, wearing pink satin, draped with steel embroidered nixon, and large white plumed hat. She wore the groom's gift, a gold bar pin, set with pearls.

The two bridesmaids were Miss Helen Ross, and Miss Jessie Ross, sisters of the bride, wearing white embroidered Marquisette frocks over pale shades of pink and blue satin, and large lingerie hats. They carried sheafs of pink roses.

Mr. J. C. Hartney of Vancouver,

was best man, the ushers being Mr. W. Lloyd Wood, jr., Toronto, and Mr. Douglas Higgins, of Toronto.

The groom's gifts to the bridesmaids were silver mesh purses and to the best man and ushers scarf pins. During the signing of the register, Miss Edith Ross, of Toronto, sang a solo.

Mrs. Ross received her guests in a beautiful gown of moss green antique moire.

The popularity of the bride was attested by the many beautiful and costly presents received.

Mr. and Mrs. Davis left by the four o'clock train for Muskoka, the bride travelling in a smartly tailored suit of navy blue with black and white tricorin hat.

The following were among the invited guests to the Ross-Davis wedding, which took place this afternoon: Mrs. R. G. Hector, Toronto; Miss Linda S. Harris, Toronto; Mrs. E. A. Jones, Pueblo, Colorado; Miss M. S. Hector, Toronto; Mrs. and Miss Fitzgibbon, Toronto; Miss Helen C. Gordon, Toronto; Mr. Wm. Ross and wife, Toronto; Mr. Chas. D. Gordon, Brampton; Miss Lushland Beacendale Hill; Mr. D. C. Hossack, Toronto; Mr. J. F. Ross, Toronto; Master Douglas Ross, Toronto; Mrs. W. C. Downing, Pembroke; Mrs. R. S. Hamilton, Galt; Mrs. T. M. Higgins, Toronto, and Mr. Douglas G. Higgins, Toronto.

## THE COUNTRY CEMETERY

Often the resting place of the dead in the country presents very strange contrasts. Monuments, costing hundreds of dollars, set in flourishing backgrounds of rubbish and weeds, border on the ridiculous.

Were we to hear of heathens doing such, our indignation would be aroused, but in our own surroundings we have become indifferent.

Last year the Presbyterian community around Woodville, becoming aroused to the discredit of their cemetery's condition, appointed a committee to remedy matters.

A large measure of success has resulted. A neat and substantial fence has been built, the ground has been leveled and the preparation of the surface for seeding to grass was carried on last season and the cultivation is continued this summer.

The committee's appeal for funds, meeting with such a generous and far reaching response, led them to determine on securing, if possible, sufficient cash to form a permanent

fund to invest so that the yearly interest would pay for keeping the cemetery in proper order.

As last year's balance was increased by a couple of \$400.00 contributions, making up a total of over \$1200.00 the committee recently made a further appeal to the interested parties, in order to secure a permanent fund of \$2000.00. Already several \$25.00 and one \$50.00 remittances have been made to the treasurer, and there is every indication that the desired amount will be soon secured.

Such splendid generosity clearly shows the real esteem in which the present living hold the remains of the ones gone before. The committee are delighted with the readiness of the kind helpers, who are making their work of oversight a pleasure and not a task.

Well kept burial plots are far finer monuments than granite and weeds.

## WILL KIRKFIELD CEMENT WORKS CLOSE THE CUT IN DUTY IS A HARDSHIP

Representatives of the nine independent cement companies operating in Ontario met Tuesday afternoon at 2 o'clock in the office of Mr. James Pearson of the Maple Leaf Cement Company, Confederation Life Building, in the city of Toronto. The Toronto cement plants represented were the Crown Portland Cement Company, Warton; Ontario Cement Co., Brantford; National Cement Company, Durham; Hanover Cement Company, Hanover; Doric Portland Cement Company; Owen Sound Imperial Cement Company, Owen Sound; Kirkfield Portland Cement Company, Kirkfield; Maple Leaf Portland Cement Company, Atwood, and Superior Portland Cement Company, Orangeville.

The question of whether to accept the present conditions and operate under what they claim a 50 per cent. reduction in the tariff, selling at \$1.40 a barrel, or close down the plants and wait for more favorable times, was debated at length.

## Dominion Day Celebration at PETERBOROUGH

Peterborough is arranging a big programme for the First of July, including Military Parade of three Regiments, grand decorated Automobile Parade, sports at Riverside Park, Matoo Band Concert and display of fireworks in the evening. Go to Peterborough on the holiday and you will have one of the best holidays you ever had.

"No Canadian company can stand against this outrageous imposition" Mr. Pearson declared to The Star, just previous to the meeting. "The Americans will simply dump their millions of barrels of over-production into Canada. As it was before they were selling cement at \$1.45 a barrel in some parts of Ontario despite the duty of 54 cents a barrel. Now, with the duty cut to 27 cents a barrel, what's the use of us trying? Their surplus will be jammed in here, and there will be a stock put in that will last the country for a year. If the Canadian mills shut down they will suffer a daily loss on account of the capital invested. If they run, it will be at a loss. The question we have to decide is which loss will be best to take. Our factories were called into existence by the National Policy. Now the Conservative party is betraying us. It is like the mother smothering her own offspring."

## MORE LIQUOR AND TOBACCO USED

Ottawa, June 18—The production of liquor and tobacco in Canada is evidently rapidly increasing with the growing national prosperity and more consumers. For the month of May the excise revenue totalled \$1,755,390, an increase of nearly a quarter of a million dollars as compared with May of last year.

## KITCHEN SHOWER FOR WESTERN COUPLE

The Kerrobert, Sask., Citizen says: The hospitable home of Mr. and Mrs. Ernest Cummings was the scene of a happy gathering last Wednesday evening, being the occasion of a kitchen shower given to Mr. and Mrs. W. J. Cummings, but recently married, who have come to reside in this neighborhood.

The fair hostess received the numerous guests in her own gracious manner, and was becomingly attired in pale blue marquisette, much enriched with lace and banded with black velvet baby ribbon.

The chair was occupied by Mr. James H. Jamieson who performed his duties most acceptably and directed a varied programme. Mesdames Shortt, Lane, Whetter, Bell and little Miss Beulah Shortt delighted their audience with musical numbers, while Messrs. O. A. Cummings, Lane and Shortt gave recitations and duets. Mr. Rimstead, a native of Norway, who has recently come amongst us, contributed several fine violin selections. Indeed, it would appear that this gentleman is gifted with more than one talent as he spoke entertainingly on the vital suffrage question. It is well known that the women of Norway and Sweden have enjoyed the franchise for some years past; Mr. Rimstead was therefore in a position to speak positively and with authority.

Then followed the most interesting feature of the evening, when the willing burden bearers brought in a huge clothes basket, artistically decorated and overflowing with kitchen utensils of every description. The winsome bride was literally showered with gifts and both she and the groom were quite overcome with this unexpected testimony of appreciation and good will. An enjoyable feature of the "shower" was the witty quotations accompanying the gifts, to all of which the erudite respondent in a neat little speech on behalf of the bride.

Then followed refreshments and a social hour, when all departed feeling that a pleasant and profitable evening has passed all too quickly, and made possible only through the kind thoughtfulness of their host and hostess, Mr. and Mrs. Ernest Cummings.

Mr. H. E. Tripp of Franklin was in town today.

## FRANKLIN

(Special to the Post)

Quite a few from this neighborhood attended the funeral of Mrs. J. Herbert, who resided with her son-in-law, Mr. Chas. Veals in Emily. The deceased passed away on Tuesday morning last, having reached the ripe old age of 96 years and 11 months. She was probably one of the oldest residents of these parts, coming from Queen's County, Ireland, over 75 years ago. She settled in Quebec with her husband, where they remained for 45 years at which time her husband died and she removed to Ontario, where the most of her family were residing. Of a family of nine only three daughters remain, Mrs. F. Veals, Mrs. R. Reeds and Mrs. C. Veals. The deceased leaves 124 living descendants, 3 daughters, 50 grandchildren, 70 great grandchildren, and 1 great great grandchild. The remains were interred in Riverside cemetery on Thursday, the pallbearers being 6 grandchildren from 6 different families, Wm. Herbert, John Hickson, Thomas Reeds, Henry Jones, Wm. Veals and A. H. Veals. Miss Annie Anderson, who is attending the Lindsay Collegiate spent the past week at home.

Our genial miller, Mr. G. G. Tripp has finished cutting his stock of lumber and has commenced to saw shingles.

A picnic under the auspices of the Ebenezer Sabbath school was held at Mr. Ephraim White's on Tuesday, which despite the cool weather which prevailed, was fairly well attended. A baseball match was played between Mt. Pleasant and Ebenezer, which was very interesting, the score being 10-9 in favor of the home team. S. Johnston did the pitching for the Ebenezer nine while Hanley was on the mound for Mt. Pleasant. A. H. Veals acted as umpire.

Mr. James Spear lost a fine foal recently.

Mr. Thomas Stewart has purchased a manure spreader.
