### Genuine Case Of Severe Hay Fever Completely Eradicated From The System By "Fruit-a-tives", The Famous Fruit Medicine.

"I suffer tortures every year with Hay Fever—please tell me frankly if 'Fruit-a-tives' will do me any good?" You are saying this to yourself as you read this article. First of all, read the facts about this distressing trouble. Hay Fever is not a nervous affliction. There is probably no actual disease of the nerves. But the nerves—and in fact the whole system—is affected by the condition of the blood. The nerves are intensely irritated by impure blood, due to defective action of the bowels, kidneys and skin. In fully ninety per cent of the cases of Hay Fever, there is chronic Constipation, Weak Stomach, Indigestion and that dry skin. The great truth of this is shown by the fact that sprays, ointments and other local treatment do not cure. They cannot. The trouble does not lie in the nose and throat but in the stomach, bowels, kidneys and skin. This remedy "Fruit-a-tives" cured Mrs. Kemp of Hay Fever.

CORNWALL CENTRE, ONT., NOVEMBER 27th, 1912  
I was a martyr to Hay Fever for a long time—probably fifteen years—and I suffered terribly at times. I consulted many physicians and took their treatment and I tried every remedy I heard of as good for Hay Fever. But nothing did me any good. Then I tried "Fruit-a-tives" and this remedy cured me completely. I am now well, and I wish to say to every sufferer from Hay Fever—"Try 'Fruit-a-tives'". This fruit medicine cured me when every treatment failed and I believe it is a perfect cure for this dreadful disease." MRS. HENRY KEMP.  
Impure blood causes the itching eyes, sore throat, irritated nose that we know as Hay Fever. As this is true, the sensible thing to do is to purify the blood by taking "Fruit-a-tives". Mrs. Kemp took "Fruit-a-tives" and is cured.  
Why not let "Fruit-a-tives" regulate your bowels, kidneys and skin? Why not let "Fruit-a-tives" give you health, and strength and appetite? Why not let "Fruit-a-tives" so build up the system that you won't have Hay Fever this summer? "Fruit-a-tives" is the only medicine in the world made of fruit juices. It is particularly suited to the use of women because it is pleasant to take and acts mildly and gently. 50c a box, 6 for \$2.50, trial size, 25c. Dealers in all parts of Canada sell "Fruit-a-tives". ## CLOSING EXERCISES ST. JOSEPH'S ACADEMY AWARDING OF MEDALS AND DIPLOMAS

The closing exercises at St. Joseph's Academy which have been looked forward to each year with such pleasurable anticipations by the pupils and friends of this splendid institution, were held last evening, and the ceremonies more than sustained the splendid reputation of the academy as achieved in years past as an educational institution of the highest rank.  
The programme presented last evening was of a high order of excellence. Every number was a classic, the rendition of which demonstrated the superb education imparted by the teaching staff as well as the natural ability possessed by the performers. Space will not permit an extended reference to the individual numbers on the programme, suffice it to say that the young ladies charmed the audience by their brilliant recitations.  
The other young ladies who were awarded diplomas and medals are also to be congratulated on their success.  
The closing exercises were graced by the presence of a large gathering consisting of the friends and relatives of the pupils as well as the following clergy: Ven. Archdeacon Casey, Rev. Father Guiry, Lindsay; Rev. Dr. O'Brien and Rev. Father McAuley, of Sacred Heart Church, Peterboro; Rev. Father J. G. O'Sullivan, Victoria Road; Rev. Father J. O'Brien, Lakefield, and Rev. After the diplomas had been presented congratulations were extended by the speaker to the Sisters of St. Joseph as well as the successful pupils. Then followed eulogistic addresses by the clergy present, in which warm tributes were paid to the excellent educational facilities of the convent as well as the creditable records of the pupils. Every pupil who tried their examination in music passed with first class honors.  
Rev. Father Guiry in his remarks stated that the wonderful results achieved by the pupils were not the result of alchemy or magic, but were due to the consistent, persevering and persistent work of the Sisters.

### RAILWAY NOTES

A Grand Trunk railway line running between London and Port Stanley, and passing through St. Thomas, is rumored in transportation circles in that district. It is claimed that the road could be built for \$500,000 and that it would give to the G.T.R. a valuable connection with the lake port as well as access to a rich section of Ontario.  
The company, says this report, has already surveyed a portion of the proposed route and their engineers, after having gone carefully over the whole situation, have reported in favor of the building of the line. The major portion of the Grand Trunk's supply of soft coal, it is pointed out, is taken to London over the London and Port Stanley Ry. and this short route would answer its purpose much better than bringing the coal in over the present lines via Buffalo. Another factor is the connection between the two chief cities of Western Ontario, London and St. Thomas, and between the two main lines of the Grand Trunk running through Western Ontario, Niagara Falls, and Buffalo and Sarnia and Detroit. The only connection between these two lines is at Kingscourt and Glenora and by the Buffalo and Goderich line.  
A resolution in favor of granting the Grand Trunk Railway the right to cross the state of New Hampshire in its extension to Boston was unanimously adopted by the Board of Trade of that State at its annual spring meeting held at Exeter. In discussing the resolution members of the Board declared that the coming of the road should be expedited by New Hampshire as well as the greatest benefits would come to the State from the G.T.R., and that the work of extending its lines should be started as quickly as possible. The resolution is as follows: "Resolved that the New Hampshire Board of Trade is in favor of granting authority to the Southern New England Railroad Corporation to build across this State so that the transcontinental system of the Grand Trunk Railway may be completed and New Hampshire share in the benefits which shall accrue from this new force in the industrial development of New England."

## MR. AND MRS. W. A. GOODWIN CELEBRATE THEIR GOLDEN WEDDING

On Wednesday, Mr. and Mrs. W. A. Goodwin, 27 Cambridge-st., two of Lindsay's honored and highly respected citizens, celebrated their golden wedding anniversary under the most happy auspices.  
Fifty years ago on a bright June morning, Mr. and Mrs. Goodwin were united in the holy bonds of matrimony, at Peter's church, Cobourg, Ont., by Rev. Charles, son of Archdeacon Bethune. Mr. Goodwin, who is a native of Lincolnshire, England, settled in Lindsay in 1861, and is, therefore, one of the few remaining pioneers of the town. He returned to Cobourg for his bride, in 1862, who was Miss Emma Clemons. She was born in the lakeshore town.  
Eight children blessed their union, six of whom were present with their aged parents yesterday to join with them in celebrating fifty years of a happy wedded life. Those present were—Mr. Frank Goodwin, Mrs. Goodwin, and son Gordon, of Collingwood; Mr. W. E. Goodwin, Mrs. Goodwin and two children; George, of Lindsay; Mrs. Ross, of Oshawa; Miss May and Bessie, of Lindsay.  
During the day, a reception was held at the family residence from 4 to 6 o'clock and from 8 to 10 o'clock. Many of our citizens availed themselves of the opportunity of calling on Mr. and Mrs. Goodwin and extending congratulations and felicitations.  
During the afternoon a very pleasing presentation took place. Mrs. Goodwin has been a prominent member of St. Paul's Anglican church, being an active member of the Ladies' Auxiliary. The members took advantage of this auspicious event and gathered at the residence when Mrs. Goodwin was given a life-membership certificate in the auxiliary. Mrs. C. H. Marsh and G. S. Patrick, making the presentation.  
The certificate was as follows:—  
WOMAN'S AUXILIARY,  
To the Missionary Society of the Church of England in Canada Diocese of Toronto.  
This is to certify that  
EMMA GOODWIN,  
is constituted a life member of this Auxiliary by members of the Lindsay Branch and friends on the occasion of her golden wedding.  
"Thy loving kindness and mercy shall follow me all the days of my life."  
E. Fannis Jones, Sec. M. Cartwright, pres. June 19, 1862—1912.  
Mr. and Mrs. Goodwin were the recipients of many costly and beautiful presents from friends and relatives, among which were ninety gold pieces, engraved leather bag, containing a purse for Mrs. Goodwin from Lindsay friends as well as an engraved gold-headed umbrella for Mr. Goodwin.  
Among the out-of-town guests present at the anniversary were: Mr. Frank Goodwin, wife and child, of Collingwood; Miss Hector, Toronto; Mrs. Ross, of Oshawa; Mr. M. Goodwin, Hamilton; Mr. Peter Smith, Hamilton; Mrs. Mat. Williams, Cobourg; Mrs. Williams was bridesmaid for Mrs. Goodwin on the occasion of her marriage fifty years ago.  
The Post joins with a host of friends in town and district in extending congratulations to Mr. and Mrs. Goodwin, coupled with the hope that they will be spared many years of happiness together. They are both honored and esteemed in the community and their lives are closely linked with the town's history.  
Mr. and Mrs. Goodwin entered heartily into the festivities on Wednesday. They moved about among the guests as if they had renewed their youth again and were apparently as happy as the bright June morning fifty years ago when they plighted their troth in old St. Peter's, Cobourg.  
Mr. Steinburg, of Madoc, spent Sunday in Lindsay with friends.
