# JUNE WEDDING BELLS

McLEAN-FLAVELLE

At two o'clock this afternoon in Cambridge-st. Methodist church was solemnized the marriage of Edith Lilian, youngest daughter of Mr and Mrs. J. D. Flavelle, and Mr. James Stanley McLean of Toronto.

The ceremony was performed by Rev. J. W. MacMillan, D. D., of Halifax, brother-in-law of the bride, assisted by Rev. S. J. Shorey, D. D., pastor of the church. The bride who was attended by her cousins, Miss Jean Flavelle, of Lindsay, and Miss Clara Flavelle, of Toronto, as bridesmaids, and her sister, Miss Ethel Flavelle as maid of honor and her niece, Miss Katherine MacMillan as flower girl, entered the church to Lohengrin's wedding march sung by Mrs. Wallace Barrett of Toronto, Mrs. B. L. McLean and Mrs. Wm. Dundas of Lindsay.

The bride, who was given away by her father, was gowned in white liberty satin trimmed with lace and pearls. The long court train, covered with the bridal veil, was caught with orange blossoms. She carried a shower bouquet of lilies of the valley and orchids, while the bridesmaids and maid of honor were dressed alike in blue liberty satin with veils of blue nylon. The flower girl was sweet in white with pink ribbons and daisies.

The groom was supported by Mr. Ralph Corson of Toronto, and the ushers were Dr. Jas. McLean, of Port Hope, Mr. Geo. Milroy, of Toronto, Dr. Wallace Wood, of Toronto, and Mr. Norman McLean, of Port Hope. During the signing of the register, Mr. Russel McLean of Toronto, cousin of the groom, sang D'Hardelot's "Because."

After the ceremony a reception was held at the bride's home, 38 Bond-st. Mrs. Flavelle, the bride's mother was dressed in lavender satin with grey and lavender hat, and wore a corsage of orchids and lilies of the valley.

The groom's gift to the bride was a diamond pendant set in platinum, and to the bridesmaids gold bar pins set in pearls and peridots. Among the many costly and beautiful gifts were two dozen silver spoons and one dozen silver forks, from the officials, choir and Sunday school of the Cambridge street Methodist church.

Mr. and Mrs. McLean left on the evening train for Quebec to sail for England on the steamship Laurentic Saturday.

## NEW SUPERINTENDENT OF THE G.T.R.

Montreal, June 19—Mr. L. G. Coleman, of Belleville, has been appointed superintendent of the Ottawa division of the Grand Trunk Railway, in succession to Mr. Morley Donaldson.

The new superintendent was born in Macon, Ga., in 1877. He came north at an early age, and with his father, who was in the railroad and manufacturing business, travelled over most of the United States. He first entered the railway service in 1900, accepting a position in the Grand Trunk's transportation department in Montreal. From there he was sent to Barrie. Later he returned to Montreal and in 1906 was transferred to Ottawa as assistant superintendent. His next position was as assistant superintendent of the eastern division, with headquarters at Belleville.

## WANT TO START A DUCK FARM

Messrs. Bolander Bros., the poultry raisers, on Grass Lake, the farm originally taken up by Mr. Menzies, are looking for a partner to furnish about a thousand dollars, to take up duck raising. Grass Lake would be an ideal feeding pond, and thousands could be raised and marketed during the summer. There is a great opening for an investment. In the meantime the Messrs. Bolander are doing an extensive business in fowl and eggs.—Independent.

## CHASED BY A BEAR BUT KILLED IT

Mr. D. Watson, who lives on the Paudash Lake road, has had his flock of lambs considerable depleted of late, and he decided that a bear was committing the depredations. Sunday morning he found the carcass of a lamb partly eaten, and thinking that a bear might possibly return in the evening to finish his meal, he shouldered his rifle about sundown and sauntered out to where the remains of the lamb were lying only to find that the bear was there ahead of him and showed no disposition to leave until he had concluded his evening meal. Watson did not take the precaution before leaving the house to see that he had plenty of ammunition, and after firing three shots, without any of them apparently taking effect, he was obliged to beat a hasty retreat with the bear in pursuit. Fortunately he was not far from the house and his pursuer gave up the chase after going a short distance.

Mr. Watson found the bear next morning within 100 yards of where the shooting took place. He was dead, all three shots having reached the mark. He weighed 317 pounds.—Hancroft Times.

## MASONIC ORDER AT DIVINE SERVICE

Faithful Brethren Lodge A.F. & A.M., attended divine service in Cambridge-st. Methodist church Sunday morning, when a practical sermon was delivered by the pastor, Rev. Dr. Shorey. The turnout of the brethren was a splendid one. There was also a number of brethren from outside lodges in the parade. The members occupied seats in the centre aisle and the service was greatly enhanced by special music by the choir.

When the lodge returned to their hall at the conclusion of the service, votes of thanks were tendered to Rev. Dr. Shorey, the officials of the church and choir.

The turnout of the order was the largest in a number of years and as the members passed along the route of procession many favorable comments were heard.

## STORES ISSUED NO BALL CARTRIDGES

(Special to The Post) Ottawa, June 22—That the ball cartridges used in the tactical manoeuvres on Thursday at the Barrfield grounds, Kingston, were not issued from the stores, was the finding of the special board of investigation. The cartridges had been kept by the men from the ammunition issued for target practice.

The 8th and 9th Regiments were engaged in tactics, one regiment attacking the other, supposedly with blank cartridges. But shortly after the firing had started some old hands were surprised to hear the singing ping of bullets instead of the puff of blanks. Others saw the dust raised where bullets hit. Several reported to the officers in charge, and the practice was immediately stopped, and an enquiry instituted.

The chairman of the board of investigation was Major R. J. Bird-whistle, of Ottawa, brigade major of the 8th Infantry Brigade, who with Lieut.-Col. S. M. Rogers, officer commanding the 8th Infantry Brigade, returned today from Kingston.

The enquiry showed that the ammunition used was not issued from the stores as blank, but had been issued for target practice. Some of the soldiers did not use all, but kept it in their pockets. In the manoeuvres they decided to use the real thing, doubtless taking care not to aim at any person. The ammunition used was what is known as gallery and .303 cartridges. No effort was made to find out just who had used the ball cartridges.

Hamlyn, a farmer's son, ended his life by taking enough paris green to kill ten people. He was only fourteen years of age, and his parents can assign no intelligent reason for his action. He confessed to deliberately taking the poison, but assigned no cause. He lived for some hours and was driven five miles to a doctor, but died soon after reaching home.
