**Prizes for Maps At Lindsay Fair**

At the fair the directors will give prizes for the best maps of old and new Ontario, the first prize being \$5, the second \$3 and the third \$2. Teachers must certify to the draughtsmen.

**Merry Excursion Party Yesterday**

St. Paul's Sunday School has a Thoroughly Enjoyable Day  
Over one hundred and fifty adults represented the number on board the train for Peterboro on the annual excursion of St. Paul's Sunday school yesterday, and a merrier crowd could hardly be imagined. The train was composed of five coaches to say nothing of the extra baggage car which contained that which was held in the greatest anticipation by all, viz; the luncheon baskets. On arrival at Peterboro with the exception of a few, nearly everyone stayed off at Jacksons park and at once proceeded to enjoy every advantage offered by so ideal a day. The program of sports however was called off, owing to many of the children going off on the street cars on the "around the city" in an hour for five cents' ride. It is expected however, that the same races will be run in town here some evening most probably on the churo or the

Central school grounds. The baseball enthusiasts though, did play baseball having an excellent game on the park grounds. Many also went over to the lift lock, taking the shorter path of travelling up by water instead of by foot. About one o'clock luncheon was partaken of and, needless to say, they appreciated the return journey. Lindsay was reached at about eight o'clock, after having a most enjoyable day, and many of the younger children were tired and well prepared to drop into dreamland any minute.

## PILES

Mr. Alfred Brown, of Merriton, Ont. says - "For six years I have not known what it was to be free from pain. No one ever suffered more from itching bleeding Piles than I did and I tried everything that a friend of mine who had been cured with Zam-Buk gave me a part of a box to try, and the relief I got was marvellous. I then bought a supply and before I had used it all was completely cured."

**Mr. Fred Edmunds Tells of Walking from Lindsay to Peterboro 25 Years Ago**  
Mr. Fred Edmunds, the proprietor of Wonderland, Lindsay, who was in Peterboro on Monday says he used to do the walk from Lindsay to Peterboro, an six hours. That was about 25 years ago and at that time Mr. Edmunds was employed in a mill at Lindsay and walked home every Sunday morning accompanied by his dog, and leaving for Peterboro early in the morning. He returned in the afternoon. Mr. Edmunds thinks that Steve's time for the walk from Peterboro to Lindsay on Saturday was very fast.

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness results, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever. It is nothing but an inflamed condition of the mucous lining of the Eustachian Tube.  
We will give One Hundred Dollars for any case of Deafness caused by catarrh that cannot be cured by local applications. Send for circulars.

## Are Writing to Other Places

**Many Candidates are Getting Assistance from Former Residents of Lindsay**

The battle of ballots in On. are you working for your favorite yet? If not get busy, there is no time to lose. Cut ballots from the paper or pay up your subscriptions in advance - anything to help the young lady you deem the most popular. Many of the candidates are beginning to find out that their friends are leaving. Some people offer their assistance, while others are just waiting to be asked. No one will refuse to assist a popular young woman. Make a start and the rest is easy.  
Young ladies may rest assured that the trip offered is an opportunity well worth striving for and drawing on the loyalty of their friends. It is one of the finest trips on the continent and annually attracts thousands of American tourists.

A few candidates have adopted the plan of writing to former citizens, now residents in other parts of Ontario and the United States, soliciting their support. This is a good plan. Your friends will be glad to contribute the Daily or the Weekly Post and while doing so can assist the candidate.

# JULY SALE OF ODD LINES

Our Semi-Annual Clearance of odd lots, broken assortments, remnants, lines of which to great a quantity remains--in fact it is a general clearing throughout the store in preparation for the incoming of our fall purchases.

Following our usual custom of a General Clearance Sale during the entire month of July we have now put it in full swing. For many reasons we desire that this 1908 sale shall far outreach those of any former years. Every department in the entire store will contribute largely to the special offerings each week and summoning it up all around the buying opportunities will be many and the savings large.

This week we will not attempt to tell you of any one particular line but will call your attention to the important fact that the sale is in full swing and right in the store is where you can best see the special offerings and judge the merits of each one. Remember it is not out of season merchandise that's on sale--no, it's strictly seasonable which adds value and interest to it.
