(Special to The Post.) . The Presbyterian strawtery festival 'and afternoon of sports held here on Dominion Day was a great success A large crowd was present and sawia game of baseball between Cambray an Oakwood resulting in a win for Oakwood by the narrow margin of one run. It was a fine game throughout the absence of the usual kicking and disputing adding much to the enjoyment for the spectators. The Cameron team are a bunch of sports and will be welcomed back to Oakwood on any further occasion. The foot ball game between Linden Valley and Cakwood was fiercely contested all the way and at the end of time neith er side had scored a goal. The game although much faster, than the 12 st one between these two teams was clean throughotu.
