

Serious Fire at Coboconk

Buildings at Callan's Lime Kiln Destroyed by Fire
(Special to The Post.)
Coboconk, July 8th — Last night fire broke out in the buildings attached to Mr. E. A. Callan's lime kiln and considerable loss resulted. The fire was discovered about midnight and in a short time the people of the village had congregated at the scene of the conflagration. In large numbers and strenuous efforts were put forth to save the buildings, which, however, were destroyed. The loss is estimated to be in the neighborhood of \$800.

Everybody Is Hustling

All the Candidates and All Their Friends are Getting Busy
"Everybody is excited over the Post's Free Trip competition," said a visitor in town this morning. "The candidates are canvassing all districts thoroughly, and are apparently leaving no stone unturned, to secure the trip to Quebec. It is the most exciting thing that ever happened in this county." This is the story that comes from all sections, and the excitement is not confined to Lindsay and Victoria County. It extends among friends of the candidates in all parts of Canada. From even the remotest parts have votes come in.

'Twas Somewhat Premature

Was the Announcement that Mr. Jesse Perrin Would Leave Lindsay
The Fenelon Falls Gazette of last week said:
"It has been rumored that we are to have a new industry at the Falls being that of a boat building establishment. Mr. Jesse Perrin, of Lindsay is to start it and it is expected to be located somewhere near Redner's Point."
A reporter of the Post interviewed Mr. Perrin this morning and ascertained that the announcement was premature, as Mr. Perrin has not decided to leave Lindsay, although it could not be denied that the Point indicated would be an advantageous place at which to pursue his calling.

The Pedestrians Were Drenched

Were Caught in the Storm When Near Reabro
The Peterboro Examiner says that Stacey, Stevens, Hartley and others comprising a bus load which left Lindsay on Saturday night after the walk was over to go to Peterborough, had an experience which was anything but agreeable. There were fifteen in the party and the bus with a team of horses, was engaged to make the trip. They got away from Lindsay all right, but on the road a storm broke upon the party after midnight. It was no pink tea affair, either. Jim Stacey laughs yet when he thinks of the soaking he got and the experience on that lonely Victoria Road while the wind whistling fortissimo through the trees, and accompanying illustrations in the form of frequent flashes of lightning which lit up the inky depths of the heavens and made one feel a thousand miles from home. The wind finally caught the top of

fact, that it lit in the lake, giving them the advantage of one run, although he had quite sufficient time to get around the diamond twice, the game ended with a score of eight to five in Mr. Pogue's favor. During the latter part of the day the pleasure of the day was slightly marred, but considering everything, a most delightful day was spent.

Baptist Outing at Thurstonia

A Most Delightful Sail and Picnic Enjoyed Tuesday
Over one hundred and fifty adults and children were in attendance at the annual excursion of the Baptist church to Thurstonia park last Tuesday via the steamer Kathleen. While there, nearly everyone participated in the program of sports, the ball game being particularly exciting. Dr. Pogue and Mr. A. Clark acted as captains, but notwithstanding a big hit made by Mr. Clarke (so big, in fact, that it put it out of commission, leaving the fifteen occupants at the mercy of the driving rains. It fell in torrents and the party was glad to accept the shelter of the church sheds at Reabro. They will not soon forget this feature of the trip from Lindsay.

Orangemen are Hard at Work

Making Arrangements for the Great Celebration on Monday
The committee of Peterboro Orangemen who are arranging for the big celebration of July 13 are nearing conclusion of their work. There is a possibility that an excursion may be run from Toronto, and arrangements are now under way with the C. P. R. to this effect. There are several Orange lodges in the Peterboro and Burketon districts who only recently intimated their desire to go to Peterborough and the special train if run will be for the benefit of lodges between Toronto and Peterboro.
Mr. W. H. G. Armstrong, County Master for West Peterborough, stated yesterday that he expected between 15,000 and 20,000 Orangemen and their friends in Peterborough next Monday. They will be there from Victoria Hastings, Durham, Northumberland, as well as from all parts of Peterboro county.
Addresses will be delivered by prominent members of the order and at two o'clock there will be a procession.
