PLEASANT POINT

(Special to The Post.) The farmers are progressing nicely with the harvest and most of them

are done haying. Mr. Walter Hore raised a Tine barn last Friday. The barn, the dimensions of which are 40x52, erected on a stone foundation and will be a fine barn when completed. Several parties from here have

gone huckleberrying. Last week the inspector of wharfs and bridges from Peterboro passed through this way, and to the satisf. faction of the community, picked out a location for a new wharf. This will help the people and also the boatle men. who will be able to land in any storm, which is impossible at the 1 , 11 - 11 old wharf.

Mr. Herb Dunn spent a week this locality.
