The Midland baseball league which started the season as a semi-professional baseball organization, has practically gone to the wall. Port Hope defaulted to Peterborough last Saturday, and it is understood that neither Cobourg or Port Hope will play any more this season. Peterboroughs have won the championship and have one or two games yet with the Athleties of that city. The gate receipts have not been sufficient to pay the players safaries. The Peterboroughs are made up entirely of Toronto players.
