COUNCIL PASSES IMPORTANT BYLAW FIXING MODE OF PAYMENT OF TAXES

At last night's meeting of the council an important by-law was passed after considerable discussion, fixing the mode of payment of taxes. Considerable difficulty has been experienced in the past in the collection of taxes and it was felt that the by-law would tend greatly to solve the problem. The bylaw read as follows:— 1. That in this by-law the word "tax" or "taxes" shall be read and construed as meaning all taxes, including school taxes, local improvements, assessments and taxes, sewer rents, water rates, water sprinkling rates, and all other rates payable as taxes. 2. That all taxes shall be payable on the day of the passing of the bylaw fixing the general rate of taxation for the year. 3. That no interest shall be charged and no discount allowed on any taxes paid before the first of December in the year in respect of which said taxes are levied. 4. That any rate payer who pays his taxes within 14 days after the giving of the notice provided for by section 102 of the Assessment Act shall be deemed to have punctually paid the same, and shall not be liable for any additional percentage. 5. That on and after the first day of December of each year, five per cent interest shall be added to all outstanding taxes for the then current year, and such additional percentage shall be collected by the collector or otherwise as if the same had been originally imposed and formed part of such unpaid tax. 6. That in case the 13th day of November falls on a Sunday or a public holiday, payment may be made on the next judicial day. 7. That taxes may be paid to the town Treasurer at his office or to the Collector of taxes. 8. Nothing herein contained shall prevent the tax Collector from proceeding at any time with the collection of any rate, tax, or assessment, or any part thereof, in accordance with the provision of the statutes and the by-laws governing the collection of taxes. 9. That by-law No. 1137 shall not be deemed to apply to the collection of taxes on the 29th tax roll or to any tax roll for any year subsequent to the year 1910. 10. That this by-law shall be deemed to apply to the collection of taxes on the 1911 tax roll and on all subsequent tax rolls until such time as it may be repealed. 11. That all by-laws and parts of by-laws inconsistent with the provisions of this by-law be and the same are hereby repealed.
