**SHARPER ISSUED WORTHLESS CHEQUES SEVERAL LOCAL PEOPLE VICTIMIZED**

It looks as if another swindler has been working in Lindsay and as a result a number of people are out of some money on account of his operations. It appears that some days ago, a gentleman, giving Buffalo as his place of abode, drifted into town and registered at a local hotel. He was of good presence and would appear to be about forty-five years of age. He was anxious, he stated, to secure a cottage at Sturgeon Point, as he intended bringing over his family for the summer months. Those whom he interviewed, were struck with his appearance as well as impressed by his conversation. He appeared to be an educated man and it was not long before he had opened negotiations for the rental of a cottage from a Lindsay family, giving

his cheque for the rental fee. He then purchased a consignment of groceries from a lady, paying for them by cheque, receiving in change, seventeen dollars. He then called on a Kent-st. grocer and left an order for a large supply of groceries to be delivered at his cottage. Cheque No. 3 was issued and he received \$25.00 in change. The last cheque was on the Marine Bank, Buffalo, and the grocer has since learned that the stranger is not known to the bank. The individual, of course, has left these parts and his whereabouts is unknown. It is said that other bogus cheques were issued in town. On Monday a Post reporter saw the cheque issued to the owner of the cottage. It is made out in an excellent business hand, which would go to prove that the sharper was well educated and knew his business.

**AUTOMOBILE CONCERN FOR LINDSAY INDUSTRY HAS GOOD BUSINESS FUTURE**

The following is from the Woodville Advocate:  
 "It is understood the automobile factory will shortly move from Cannington. It would appear this has been brought about by the action of the council which declined even to rebate the company's assessment. It is probable they may go to Lindsay, which town it appears is negotiating with the concern for transfer." The above paragraph refers to the Fitzsimmons' Automobile Works, which is moving to Lindsay. The firm is locating here without the flourish of trumpets and have selected Lindsay because of the splendid shipping facilities afforded. Their machinery is being shipped this week, and they will occupy the old central school as temporary quarters until a more desirable location is secured. The firm manufactures automobile bodies, and has been turning out goods for the Russell, Ford and McLaughlin firms. They have employed a staff of 15 or 20 skilled mechanics at splendid wages, and it is understood all of them will follow the firm to Lindsay. Messrs. Fitzsimmons are gentle-

men with splendid reputations and possess splendid business ability. The outlook for the firm is exceedingly bright. They have a large number of orders on hand and expect to increase their staff in a short time. The firm has come to Lindsay in a very modest way and are impressed with the town's advantages as a manufacturing centre. One of the members of the firm has been in town for the past few days making arrangements for the installation of the plant. The Post desires to welcome Messrs. Fitzsimmons to Lindsay and trusts that their industry will develop into one of the most important of its kind in the province.

**WALKER—COULTIS**

A very pretty wedding took place in Port Perry on Wednesday afternoon, June 19th, 1912, when Edith

Gertrude, daughter of Mr. and Mrs. W. J. Coultie was married to Mr. Wilmott Franklin Walker, of Utica, Rev. R. C. Burton, of Watford, Ont., uncle of the bride, performed the ceremony, and was assisted by the pastor, Rev. R. Bamforth, of Port Perry. The bride looked charming as she entered the drawing room on the arm of her father to the strains of Mendelssohn's wedding march, played by Miss Collins, of Stouffville, cousin of the bride.

The room was beautifully decorated with peonies, roses, ferns, etc., and the arch under which the ceremony was performed was made of asparagus and marguerettes, while flowers were in profusion everywhere.

**GEORGE HALL**

The death took place in Kisbey, Sask., on Friday, June 21st of Mr. George Hall, formerly of Lindsay, aged 75 years.

The deceased left this town some years ago for the Northwest, and after arriving in Winnipeg he, with two other companions left the city with two teams of oxen, household goods and farming implements, for what was at that time called Assiniboia district. It took them six months to reach Moose Mountains, where they took land grants and settled down. They were the first pioneers of that district, and remained there ever since.

The deceased's father, Andrew Mill, was one of the first settlers in Lindsay, when Port Hope was the nearest market place, and it took them some days to make a return trip.

The late Mr. Hall has been a subscriber to the Post for the last forty years. He is survived by six children, three boys and three girls, George and John, Kisbey, Sask.; Mrs. Robt. Hungerford and Mrs. Hugh Rose, Toronto; and David Hall of the New York Herald, New York.

**ROBERT McMAHON**

Millbrook Reporter: Fighting the last enemy for some years in the form of the Great White Plague, our warm hearted and energetic townsman of many summers fell before the attack on Thursday last and silently passed to the beyond.

Born in the Township of Hope forty-eight years ago, he came here with his parents when quite young, and grew up amongst us, taking a deep and intelligent interest in all our life and ways. He served his time in the George Fair shops, and of late years had been on the car-penter force of the Grand Trunk a few years ago he and his wife and aged father moved to Lindsay to nearer the seat of his railway duties, but when sickness laid him off he returned to the old family home west of the Station Millbrook to quietly spend his remaining days amidst old and familiar friends and surroundings. Everybody liked "Bob" as we all called him, and he was a true friend to all that was straight and right, and there is general regret at his call home in the prime of life, and deepest sympathy is extended to the bereaved widow, father, brothers and sisters.

The funeral took place on Saturday under the direction of the Millbrook Lodge of Oddfellows, of which deceased was a charter member and the third Noble Grand, and to which he devoted much of his time, abilities and energies. Headed by the band they reverently accompanied his remains to the Presbyterian cemetery and laid his ashes to rest till the great Inside Guardian bears his knock of entrance and welcomes him to the throne on high. Rev. Wm. Johnston conducted the funeral obsequies and as Noble Grand of the Lodge assisted in the fraternal services of the lodge.
