## DOUBLE PASSENGER SERVICE BETWEEN PORT McNICOLL AND PETERBORO CITY

There seems to be an impression prevailing that the section of the Georgian Bay & Seaboard Railway between Lindsay and Bethany has not been approved, and that the C.P.R. cannot use the stretch for traffic. This is incorrect. The line has been taken over by the company, but the delay in using the Lindsay-Bethany section was occasioned by the fact that the stations were not completed. The Post has

been informed that the stations are now ready. A gentleman prominent in railway matters informed a reporter today that a double service will be inaugurated in a short time between Peterboro and Port McNicoll, and that the present passenger service on the grain line would be still further improved. The special Saturday Toronto-Bobcaygeon train is being largely patronized each week.

An amusing story is told of one family where the lady moved the hand of the clock forward one hour and went to bed. Her husband came home late and moved the clock on an hour also. On Sunday morning they went to Church where service was at the old time. They were, therefore, two hours ahead of time. The hotels, too had trouble in catering to local boarders and guests who had to use standard time because the trains used it. In spite of this failure many still believe in the principle if it is adopted by all people, or made national in its scope.

## PROCEEDINGS OF OPS COUNCIL

Ops Council met July 15th. All the members present. The minutes of the last meeting were read and confirmed. Communications: From Reeve Tolmie, of Fenelon re culverts on boundary; from Vice President C.P.R. re name of Station at Flemings; From Secretary Board of Railway Commissioners re new plan for Stewart's bridge; From Claim Adjuster of C. P. R. re damage to culvert, Superintendent of G.T.R. and others. Interviews: William Jones, Pathmaster, re Hawkins being charged for too much statute labor, since the assessment for the Morrison place had been combined with his own. The matter was left over for consideration. John Hartnett asking for damages for horse injured in helping the oil tank out of the snow on the 2nd. gr. line in the Spring. Council thought Oil Company should pay the damages, as they did not keep the travelled road. The Clerk was instructed to bill them for same. W. B. Fee asking to have railway fences built across St. Patrick-st. opened so that he could get to his farm. Clerk was instructed to write C. P. R. A By-law authorizing the Reeve and Treasurer to borrow money for the current expenses was duly passed. On motion of W. Walden, seconded by G. Maloney, the following accounts were ordered paid:—G. W. Beall, stationery, \$3.06. Robert McGinnis for gravel \$3.80. McLennan and Company for Road scraper \$20.25, The National Concrete Co. for Culvert tile \$76.45. Mr. James Long was present to complain of water turned on his farm from the road and the places across the road. Council said that if he had a grievance of this kind, his method of procedure would be to call a friendly meeting of the parties interested and try to arrange an agreement as to outlet. The Clerk was instructed to write Clerk of Manvers billing their council for \$6.95 share of work on boundary; also Railway commission, re urging C. P. R. to complete Stewart bridge at earliest possible date. On motion of G. Maloney, seconded by W. Walden, Mr. Best was authorized to have brush cut on the second Concession line. ## KIRKFIELD

(Special to The Post) The members of L.O.L. 116 celebrated July 12 in Uxbridge. R. C. McKay of Shelden is spending his holidays under the parental roof. Mr. A. Wheeler, of Toronto, is visiting his uncle, E. Mosgrove. Mrs. A. E. Smith spent Friday with Mrs. Cameron in Lorneville. Mr. Mahoney, of Peoria, Illinois, spent a few days with his uncle, Dr. J. F. Ross. Mr. Mahoney is a great violinist and assisted the organist of the Presbyterian church Sunday evening in playing the hymns on his violin, which was enjoyed by all present. Don't forget the garden party given by the Ladies' Aid Society on July 24th on the church and manse lawn. Miss Mona Ross entertained a large number of her young friends on Monday evening at her home. The evening was spent in games, music and dancing, after which dainty refreshments were served. Each one departed for their homes after having a most enjoyable evening. Dr. and Mrs. MacLean and family have moved into the house recently occupied by Mrs. G. Ashman.

## PLEASANT POINT

The severe electrical storm which passed over this vicinity last Thursday did more damage than any previous storm has done in a long time. Besides the damage done to Mr. Jas. Brien's barn and to that of Mr. Jos. Greer in which two cows were killed, as well as many minor effects, Mr. John Hay was the loser of a fine horse. Mr. and Mrs. Bruce Greer and two children, of Buffalo, are spending their vacation under his parental roof at present.

Miss L. Gertrude Brien, of here, spent a few days recently with her friend, Miss Laura Reynolds, of Bethany.

Mr. E. Henderson, of town, an old boy of this corner, paid Mr. James Brown, of Sunnyside Farm a brief visit lately.

This corner was as well represented as ever at Peterboro on the 12th. Road working was the order of the day last week, haying this week.

## FRANKLIN

(Special to The Post.) A large turnout of our citizens celebrated the glorious 12th at Peterboro. Some were a little disappointed in the poor train service supplied by the G.T.R. Those who took the special train did not arrive in town till 12 o'clock, and as they had to leave at 4.30 they had a rather short day. Miss Mattie Thompson, who spent the winter in Sask., is home on a month's visit. She then expects to return to Toronto. Miss Sadie Veals, of the nursing staff of the General Hospital, Toronto, spent Sunday and Monday at her home here. The farmers of this vicinity are highly pleased with the crop outlook

at present. We have had several good rains, which have made a very decided improvement on the appearance of the crops. We hear of a lot of damage done from the electric storms recently in other places, but the storms have not been severe in this locality.

Mrs. H. Steward was a visitor at the home of Mr. T. Steward on Sunday last. Mrs. J. H. Jones spent the 12th with friends in Millbrook. Mrs. W. J. Fallis spent the 12th with friends in Bethany. The services here have been well attended the past two Sabbaths. All seem well pleased with our new minister, Rev. Mr. Melville.

## ELDON STATION

Miss C. I. Mathieson, of Toronto is spending her holidays here, the guest of Mr. and Mrs. Angus MacEachern. Mrs. Smith and daughter Ina, of Kirkfield were the guests of Mrs. McArthur on Saturday last. A baby boy came to reside at the home of Mr. and Mrs. M. McLean on July 7th. Mrs. Carson and children, of Wau-basheen are the guests of her sister, Mrs. John Bates for the past days. Miss R. Barber, of Fenelon Falls is spending her vacation with her aunt, Mrs. John Bates. M. S. Beecroft and son, Rev. Archie Hoft, of Woodville, called on Mr. and Mrs. M. McLean Sunday last. Miss May Campbell, of Lorneville, spent Friday the guest of her aunt, Mrs. M. McLean. Mrs. McCormack and children, of Toronto, are the guests of Mr. and Mrs. John McArthur. Mrs. Aveline and children, of Toronto, are spending their holidays with Mrs. Aveline's mother, Mrs. Alex McArthur. Several from around the village celebrated the 12th in Uxbridge.

## NORLAND

The 12th of July which was celebrated in this village was a great success. There was a nice sized crowd and everyone seemed to have a good time, and we all hope that it will encourage the Orangemen of this place to hold the 12th here again in the near future. The both dances, which were held at night were well attended and everything was as good a success as anyone could expect. Miss Eva Hunter is at present visiting with Miss Annie Murray of this village. Miss Mabel Parks, of Head Lake, is visiting with her cousin, Miss M. Newson. Our general merchants, Fairbairn Bros., are doing a big business these times, as they had two delivery wagons on the road on Saturday last. Mr. and Mrs. D. McIntyre spent the 12th in this village. Mr. D. McDougall is at present visiting at Mr. A. Newson's of this village.

## SCOTCH LINE

The farmers are rejoicing over the great showers of rain which came last week. The crops are beginning to look well. Misses Jack and Miss Kanns returned to Toronto by the Sunday special, after spending two weeks' vacation at Mr. D. Robertson's farm. Miss Jessie F. Robertson, of this place is spending a week with friends in town. Mr. and Mrs. J. W. Moore and family, of town, are camping on the shore of Mr. Miller Johns' farm, enjoying the fresh breezes of our beautiful Sturgeon Lake. Wilson, Omeoos last week. The stone masons are building a stone wall for Mr. s. Wm. Kennedy's new barn.
