

"Child's Play of Wash Day"

Means: To make the dirt drop out, not be rubbed in, use

Surprise Soap

the "Surprise" way without boiling or scalding the clothes. It's a new way and a clean, easy method of doing the wash.

Surprise is all Soap; a pure Soap which makes a quick lather.

**JUNIOR HIGH SCHOOL ENTRANCE RESULTS
WANDA NEWTON SECURES SCHOLARSHIP**

The following is a list of the successful candidates at Lindsay and the affiliated centres.

The total possible marks was 650. For a pass it required 40 per cent. on each subject and 60 per cent. of the total.

Certificates have been sent to the successful candidates and the marks to the unsuccessful ones. To guard against errors, the examiners have re-examined the papers of those that were near the passing mark.

Those that secured 75 per cent. of the total marks, or 487, have been awarded honors, and the certificates have been stamped accordingly.

The Board of Education, Lindsay, gives yearly two scholarships of free tuition for one year at the Lindsay Collegiate Institute to the one in Lindsay and the one in the affiliated centres, that takes the highest total marks at this examination.

This year Miss Wanda Newton secures the scholarship for Lindsay. Total marks 549. D. McDougall, Central School, teacher. Miss Matfel Borden, of Norland, S. S. No. 1 Laxton, secures the scholarship for the affiliated centres. Total 539. Miss Nora N. Nichols, teacher.

W. H. STEVENS, Secretary Board of Examiners.

**RAILWAY ACCIDENT
NARROWLY AVERTED**

While hundreds of Orangemen and their friends were being rusted on the C. P. R. to Peterboro Friday morning in an eight-coach train, little did they think that they were to be saved from a bad wreck.

But they were to be saved, and it is due to Mr. Albert Reynolds of Springville that the accident did not occur.

He decided to walk to Peterboro for the Orange celebration, and took the C. P. R. track at Kendry station. When he had covered about half the distance to Peterboro, he discovered to his horror, that one of the rails had spread about eight inches.

Sizing up the situation quickly, Mr. Reynolds ran with all speed back towards Kendry, where a gang of station men were at work, and they returned made all haste to the scene of the trouble and made repairs before the big excursion train came along with its hundreds of passengers. Such are the acts of Providence.

Such a case is certainly worthy of recognition.—Review.

**DOUBLE DROWNING IN PETERBORO
FATHER AND DAUGHTER MET DEATH**

Times.—Two deaths were added to the terrible toll of life taken by the Otonabee river, when, Sunday afternoon, shortly before six o'clock, two more victims were drowned in its waters, just above Crawford's Grove. They were Mr. Henry Hayward, of Gordon avenue and his little five-year-old daughter.

It appears that Mr. Hayward and his little girl had been trawling down the river, and as they were passing the end of Park street, the line, held by the child, became caught in some manner and was pulled, or nearly pulled from the canoe. In the
