CAMERON-HENDERSON

A quiet and pretty wedding was solemnized at St. Andrew's church, Moose Jaw, Sask., on the evening of Thursday, June 11th, when Miss Gladys Henderson of Omemee was united in the holy bonds of matrimony to Mr. W. J. Cameron, of Moose Jaw, Sask. The Rev. Mr. Wilson tied the nuptial knot. The bride looked handsome in a charming gown of cream shadow lace over a pale shade of pink silk with hat to match. She carried a beautiful bouquet of sweet peas and lily of the valley. The bride and groom were unattended, only the immediate friends of the young couple being present. After the ceremony a wedding breakfast was served at the home of the bride's sister, Mrs. T. H. Henderson, 60 Chantry Ave. The residence was beautifully decorated with roses and vines and specially electric lighted for the occasion. The bride was the recipient of many handsome gifts, among which was a beautiful necklace of pearls, the gift

Our anniversary on Sunday and Tuesday, June 28th and 30th, was a splendid success. On Sunday in spite of the inclemency of the weather, there was a good attendance at the services, where Mr. Wellstood's powerful sermons made a lasting impression on all his hearers.

On Tuesday a crowd which exceeded any other, gathered at an anniversary heretofore, enjoyed the excellent tea of strawberries and cream with other good things too numerous to mention. The tea was served on prettily decorated tables in the basement and the waiters were young gentlemen and ladies from the bible class in the Sunday school. The young people also enjoyed a baseball game between Salem and Peniel, at which the former were victors. The evening programme was well rendered and much enjoyed, Mr. Wellstood giving an address, Miss Purdy of Port Perry which were enjoyed, and Misses M. Philp and R. Cullis, also our male quartette rendered several selections of music. The auditorium of the church was packed, and still there were many who could not obtain admittance. LIBERAL TIDE GROWING

The fact might be pointed out in connection with the Provincial election in Ontario is that the popular majority of the Whitney Government was considerably reduced. In Toronto, for example, the number of votes cast for Liberal candidates was three times as great as the number polled by the Liberals in the Provincial contest of 1911. In many ridings throughout the Province, the Liberals were successful in reducing large Conservative majorities running well up into three figures were turned in good-sized majorities for the Liberals.

Taking the votes cast in the Province as a whole and comparing the total with the number cast in the last Ontario fight, it is seen that the Liberals have gained greatly in voting strength throughout the Province. While the Conservatives remain in power their advantage in the Legislature has been decreased by a number of seats and more significant than that is the drop in the Conservative majority.

The indication is plain enough that the Liberal tide is growing stronger in Ontario and that Conservatives, though they have won the Provincial fight again, are losing ground.

When it is remembered that less than three years ago the Conservatives virtually swept the Province, both in the local and Federal contests, last week's gain in Liberal representation in the Legislature and, more than that, the decrease in the popular majority of the Conservatives, show a very satisfactory vote of Liberal feeling and voting strength in Ontario. And the growth in coming months is likely to be greater than that in the past couple of years, as the weakness and partisanship of Sir Robert Borden and his associates and the unfortunate national conditions which have followed from their administration of Canadian affairs is more fully realized

HOT WEATHER AILMENTS

A medicine that will keep children well is a great boon to every mother. This is just what Baby's Own Tablets do. An occasional dose keeps the little stomach and bowels right and prevents sickness. During the hot summer months stomach troubles speedily turn to fatal diarrhoea or cholera infantum and if Baby's Own Tablets are not at hand the child may die within a few hours. Wise mothers always keep the Tablets in the house and give their children an occasional dose to clear out the stomach and bowels and keep them well. Don't wait till baby is ill—the delay may cost a precious life. Get the Tablets now and you may feel reasonably safe. Every mother who uses the Tablets praises them and that is the best evidence that there is no other medicine for children so good. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Co., Brockville, Ont.
