**ANOTHER BARN WAS SUCCESSFULLY RAISED**

Mr. Walter Flemming, of Reaboro, had a huge barn raising on Tuesday in fact it was one of the largest held in the section. There were in the neighborhood of two hundred and fifty people in attendance. Men and women and children were there from the whole countryside and a first class day was spent.

The barn which was built by Contractor Neil Gray, of Lindsay, is a large one with concrete foundation and up-to-date in every particular. It is a credit to its owner. A great feast was held and the appetizing food was thoroughly enjoyed. Among those from Lindsay present were Messrs N. Smale, W. J. Moore and Isaac Deyell.

**GARDEN PARTY HELD AT REABORO**

A very successful garden party was held under the auspices of the Baptist church at Reaboro last night. The refreshments were delightful and the programme furnished during the evening was of a high order. Among those who attended from Lindsay were Rev. Canon Marsh, Misses Helen McLennan, Victoria Marsh, Carrie Marsh, Annie Armstrong, Ethel Matchell, Messrs. Percy Suggitt, Chas. McCrae, T. F. Murtagh, H. Reid, Miss Carrie Marsh and Mr. T. F. Murtagh took part in the program.

**PAINFUL ACCIDENT**

On Monday afternoon Mr. Harry Abercrombie, driver for Mr. A. L. Campbell, was the victim of a painful accident. He was delivering parcels and while in the act of mounting the delivery, the horse started when he was standing on the wheel. He was thrown off and his right shoulder struck against the hub. While no fracture resulted, he will be laid up for some days.

**CHALLENGE FLAG ON STURGEON LAKE**

Sturgeon Lake sailors will have an added impetus to their sport this year by the challenge flag which has just been put up by Mr. F. A. Clarry for competition by regulation 14 foot dinghies. All races for the new flag must be sailed on Sturgeon Lake, and each winner has the privilege of putting his name and date on the flag. Dinghy owners may challenge the winner by giving him one week's notice to race, and races may be sailed between July 11th and September 10th inclusive. The contestant winning the greatest number of points during the season becomes the owner of the flag.

The first race for the flag will take place at Sturgeon Point at half past two o'clock next Saturday July 11th, weather permitting.

Mr. Clarry, who has always taken an interest in aquatic sports at Sturgeon Point, felt that this would be an excellent way to keep up interest in sailing and so decided to give this handsome flag for competition. Sturgeon Lake sailors are greatly pleased with his generosity, and the interest he has shown in their sports, having always been invaluable on the regatta committee, renders the gift of the flag even more appreciated.

Following are the rules governing competition for the flag:

1. Only regulation 14 ft. dinghies allowed.
2. Lake Skiff Sailing Association rules to govern.
3. Races to be sailed twice around three mile triangular course.
4. Race must be completed within 12 hours.
5. The flag may be contested for on giving the holder and all contestants one week's notice. All races to be sailed on Sturgeon Lake.
6. Races to be sailed between July 11th and Sept. 10th inclusive.
7. Contestant winning greatest number of points during the season becomes the owner of the flag.
8. Each winner has the privilege of putting his name on the flag.

**THIRTY DAYS FOR STEALING WHEEL**

Advocate: About as hard looking a specimen of the genus homo as has been seen here struck Tuesday. The repulsive and half-witted appearance of the man led to the inference of his being one of the escaped unfortunates from the Provincial Asylum, now at large. He was apprehended and landed in the coop for the theft of a bicycle from the premises of Mr. Jos. Butcher, Thorah, for which he was committed by Major C. A. Paterson to Whitby jail for 30 days with hard labor. Prisoner gave his name as Edwin Brooks, hailing from Lindsay. — Woodville Advocate.

**BAILIFFS SEIZED ROBINSON CIRCUS**

Quebec, July 8.—An elephant is no man's load, yet Bailiff Geley, of Quebec City, was "burdened" with one of the law from the Robinson Circus, performing here.

Three kitchen hands, Ernest McMann, of Chicago, William Foley and George Brown, of Sacramento, with the circus, claiming salaries were due them, took action against the circus management, attaching nagerie, rolling stock, etc.

Arrangements were made to allow the performance, and finally the parties came to some arrangement that took the heavy "load" off the bailiff's hands and mind.

**MISS TILLY MANN IS SUPERINTENDENT**

The following is from the Pembroke Standard:—

"Miss Henry, superintendent of the Cottage Hospital, has resigned her office to take a position in the hospital at Lindsay, Ontario. She will be succeeded by her assistant, Miss Mann. On Tuesday evening a large number gathered at the hospital for a function given in honor of Miss Mann's assumption of responsibility, and Miss Henry's farewell."

Miss Mann went to Pembroke after her graduation from the Ross Memorial Hospital a few months ago, as assistant superintendent, and now steps up to the head of the hospital. We extend congratulations to Miss Mann on her success in her chosen life work.

**CROP AND GROCERY MARKET SITUATION**

The crop and grocery market situation is summarized as follows in the current issue of Canadian Grocer:—

With the prospects that the cost of living is going to continue to be a live problem with many classes of society for several months to come, the attitude of the canners with regard to staple lines is important and Canadian Grocer has assurance from several sources that the tendency will be to keep the prices for peas, tomatoes, beans and corn down as low as possible and chief attention will be getting a pack of average quality rather than the fancy lines. Business in canned goods for several months past throughout Canada has indicated that the people generally are taking advantage of the cheap prices.

The indications generally are that the pack will not be as large as a year ago on account of the smaller acreage, which applies to most of the staple crops, with the exception of tomatoes in the Niagara district. Strawberries are now finished and attention is being given to peas, which show an average yield of good condition, although in some districts there is the complaint that there are pods which are only partly filled and also that the hot weather is inclined to hurry the ripening too much. For tomatoes the prospects are still good, especially in the district, and the hot weather will do no harm if there are occasional rains. The raspberry pack will come in about a week, and should be up to the average. It is yet too early to talk of crop prospects. The spinach pack has been completed, this business showing a big normal increase.

The wheat situation shows little change, although there are reports from some sources that conditions are not so good in the west as had been indicated. It is hard to believe, however, that the damage in the west has been general and reports from private sources indicate that after unusual heat about the first of the month, there has been general rains and that with the exception of some districts there is a good growth, and that the head is beginning to show. In Ontario the wheat harvest is at hand, and conditions are good. So well have things improved within the past month that the estimates of the crop have risen from 60 to 75 per cent.

There is a distinctly easy feeling with regard to Ontario flour, and although millers do not seem inclined to cut prices there have been reductions of as much as 20c, reported on some large transactions by jobbers. During the week oatmeal took a temporary decline for a couple of days, and with continued favorable reports of the new crop, a permanent reduction may be looked for as well as easier quotations for oatmeal.

The outlook is for high potato values and old stocks are now selling as high as \$2.25 a bag, wholesale. Quotations for new are also higher, and it is said that there is a short crop in the United States and that damage has been done in Canada. Generally fruits and vegetables are coming in good supply.

Hogs are firmer and lard easier if anything on very low quotations, an increase of 50,000 tierces in world's supply being shown over even date a year ago. Butter is cheaper in the east than the west, and prices, while about 2c. under a year ago are out of line for export to either England or the States.

Business conditions show little change, and in fancy groceries the demand is weak. Wholesalers do not see favorable prospects for immediate improvement, although hopeful of the effect of the crop.

**CHEESE PRICES AT PETERBORO**

At a meeting of Peterboro Cheese Board Tuesday the cheese sold for 12-9-16 cents.

Mr. Morton opened at 12c.; Cook raised to 1/4, Flavell 1/4, and Morton 1/4. Cook made it 12-9-16, and secured Norwood, Killarney, Daisy D., Ormonde, Westwood, Villiers, Warsaw, Keene, Westminster, Oakdale, Lang. Several of the buyers called 1/4 for the balance of the Board, but Mr. Flavell raised to 9-16, and called Shearer, Myrtle, East Emily, Fleetwood.

Mr. Morton took the balance at 12-9-16c., securing Trevern, Selwyn, Indian River and Young's Point.

It was noticed that Mr. Flavell was five cheese short of the necessary 500, which is required of each buyer who secures a choice. The Board, however, was not so scrupulous for the rule as to mention the matter.

**OFFERS DAUGHTERS AS BAIT FOR HARVESTERS**

Giltner, Neb., July 8.—Ambrose Huntington, a farmer, residing west of this town, posted the following sign along a highway in front of his home:

"I need five harvest hands for more than a month. Wages \$3 a day; chicken once a day; washing, mending and a bed in the hay mow. Every worthy young man hired will have a chance to marry one of my five pretty daughters. If he wins one of them, he gets 160 acres of land thrown in. But he's got to make good in more ways than one."

Huntington had more than fifty applicants. The five lucky ones are hard at work in the wheat fields. However, they are far from happy, for it has become known that the five daughters, ranging from eighteen to twenty-six years, are planning to depart for an extended summer vacation in New England.

The Steamer Lintonia will run an excursion to Cobocok on Friday, July 19, leaving Lindsay at 9.30 a.m. Fare 50c.

**LINDEN VALLEY**

(Special to The Post.)

Mr. and Mrs. Alex Birchard, of Lindsay, visited at Mr. Alfred Birchard's this week.

Mrs. F. J. Barrows, of Buffalo, N.Y., spent the week with her daughter, Mrs. E. H. Hancock.

The W. I. held their monthly meeting on Thursday in the hall. The President, Mrs. T. Woodridge, in the chair. After the business was transacted, two excellent papers were given on "The Evils of Fault Finding" by Mrs. J. Cullis and Mrs. A. Anderson. A solo was rendered by Mrs. A. Anderson, "Silver Threads Among the Gold", accompanied by Mrs. M. Rogers. Then a discussion on kitchen convenience was conducted by Mrs. J. W. Hancock. Much sympathy was expressed by the Institute to Mrs. W. Fowler in the loss of her sister, Mrs. C. Foster, of Oakwood.

Take in the excursion of Oakwood Methodist, S.S. to Orillia on July 16. Special train leaves Lindsay at 7.15 o'clock.

Miss Tillie Hancock has returned home after spending a few months in Little Britain.

We are sorry to report that Mrs. W. Dale is on the sick list, but at the time of writing she is some better.

Mr. J. Giles, of Oakwood, is visiting at his grandson's, Mr. Russell Giles.

Miss Hannah Coad, of Port Perry, is spending a few days in our vicinity.

Don't forget the baseball game on Monday, July 13th at the Agricultural Grounds. Game starts at 4 o'clock. Olympias vs. Belleville.

Miss Stella Hancock is enjoying a pleasant automobile trip with her cousins, Mr. and Mrs. H. S. Rear and daughter, Thelma, visiting at Barrie and Toronto en route to Rochester, N.Y.

Mrs. Maurice Rogers is spending a few days at her home at Little Britain.

We understand that Mr. J. T. Birchard has purchased a fine automobile, and he and Mrs. Birchard and daughter, Gertrude, also Mr. and Mrs. Alex Birchard, of Lindsay, enjoyed a trip in it to Rosedale for the 1st of July.

Miss Edna Weldon, of Lindsay, is visiting at her uncle's, Mr. Elihu Rogers, this week.

The hum of the mower is heard now. The farmers are busy harvesting their hay.

Mr. and Mrs. R. Giles and Miss Florence Giles spent Sunday at Mr. W. Woodridge's, of Oakwood.

Messrs Harry Coad, Herbie Weldon and Glen Emmerson spent Sunday in Oakwood.

Miss Florence Giles is spending a few days in Oakwood.

Mr. and Mrs. A. V. Austin spent the holiday at Port Hope.

Mrs. A. Birchard spent a few days with her mother, Mrs. J. Deguerre, who had the misfortune to sprain her ankle.

Miss Ivy Marshel, of Port Hope, is spending a few days at her sister's, Mrs. A. Austin.

Mr. and Mrs. W. J. Greenaway and Mr. and Mrs. J. W. Hancock and daughter, Tillie, attended the funeral of their cousin, Miss Greeta Williams, of Port Hope, her body being brought to Little Britain for interment.

Friends of Mr. B. Clute, the G.T.R. brakeman who had his foot amputated recently, will be pleased to learn that he is getting along fairly well and will be able to leave the hospital in a few days.

The man who is always ready for an argument is not necessarily a heavyweight mentally.

**JOTTINGS FROM STURGEON POINT**

Sturgeon Point, July 11.—Captain Carson, of the steamer "Naid", passed through here today enroute to Goose Lake.

The government boat, Bessie Butler, one of the swiftest steamers on our waters, passed through from Fenelon Falls today on her way to Bobcaygeon.

Mr. and Mrs. D. B. Henderson, of Port Hope, are camping at Graham's Landing. Mr. and Mrs. Henderson both think this is the nicest camping grounds they have ever visited.

Mr. Paul Williams, of Portsmouth, Ohio, who is spending the summer the guest of Mrs. Raymond York, swam across the lake Friday in 55 minutes.

Dr. and Mrs. Sutton and family, of Lindsay, moved into their cottage on Third St today.

The Steamer Stoney Lake passed through here on Saturday on her way to the Upper Lakes.

Mr. and Mrs. H. B. Clemes and two sons, of Toronto, formerly of Lindsay, arrived at Sturgeon Point

**Concrete Tanks and Troughs Never Rot or Leak**

THE most practical tanks, whether for water or sewage, are built of concrete. They never rust, rot, dry out or leak. They never need new hoops or paint. They last a lifetime and seldom require repairs, which makes them the cheapest tanks that can be built.

**Clean, Sanitary Watering Troughs**

are just as necessary as the animals that drink from them. The farmer's best interests are being served when his stock is insured a plentiful supply of clear, clean water from a trough that is permanent and sanitary.

"What the Farmer can do with Concrete" is the name of a handsome free book that tells all about concrete tanks, watering troughs and other uses of concrete that will save every farmer many dollars. Write for it to-day.
