\$100 REWARD, 100
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.
Halls' Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing his work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for free testimonials.

Obituary
DONALD SPENCE.
On Sunday afternoon, August 2nd 1906, Donald Spence, of Glenora, passed away after an illness of more than a year. His illness was not unusually severe until the last week. He was born in Islay, Scotland, in 1836, and emigrated to Canada in 1841. The family settled in Eton and was one of the pioneer settlers in that place. Two brothers, John and Alex and a sister, Mrs. John McKay, still survive. He also leaves a widow, two sons, and six daughters. He was the first to hold the position of first-master at Glenora, and was for many years an active member of the local Orange lodge.
The funeral took place on Aug. 4th at the Glenora cemetery and all the surviving members of the family were present.

HOW ZAM-BUK SAVED A GIRL'S HAIR
A Lesson to All Mothers
When eczema, ulcers or ringworm break out on the scalp generally the first thing the doctor orders is to have the hair cut off. Don't do it before trying Zam-Buk, which can cure without such a sacrifice. Mrs. J. Butler, of 5 Bannockburn Avenue Montreal, says—
"My daughter Annie caught eczema it broke out on her face and scalp and the disease was quickly transmitted to Herbert and Edith. and in their cases, not only their heads but their hands and faces were covered with sores and scaly patches.
I tried various blood purifying remedies in vain and then consulted a doctor. He applied all kinds of lotions but the sores remained the same. He next ordered that the hair be all shaven off from the girls' heads in order to get down to the disease on the scalp. They each had long nice hair, and I thought it such a pity to cut it off. I refused. He therefore washed their heads with a solution of sulphur and drew his services altogether.
After that I bought first one thing and then another, but it was all no good until we got Zam-Buk. That proved equal to the case and in a few weeks it cleared every trace of skin disease from the child. With it in use there was no need to cut off the girls' hair or take any other extreme measure. It just went to work and healed the sores in fine shape."
Zam-Buk cures blood poisoning, cuts, bruises, old wounds running sores, ulcers, boils eruptions, scapiform eczema, itch barber's rash, burns, scalds, and all skin injuries and diseases. Best cure for piles yet known. All druggists and stores at 50c a box or from Zam-Buk Co., Toronto.
