### Monica Campers Left for Home

#### Other Interesting Notes from Cataract Village by Post's Correspondent

Fenelon Falls, August 3.—The camp of the Monica Club broke up on Tuesday and the remainder of the party left the Falls on the five o'clock train that afternoon much to the regret of the citizens of this place.

Nearly half the number, about 21 had left a week or two ago, being somewhat disheartened by the unfavorable weather. The remainder were determined to overlook a little thing like that and were rewarded by over a week of exceptionally fine weather towards the end.

They also had a fine catch of fish to take home with them. Though the fishing, taken altogether, was not perhaps quite what was expected of it, in regard to the number of fish caught still there were many taken of much more than ordinary size.

Some very fine photographs of the camp were taken by Mr. Staunton, who enjoys an enviable reputation as a first class artist in his line.

Do not forget the 9th of August and the Oddfellows grand celebration on that date.

Last Sabbath the services were taken at St. Andrew's church by Rev. McKinnon, who preached at both the morning and evening service.

The Order C.O.O.F. attended service in the Methodist church on Sunday morning last, when an excellent sermon was delivered by Rev. J. M. Cragg, B.A., B.D., pastor of the church.

In the afternoon the annual decoration services at the cemetery were duly observed, the graves of the departed brethren of the order being beautifully decorated with flowers.

The garden party held at Blyth on Monday night by the ladies' aid of the Baptist church, of Fenelon Falls, was highly successful. Quite a number from town went down on Mr. F. Cashore's new boat, the "Hiawatha." A number of the members of the Monaca Club Band were present and furnished fine vocal and instrumental music which delighted the hearers.

A very pleasant evening was spent by all present, and the sum of about \$50 was realized.

A meeting of the Women's Institute was held on Friday, July 30th, at the residence of Mrs. Jas. Lamb, Bury's Green. There was a good attendance, many visitors being present as well as a large number of the members. The members from the village enjoyed the drive there and back, which was very pleasant, the weather being delightful. The meeting was opened by the President, Mrs. Dr. Gould in the usual manner. The minutes were read by the Secretary, Mrs. Jewell, and adopted.

A very interesting paper on the life of Edison was read by Mrs. Wm. Burgoyne.

Miss Patten contributed an instrumental which was very much enjoyed.

Mrs. D. Jewell read a paper which was excellent and timely, on "The Deadly House-fly."

After a short time spent in discussion of the various subjects the members did ample justice to the sumptuous repast provided by the host and hostess and her daughter, the Misses Patten. A few minutes more were then spent in a pleasant social intercourse, when a most profitable and enjoyable meeting was brought to a close by all joining in singing the National Anthem. The next meeting will be held at the residence of Mrs. A. Minthorne at Rosedale.

The Monaca Club Band was royally entertained by Mr. J. H. Brandon at his residence, "Brandonhurst," on Thursday evening last.

Mr. and Mrs. Sharpe, of Toronto, were in town over Sunday visiting relatives.

Mr. Bickerton, of Toronto, is visiting his aunt Mrs. H. Long, at the Hotel Kawartha.

Miss Pearl Austin is on a visit to friends in Kilmount.

### SOUTH VERALUM

(Special to The Post.)

Haying is about completed in this locality and the crop on the whole has been light. The grain crop has been greatly improved of late by the copious downfall of rain. Roots are also making well. Some are cutting barley at present and another week will see the harvest in full blast.

A great many have went to pick huckleberries but report a light crop. It is said there is always a calm after a storm, so everything is quiet here after the storm of a week ago. When we think of living in the twentieth century and having so many opportunities at our hand to improve ourselves.

### PALESTINE

### POWLES' CORNERS

(Special to The Post.)

Too many business do not attach sufficient importance to a memorandum of business transactions, daily events and items of interest or importance for further reference. It would be interesting to keep an account of the number of loads of grain of each kind and loads of hay raised each year, and the date harvesting commences and the commencement of seeding, and a hundred other things that would be interesting to look at 30 or 40 years in the future. Some of our folks here can tell what they were doing in 1879-80-81 and 82, every day of each year.

Inside the past eighteen years two homes have been deserted, which has been caused by the invasion of the grim messenger of death. It is rather a solemn thing to drive past these houses, and to notice the attempt that was made to make the buildings comfortable and convenient. Where are they now? Gone to their eternal rest.

Mr. Jno. L. Brown has been putting in a concrete floor and troughs in his hog pen. By the time the pigs have the troughs Mr. Brown will have quite a few gray hairs in his head.

The Epworth League could do a little missionary work right here at Powles' Corners if they had the desire to do so. Just think of members of the church and league running in and asking for mail on Sunday and four days later charging the postmaster with tampering with their mail. We ask the president of the league and the pastor of the church to put a stop to this. There is handwriting on the wall for those who are making false charges, and don't forget it.

The 16th of this month Mr. and Mrs. N. Day will start for the Northwest to visit their three sons out there. Should Mr. Day decide to locate in the Northwest, he will find a very expansive country to hunt up the dollars.

Mr. Ed. Dunn, of Cameron, will be in this locality this week with his clover machine and in the near future the yield of alsike seed will be reported.
