Miner's Bay.

Mr. R. S. Porter is another visit-

TEST OUR SCHOOL SUITS

You need not invest a
large sum of money to ob-
tain a good School Suit.

In fitting the boy for the strenuous days that begin next
week you will find it hard to understand how we give so much
of quality, durability and style for so little money, but that fact
need not deter you from buying. And there is certainly no rea-
son why every boy can not be well dressed in Clothes that are
built to stand the rough wear and tear that School Boys just
can't help giving them.

Get Ready for School

Now is the time to get the Boy ready for
school! Do not wait until the school bell re-
minds you that he has nothing but his old va-
cation outfit. The early buyer gets the first
pick, and its always best to be in time.

Our School Suits have unusual merit—they
are made by a reliable Maker, according to our
dictation. Every fabric is chosen for appear-
ance and durability, and every point in the
making is perfect. Our School Suits are al-
ways made of double strength all the way
through.

Sizes 4 to 7 years, 1.50, 2.00, 2.50 to \$5.00
Sizes 8 to 16 years, 3.50, 4.00, 4.50 to \$9.00

We can prove nothing by prices, but we can
prove everything by the Suits, if you'll investigate
our splendid School Clothes.

BUY HOLEPROOF STOCKINGS

If you buy Holeproof Stockings for the Boys
you'll be surprised at the amount of "darning"
it will save you. They are made with double knees,
toes and heels. The kind that wear.
