## WEDDING BELLS

WOODCOCK—PETHICK.

Zion, Fenelon, Aug. 25.—A very pretty but quiet wedding took place at Fenelon Falls on Wednesday last, when Miss Ethel, daughter of Mr. and Mrs. Wm. Pethick, Zion, was drafted along the lines of the British act. It is held that there is no justification to be found in present conditions for some of the advances which have been made in the prices of food and other necessities.

CHRYSLER—REED

A pretty wedding was solemnized at Woodville, at the home of the bride's parents, "The Elms," when in the presence of about fifty guests Ethel Alberta, elder daughter of Mr. and Mrs. William Reed, became the bride of Mr. Percy C. Chrysler, Toronto, son of Mr. and Mrs. John Chrysler, Dalrymple, Rev. A. L. Brown officiating. The bridal party entered the room to the strains of the wedding march played by the bride's sister, Miss May Reed. During the signing of the register Miss Frances Staples sang "Until the End of Time." The bride, who was given away by her father, wore ivory charms with veil arranged in Juliet cap, with orange blossoms. After the wedding breakfast Mr. and Mrs. Chrysler left for Toronto and other points, the bride travelling in a navy tailored suit with white hat. After their honeymoon they will reside at 67 Wheeler avenue, Kew Beach.

GREER—BARR

A very pretty wedding was solemnized at the First Methodist Episcopal Church by the Rev. W. T. Kerr, on Wednesday August 12, at 4.30 p. m. when Bertha Gwendoline, youngest daughter of the late Mr. Alex. and Mrs. Barr, formerly of Kilmount, Ontario, became the bride of Joseph Greer, Prince Rupert, B. C. The bride, who entered the church on the arm of her brother, Mr. R. H. Barr, was becomingly attired in cream silk crepe de chine, elaborately trimmed with lace, and wore the customary wedding veil. She carried a shower bouquet of bridal roses and sweet peas.

The bridesmaid, Miss Margaret Manary, cousin of the bride, was attired in pale blue chiffon, and carried a bouquet of pale pink carnations. Mr. Ford Tucker ably assisted the groom. Music was rendered by Mr. Carroll Day. After the ceremony a wedding dinner was served in the hotel Benson, after which the happy couple left on the 8.15 train for California on their honeymoon, accompanied by the best wishes and congratulations of their numerous Portland friends.

On their return north Mr. and Mrs. Greer will reside in Prince Rupert, B. C.—Portland Morning Oregonian.

each article and that God might in the very deed watch twist me and thee, Signed on behalf of Zion friends. Miss Gertrude Moynes had presented her with a beautiful bouquet of flowers. Miss Pethick, who was completely surprised, answered in a very pleasing manner. The presents in this shower were very numerous and all very useful. Following this came more singing and music, after which a good lunch was served, in which everyone partook with zeal. War is the talk here just now.

## WILL CONTROL FOOD PRICES OVER CANADA

Control of food prices will be asked of Parliament by the government as soon as the session opens. Hon. Theodore Crothers is having a bill drafted along the lines of the British act. It is held that there is no justification to be found in present conditions for some of the advances which have been made in the prices of food and other necessities.

Not everywhere, but in many places dealers have taken advantage of the demand which the war alarm created to raise the prices of flour, sugar, meats, fuel, hay and many other things which are essential for daily needs. The indications received by the government are that this movement upward of prices has just begun, and that if it were allowed to develop great distress might result. Therefore the government proposes to take control of the prices.

INVESTIGATE COMPLAINTS While a plan has not yet been worked out, it is understood that if Parliament gives the government the power asked for, and it undoubtedly will, the government will have inquiry made into every complaint that prices have been unduly elevated. Where adjustment is necessary, the government will have cases passed upon by a judge, or in some cases a board or judges, and either their finding will automatically fix the prices of necessities or the report of the judges will be made effective by an order of the government.

It is not proposed that dealers, either wholesale or retail, shall be allowed to take advantage of the war to squeeze the people.

STICK ON WAR TAX. Financial legislation is being prepared for the session. The details have been worked out, but there has to be some additional machinery placed in the hands of Mr. White to enable him to raise the money. The revenue of the government from customs has fallen greatly, and will continue to decline. Borrowing has become almost impossible in the London market. Therefore it is expected that the government will have to ask for authority to impose a war tax.

There will be some amendment to the criminal code giving the authorities power to more effectively deal with persons suspected or charged with disloyalty or designs against the safety of the country. This legislation will be introduced by the Minister of Justice.

Mr. and Mrs. William H. McCaw, of Port Perry announce the engagement of their daughter, Marion Bigelow, to Mr. David Carnegie, of Port Perry. The marriage will take place about the middle of September.

During the evening, after some singing and music Miss Dorothy Brown read an address as follows: To Miss Ethel Pethick. Dear Miss Pethick,—It is with mingled feelings of pleasure and regret that we your friends and neighbors have gathered here this evening. Because it always affords us a good time to spend an evening in each other's company, and enjoy the goodfellowship which is always an attendance on an occasion of this kind. With regret because we believe that we will never again meet in just the same relationship as we hear that it is your intention to take your departure from our midst. We know that we shall miss you from our social circle, where your genial voice and happy laughter has always made a bright spot in our lives, and we know that it will be like taking a link from the chain that binds precious memories about us, to have you leave us. However, we know that time brings changes, and we cannot avoid them. We also know that we shall miss you from our church work, where you have taken an active part in both Sunday School, choir and Epworth League, and we know that your going away will cause a void that will not be easily filled. And we trust that in the new field you are about to enter that you may be as successful in your efforts to attain noble things. And we trust that as you go about your daily tasks and come in contact with the various articles which you have received from this shower, that they may serve to remind you of the true friends you have left at Zion. We feel sure that all present wish the word Mizpah might be printed on
