County Magistrate for Ontario

The Whitby Chronicle says: The recent case of the Ontario License Department against Chas. Healey, proprietor of the hotel at Atherley, being tried at Whitby necessitated a very large outlay for costs on the part of the defendant. It is a long way from Atherley to Whitby, the return fare being \$3.30. The defence, therefore, was mulcted in a heavy bill of costs, as it was necessary for him to have on hand numerous witnesses, and the defendant and his counsel were here on three different occasions. The hardship imposed upon Healey of having the case tried at Whitby, instead of where the offence was alleged to have occurred, is one which some think should not be possible of occurrence. There are those who advocate the appointment of a county police magistrate, who would go on tour throughout the county, much after the manner of the county judges, R.S.O. 1897, ch 87, s 15, provides for the appointment of a county magistrate. There is considerable talk about the injustice done to Healey, but there may be two sides to this case, as to most others. In conversation with a local barrister on the subject he pointed out that it would have been allowable to have charged Healey with the witness fees for the prosecution. This was not done, however, the judgment carrying with it no costs. The magistrate may have had in mind in awarding judgment the fact of inconvenience and expense to the defendant. Another view is that if the case had been tried at Atherley, and the costs of the prosecutor's witnesses and magistrate's fees had been charged up to Healey, with the increased expense to the defendant for his counsel's longer railway journey to Atherley, he would have been little, if any better off. This seems to be an outstanding case—one not common or of frequent occurrence—and its like might not occur again for a long time. It is claimed by those who favor a county magistrate that several counties have such an officer, and that his appointment works out very advantageously to those who—whether innocent or guilty—are forced to defend some charge. The counties with police magistrates are Carlton, Frontenac, Halton, Lennox, Oxford, Peterboro, 2. Prince Edward, Russell, Victoria Wellington, York, Districts of Muskoka and Parry Sound, Nipissing and Rainy River.

Obituary

JOHN MCCARTHY

The death took place in Niagara Falls, N. Y., last Sunday of Mr. John McCarthy, brother of Mrs. Arthur Cunningham, of Opa township. Mrs. Cunningham was at his bedside when he passed away.

ROBT. MCKENZIE

Another of Brock's citizens died on Tuesday, August 16th, and was buried in Sunderland, on Thursday, the 18th. Mr. Robert McKenzie, well known to the citizens of this township, passed to his last rest on that day, at the age of eighty-one. Born in the north of Ireland, Mr. McKenzie inherited all the cheerfulness attributed to that race. He came to Canada about sixty years ago, and settled in the northern part of Victoria county. This did not suit him, however, and he changed his place of abode several times, finally settling in Brock about twelve years ago. He retired from active life and resided in Sunderland, where he resided for a year, until he died. Mr. McKenzie married Miss Calhoun in Ireland, and brought her to this country with him, and she survives to mourn the loss of her husband. Four children were the fruit of the union, the eldest of whom was the

wife of Me. Frank Doble, clerk of the township. Three children survive him, Mrs. Shabacher, John of Montana, and Robert of the West. His many friends, will miss greatly their genial friend and a large number of them showed their respect and regard by attending the funeral.—Times.

A. CARMICHAEL.

The remains of the late Archibald Carmichael, of Portage la Prairie, Manitoba, arrived in town on Monday evening and were taken to the home of his sister and brother-in-law, Mr. and Mrs. D. MacKay, Laidlaw street, North Cannington, Tuesday afternoon the funeral took place from the residence of Mr. and Mrs. Donald MacKay, to Manilla, where the remains were interred alongside his late wife. The deceased had been a resident of this section all his life, and only went to the west this summer. The cause of his death was an attack of pneumonia. One son, at Forward, Alba., is left to mourn his death, as well as several sisters and brothers. Dr. Carmichael, of Peterboro, and Mr. Hugh Carmichael, of Port Perry, are brothers of the deceased.

JOHN BRANDON

After a lingering illness, Mr John Brandon, a resident of the township of Mara for over forty years, passed away at his home, Udney, Ont., on Wednesday, August 24th, 1910. The late Mr. Brandon, who was in his seventy-second year, was born in the County of Fermanagh, Ireland, June 3rd, 1839, and came to Canada with his parents when only one year old. His father died when he was but eight years of age, when he went to live with an uncle, a Mr. Campbell, who was a British veteran. It was during this time that he got the name of John Campbell Brandon, a name by which many of the older generation will remember him. After his uncle's death he made his home with the Brandon's of Cannington, and later with the Givens family, before moving to Mara. He was married in 1869 to Anna Givens, who survives him. He had a large circle of friends who will sincerely mourn his demise. In addition to the bereaved wife, five children survive, William, of Toronto, Mrs. A. Chrysler, of Mara, Mrs. S. Hopkins, of Victoria Harbor, Mrs. W. G. Hall, of Lindsay, and Miss Lucinda at home. He was buried in the Udney cemetery on Friday, August 26th, the service being held in the Methodist church of that place. The funeral was largely attended, attesting to the esteem in which the deceased was held.

Wedding Bells

TIERS-BICK.

On Wednesday, the 31st a quiet wedding took place at the home of Mr. and Mrs. John Bick, Broadview Farm, Bobcaygeon, when their youngest daughter, Ediza M. B. Bick, was united in marriage to Mr. James B. Tiers, of Fairbairn. The wedding was performed by the Rev. H. W. Foley, pastor of the Methodist church, Bobcaygeon, after which a hearty luncheon was served. The bride was attended by Miss Nina Crowe, and the groom by Mr. John B. Bick, brother of the bride, both of Toronto.

After luncheon a pleasant hour was spent on the lawn previous to the departure of Mr. and Mrs. Tiers for their trip to Toronto and Rochester. The happy couple were the recipients of many useful and costly presents.

COULTER-RYALL

A quiet but very pretty wedding was celebrated at the residence of Mr. and Mrs. Oliver Dynes, 204 MacPherson avenue, Toronto, Wednesday Aug. 31, at 10 a. m., when Miss Alice Dursilla Ryall, formerly of Mona, was united in marriage to Mr. Walter W. Coulter of Bobcaygeon. The ceremony was performed by the Rev. H. S. Matthews, assistant pastor of St. Paul's Methodist church. The bride, who was given away by her brother, Mr. W. Ryall, was unattended and looked charming in a gown of Brussels net and Duchess lace, with satin ribbon trimmings, also veil and orange blossoms, and carried a bouquet of flowers and wearing a sunburst of pearls, the gift of the groom. The bridal chorus from Lohengrin was rendered by Wilfred Dynes, nephew of the bride. After partaking of a sumptuous wedding breakfast the happy couple left on the 2 o'clock boat for Niagara Falls Buffalo and other points. The bride travelled in a rose colored rajah silk with cream silk coat, hat and plume to match. The sincere wishes of their many friends for their future happiness accompany them to their new home.

A quiet but pretty wedding took place in Seagrave Village on Wednesday, Aug. 31st when Miss Etta May, daughter of Mrs. E. Bryant, was united in holy matrimony to Mr. J. F. Woodbeck, of Lasswade, Ont. The weather was lovely and as balmy as spring. The event took place at the home of her sister, Mrs. N. Midgley, in the presence of only immediate relatives of the family. The parlor of the home was beautifully decorated with flowers for the occasion. At 4 p. m. to the strains of a wedding march skillfully played by Miss Gertie Coultis, of Port Perry, the bride entered the parlor leaning upon the arm of her Grandfather, and under a floral arch, the happy union was consummated by Rev. R. A. Delve, pastor.

The bride was attired in cream satin-striped voile, trimmed with all-over lace and applique; and looked charming. The couple were unattended. When congratulations had been tendered, the guests sat down to a sumptuous wedding supper and a very pleasant evening was spent by all.

The happy couple left on Friday for their future home at Lasswade, going by the beautiful Stoney Lake route, followed by the best wishes of a large circle of friends for a long and happy career.

Army Band

The visit of Peterboro Salvation Army Band yesterday in town was a great pleasure to our citizens. Their open air programme on the street in the evening was greatly appreciated. The concert in the evening in the S. A. citidel was a most interesting event but owing to the bad weather was not as largely attended as it's merit would warrant.

Orillia Talks Street Pavement

Orillia: The next step called for in the improvement of Orillia will probably be the paving of the main street. This cannot be done for a year or two yet, until the sewer connections have all been made and the trenches have settled down. But at the earliest date that it can be safely undertaken the street should be relaid in a permanent fashion. In view of this it would seem that a mistake has been made in not laying drainage sewers at the same time as the sanitary sewers. They could have been laid in the same trench, at no very additional cost, thus avoiding the need for again tearing up the streets. As a matter of fact, the \$4 a foot which the property owners of their sewers (\$2 on each side of the street) might very well have been made to cover both sewers in view of the fact that it has actually cost something less than \$1 a running foot to lay the sewers on Mississauga-street. However, it is another case where there is no use crying over spilt-milk, but rather for taking steps to make up lost ground as quickly and as cheaply as possible.

Fleecy Facts From Fleetwood

(Special to The Post)

Quite a number from here are attending the Toronto Exhibition this week.

Mr. and Mrs. Richard Grandy and Miss Ruth Grandy spent Labor Day in Peterboro.

Messrs. Clayton Brown and Archie Wilson of Lifford, spent Sunday at Mr. Thos. Brown's.

Mr. Joe Coulter left last week for Bolcarres, N.W.T.

Those who read the Mount Horeb news in the Watchman-Warder two weeks ago would see an account of a heat between Arizona Belle and a two-thirty pacer of our town. The heat referred to must have been of cause of the humidity of the atmosphere, as none of our boys would race their horse minus a shoe. As was the case in that particular evening. Needless to say the pacer is always ready to meet the Mt-Horeb fast one at any time under favorable conditions.

Mr. and Mrs. Chris Cummiskey visited Omeme friends on Sunday.

Jack Johnson passed through in his automobile last Sunday enroute to Toronto to fulfill a weeks' engagement at the Star theatre.
