While engaged unloading milk at the Dunsford cheese factory on Tuesday morning last, the team owned by Mr. W. B. Kennedy, the lake line driver, took fright and bolted toward Dunsford, overtaking on their way Mr. Wes Brown, who was driving in a buggy. ## MANILLA.

(Special to The Post)

We don't very often exult through the press when our baseball team adds another to their string of winnings. Sport is such an old resident of Manilla that we never get uncontrollably happy, although exceedingly proud of each new victory.

But when they won at Woodville fair we did feel good, not at besting "Dad." Stacey's team, but to see the "Kirkfield Jerseys" go over the lift lock. We all know that their victory at Old Eldon was an accident, the result of errors of the opposing teams. When we think of the star performer, "Colwell" was batted out of the box, and Kirkfield only scored one run, and that on an error, we just set back and laugh. We might mention the score, eh? Manilla 11, Kirkfield 1.
