## A CORRECTION

In and around the vicinity of Cannington, Mariposa township and other parts of the Province of Ontario, for some reason or other, certain parties have been telling and circulating incorrect and defamatory stories of an unpleasant and apparent malicious nature about my conduct, character as to my habits and methods of dealing with and providing for my wife and family while a resident of the vicinity of Gladstone, Man., from 1903 to 1909. The stories that have been circulated are of a low, and degrading nature, manufactured to injure me personally, and I wish to state that these stories are false, and without any foundation or truth. To clear up these stories about a year ago I offered to pay the fare and expenses of certain parties to go to the West, and there investigate the matter for themselves. The parties refused the offer. I deny the stories that have been set in circulation, in toto, and state that the same are false and without truth. The following will substantiate what I have stated. Dated at Cannington this 18th day of September, 1911.  
(Sgd.) CHAS. E. BLACK.

Gladstone, Man., Aug. 16th.  
This certifies that Mr. Chas. Black, resided in this locality from the year 1903 to 1909 inclusive. He was highly respected and had the full confidence of all those with whom he came in contact as a gentleman, thoroughly upright in all matters of business and possessing a character of the highest moral standing, and a gentleman who provided liberally for his family and supplied them with all the comforts and conveniences that a prosperous farmer of this country is able to furnish. Signed by the following: Dr. J. W. Armstrong, M.P.P., Archie McInth, John McMillan, Luther Lamb, J. Thompson, John Hunter, F. M. Fahner, T. A. Ash, George Jefferson, Mark Moger, Jas Carruthers, W. J. Brown, Mrs. J. E. Brown, Robert Clarke, Ned Low, Mrs. Low, Wm. Peter, Fred Roberts, Rich Roberts, Ben Lamb, farmers; A. G. Williams, Galway Bros., Geo. Eacrett, W. Williams, merchants; J. T. Thompson, agent; S. Schooley, merchant, E. Barth, banker.

## BOBCAYGEON'S GREAT FAIR

Verulam's unique Fall Fair will come off next Tuesday and Wednesday the 26th and 27th at Bobcaygeon. The Fair will be in the enlarged grounds, so there will be plenty of room. Three stables for horses and cattle, each 100 feet long, have been built, and will hold 176 head, so the stock men have good accommodation now. A poultry pavilion has been built, too, so that the poultry will have comfortable quarters. Everything is in first-class shape for the big Fair and members are joining right along. The entries are coming in fast—in fact everything points to a bumper fair. A grand possession has been arranged, and a number of special exhibits have been secured. A number of ponies have entered for the pony races, and the committee has secured the services of the noted humorist and ventriloquist, John A. Kelly for the afternoon and evening concert in the town hall on the 27th. He will perform on the band stand at 1.45 p.m., the pony races will be at 2.45 p.m., and the speeding in the ring at 3 p.m. The whole afternoon of the 27th will be one round of entertainment, fun, pleasure and education at the agricultural park, so make your arrangements, fix the date and get there.

The C.P.R. gives single fare on the regular train on the 26th and 27th and runs a special from Lindsay at 10.30 a.m. leaving Bobcaygeon at 5.45 p.m. on the 27th. Boats run from Fenelon Falls, Lakefield, Chemung, Buckhorn, and all intermediate points on the Kawartha lakes.
