LAST DAY OF OUR GREAT FAIR RECORD CROWD IS IN ATTENDANCE.

Lindsay Central Fair for 1911 will go down in history as one of the most successful yet held. It has equalled all previous years in every department, and the directors are enthusiastic over the outcome.

SPLENDID ATTENDANCE
"This is a splendid attendance for the second day, when everything is considered," said one of the foremost directors to the Post this morning as he viewed the immense concourse of people who thronged the grounds and packed the stand. It was certainly an inspiring sight to see the immense sea of faces from the judges stand.

The Directors of the Lindsay Central are famed for their punctuality, and the Sylvester band had no sooner taken its position in the stand, than the programme of the afternoon was in full swing.

THE SPECIAL FEATURES
Never before did the directors put on such a high class bill of special attractions. The acrobats were certainly actors. They performed acrobatic stunts of such startling and bewildered nature as to fairly electrify the people. They are away ahead of anything ever seen in that line in Lindsay.

THE HORSE RACES
The feature of the afternoon was the excellent racing events pulled off. Two excellent races, the green race and 2.22 were on the card, and they afforded plenty of excitement. Dr. Gilchrist of Cannington, was the starter, and he handled the events in a capable manner.

THE MIDWAY
The midway this year is a busy scene. There are sideshows, ring games, fortune tellers etc., and things were lively in this section all afternoon.

FRIDAY EVENING
Friday evening the grounds and buildings were brilliantly illuminated and quite a number took advantage of the evening's show. The principal buildings were thrown open and the spectacle of acrobats delighted the audience with their stunts. The Sylvester band was also in attendance.

SATURDAY'S CROWD
Lindsay was in possession of a larger crowd of visitors to-day than was on hand Friday. The streets were crowded all morning with people while hundreds wended their way to the fair grounds and viewed the exhibition at their leisure.

In the afternoon there was a tremendous crowd on the grounds, and indications pointed strongly to a large crowd on Friday.

SPECIAL EXHIBITS
Inside the main building there was a splendid array of special exhibits by local firms. Neil, the shoeman, had a fine display of high class footwear, for which this firm is noted.

Dundas and Flavell had a magnificent display of the different lines carried, and it attracted considerable attention.

J. Sutcliffe & Sons tastily arranged exhibit was visited by large crowds during the day, and was much admired.

Geo. Shepherd's exhibit of bicycle sundries, etc. was an unique one, and was the centre of attraction all day.

Mr. Felix Forbert had a very neat exhibit of footwear, that evoked considerable favorable comment.

Mr. J. B. Bruce had a splendid exhibit of harness that attracted a large crowd. It was arranged in an attractive manner.

Mr. W. R. Keys, the William-street stove dealer, was there with the goods a splendid array of special exhibits by ranges which have made this store known.

Messrs. Boxall & Matthie, who can always be found in the main building at every fair, had a splendid exhibit of stoves and ranges which were well worth seeing.

Mr. D. Cinnamon had a fine display of stoves, ranges and other lines carried, near the entrance, and it was much admired.

The J. M. Greens Music Co., of Peterboro, had a magnificent display of Williams pianos in charge of Mr. Bennett, the local agent. This is the first year for this firm to exhibit at the local fair, and their section was visited by large crowds, who greatly admired the instruments on exhibition.

Mr. William Warren, the well known piano and sewing machine agent, as usual had a very fine exhibit, near the southern entrance. This section was also much admired during the whole time of the fair.

The National Concrete Co. had a most interesting exhibit on the grounds. Here could be seen a fine display of verandah posts, fence posts, cement blocks for silos and houses, verandah railings, flower urns, all kinds of tile, window sills, etc. This was one of the greatest exhibits on the grounds. This firm is a local one

and its future is very bright.

SPEEDING EVENTS
The races were watched by a large crowd from the grandstand as well as by many others who could crowd up close to the fence and get a view of the track. The different heats of the 2.22 class, excited considerable interest, and the crowd cheered vociferously when their favorite won. Dimity, owned by Noble, of Toronto, won three heats, and Lady Louise, owned by Roycroft, came second in two heats. This race was for a purse of \$175, and the different heats were closely contested. The following was the standing of the horses:

Dimity, Noble, Toronto	3 3 1 1 1
Patterson, Jones, Peterboro	5 6 5
Harry Mac, McMahon	4 5 4 3 2
Underatker, Taylor	2 2 3 4 4
Lady Louise, Roycroft	1 1 2 2 3
Dr. Mac, Dr. Brogd	6 4 6

In the green race, Silver Pete, owned by W. A. Fanning, of town, showed himself capable of winning in faster company. There was not enough entries for a start at first, but the owners of Lady Keswick and Gipsy Queen volunteered to enter their horses in order that the race might be run. This race was for a purse of \$75. The following was the standing of the horses:

Silver Pete, W. A. Fanning	1 1 1
Gipsy Queen	4 4 4
Lady Keswick	3 3 2
Jack J Aldous, Fenelon Falls	2 2 3

The speeding events this afternoon promise to be particularly interesting more especially the free-for-all, as several fast horses are entered for this race.

LIVE STOCK

This department of the Fair was good, thus maintaining the high standard of quality shown throughout the numerous exhibits. The horses attracted the most attention, the fair sex being particularly interested in this class of live stock. The showing of light horses was not large, but the quality made up for quantity. In the different classes of heavy horses the entries were numerous. The judges in this branch of the show experienced considerable difficulty in placing the awards.

As usual there were large exhibits of cattle, the showing of the dairy breeds being particularly good, this year. The three principal dairy breeds Jersey, Holsteins and Ayrshires were well represented. The Shorthorns made the strongest showing in 'the beef classes, some of the individuals showing excellent finish. The Hereford class was represented by several good individuals.

The sheep and swine exhibit, while not as large as usual, were of good quality. The breeds of sheep which were represented were Shropshires, Leicester, Southdown, Oxford Down. The following breeds of swine were well represented: Berkshires, Yorkshires, Chester White, Tamworth.

The poultry attracted quite a crowd the ladies evincing considerable interest in this branch of the fair. All the standard breeds of poultry were there as well as game fowl and fancy stock of different kinds.

OBITUARY

EDWARD D. GOUGH

The death took place in Montreal, on Thursday, September 21st, of Edward D. Gough, brother of Mr. B. J. Gough, of Lindsay, and Messrs. A. J. and R. P. Gough, of Toronto.

The deceased was well known by Lindsay citizens, having resided here some time ago.

He was the organizer of the Gough firm and was looked upon as one of the leading dry goods men of the province. He was in business for a time in Norwood and Peterboro, and was recognized as a thorough business man.

Besides his brothers, his wife and one daughter and three sisters survive.

The funeral took place this morning from the Union Station, Toronto to St. Basil's Church, and thence to Mount Hope cemetery.

MANSE GROVE—EVON
Rev. D. H. Macdonald, a former pastor here, but now on Keche occupied the pulpit of St. Andrew's on Sunday last and delivered a very helpful sermon on the great need of missionaries.

Mrs. Ail Jewell had the misfortune to break her leg recently. She is now improving and we hope for her recovery soon.

The Misses McKague, of Peniel, visited with friend, Miss May Campbell for a few days.

Miss Jewell, of Peterboro, visited her cousin, Miss Mabel Fisher recently.

REGULAR SESSION OF PRESBYTERY

Yesterday afternoon the regular meeting of the Presbytery of this district, was held in Lindsay. Those who attended had the privilege of a rare treat—that of hearing Rev. Dr. R. P. McKay, Moderator of the General Assembly of the Presbyterian Church, and Dr. A. S. Grant, Superintendent of Home Missions, Toronto. Dr. McKay spoke on the different branches of church work, showing the great need there is of Christian workers. Dr. Grant dealt more particularly with Home Missions. In a short address he pointed out very clearly that this is a crisis and made an earnest appeal to the Presbytery to see that all congregations connected with them, did their part.

The following from the Toronto Globe of yesterday, shows the large program undertaken by Drs. McKay, and Grant and the success with which they are meeting.

Politics has not engrossed altogether the attention of men in eastern Ontario. Rev. Drs. R. P. McKay and A. S. Grant have found the Presbyteries they have visited, very favorably disposed towards the new financial plan of a budget to provide for all the funds of the Church. The meetings have been well attended.

They go to Lindsay to-day and on Sunday begin a series of several days' meetings in Peterboro, and vicinity. Rev. F. W. Anderson, Presbyterian Laymen's Missionary Movement Secretary, who will be associated with them in this campaign, has just returned from holding a number of well-attended meetings in the counties of Durham and Northumberland.

CONSECRATION OF MEMORIAL WINDOW

Bobcaygeon Independent: The dedication of the Memorial Window Consecration of Baptistry at Christ Church took place last Monday, being performed by His Lordship Bishop Sweeney, assisted by Rev. G. Earle, B.A., Rector of Ommege; the Rev. W. H. A. French, Rector of Fenelon Falls the Rev. H. G. Kingston, B.A., assistant curate of Lindsay; the Rev. F. L. Barber, rector of the parish, and W. T. Comber, B.A., Lay Reader. The Baptistry was completely refurbished by Mr. W. T. C. Boyd, the floor was all inlaid with tiles, taking nine cases and brought expressly from England. It is enclosed by a beautiful railing. Above is marked by a memorial window as a remembrance of Mr. Boyd's two children who died in 1893. There were nine children baptized, ranging in age from 14 years, to 9 months. The Bishop gave a very learned sermon, his text, "Go ye each all nations, baptizing them in the name of the Father, Son and Holy Ghost." He thanked the donor for his handsome gift, and was proud to have another bright diadem in his diocese. The choir sang well and the music was very appropriate. The organ was played by Miss Gladys Boyd for the occasion and her final rendering of the March was effective and pretty.

Peterboro Boy Killed

Peterboro Examiner:—Word was received here today of the tragic death of John Joseph McEntee, a former Peterboro boy. He was struck by a train on Wednesday night while returning from a political meeting at Porcupine, and instantly killed. The body was horribly mangled.

Deceased, who was a miner, went up to the Cobalt district, nearly three years ago, and was employed as a miner, near South Porcupine. He worked in Delora for one year prior to leaving for Cobalt.

The unfortunate victim was in his 24th year of age. He leaves a mother two brothers, and four sisters.

The mother, who resides at 641 Reid-st. when seen by the Examiner, at her home, was too overcome by grief to make any statement regarding her son's death.

Mrs. McEntee was a former resident of Lindsay.

Friends Gave Doctor Send Off

Dr. Wood left this morning on a months' trip to the West. Previous to his departure, a number of his friends presented him a token of friendship and esteem, coupled with their best wishes for a pleasant trip. Mr. P. White made the presentation and the Dr. made a brief reply.

It Cleanses
all kinds of clothes—
injuries none.
Flannels washed with
Surprise Soap
never shrink.
Laces washed with it are preserved as heirlooms.
It makes child's play of washday.
Keep in mind: Surprise is a pure, hard Soap.

GLORIOUS WEATHER FOR THE FAIR SPLENDID SUCCESS IS ASSURED

To-day, the second day of the Lindsay Central Fair thousands of visitors thronged the grounds, and the directors state that the attendance is far in excess of the same day last year. The success of the Fair is now assured, and it will rank as the greatest from all standpoints in the history of the South Victoria Agricultural Society.

The officials and directors are simply delighted at the triumph achieved, and their feelings are shared in by the citizens generally, who have shown the loyalty and interest together with the people of the district by attending in large numbers.

THURSDAY AFTERNOON.
It was a busy afternoon for directors and exhibitors, who worked unceasingly to get the exhibits in order. The entries came in thick and fast, and the staff in the Secretary's office had to hustle to keep up with the rush. It was thought they would be all in by dusk, but such was not the case, and it will be late this afternoon before the last one is booked. A general reference will be made to the different exhibitors in Saturday's issue.

At 2.30 the judging in the hall commenced. A reference was made to the general display in the different classes, in the main building, which should be seen by all visitors to the fair. The Directors had an arduous time in awarding their decisions, the exhibits in the different classes being of such a high standard.

The Midway was in full swing during the afternoon, and each attraction did a rushing business.

THURSDAY EVENING.
In the evening there was a grand illumination of the Agricultural Park, as well as the horse and cattle stables and poultry house. At 7.30 o'clock the principal buildings were thrown open to the public, and an excellent programme was furnished by the Sylvester band, which was enjoyed by the hundreds in attendance. The beautiful exhibits in the building were greatly admired by the visitors, while outside several of the outside features on the midway showed their enterprise in "opening up show."

Lovers of horses and cattle as well as poultry fanciers crowded into the departments set aside for these exhibits and all were greatly admired.

FRIDAY MORNING.
The directors were on the grounds at daybreak this morning to receive the eleventh hour entries and assign the displays to their respective departments.

It was surprising the number of visitors who assembled at the grounds and these, together with the army of exhibitors to and fro made the scene a busy one. The secretary informed the Post this morning that all the entries would not be in until late in the day.

At one o'clock in the afternoon Col. Young, of Kingston, inspected the military transport of the 45th Regt. and the judging of horses, cattle, pigs and sheep followed.

As stated above, there was an unusual throng on the grounds, and it is estimated that between ten and twelve thousand people passed through the gates up to 3 o'clock.

This evening the fair grounds will be open to the public. The Sylvester band will be in attendance, and the great Gail Duffman troupe of acrobats will perform.

Thanksgiving Services Held

Harvest Thanksgiving services of a bright and joyous character were held at St. Paul's church Sunday. Large congregations attended both morning and evening. Rev. Canon Marsh preached in the morning and Rev. Mr. Kingston in the evening.

KILLS HERSELF AND HER BABY

With the dead body of her infant baby held close in her arms, Mrs. Geo. S. Engles, 43 years of age, and living at 880 Queen-st., west, was found dead in her bed at 7.30 this morning, the direct cause being asphyxiation.

Mrs. Engles, who had been under the care of Dr. Andrew Eadie for some time, employed a housekeeper. The latter, who was in the habit of coming about seven o'clock a.m., was going up-stairs to put her hat away, when she noticed a strong smell of gas coming apparently from the room occupied by Mrs. Engles. Opening the door she found the gas jet turned on full and the room filled with gas.

DIED EARLY IN MORNING.
Dr. Eadie was called, and pronounced life extinct, though the body was still warm, which would indicate that the act had been committed early in the morning.

George Engles, the husband, who is a painter stated that it was late when he arrived home and he had gone into a room occupied by his two sons, aged 17 and 13, and there spent the night.

The family had been warned by the physician to take everything away from Mrs. Engles, with which she might take her life, as she threatened several times to commit suicide. It is believed that her act was the result of a disordered mind brought on by sickness, as she had been under the care of Doctors for some time, and had grown despondent.

CHEESE BOARD SESSION TODAY

The regular meeting of the Cheese Board was held this morning when the factories boarded as follows:

Star	85
Dunsford	94
Mariposa	50
N. Verulam	64
N. Ops	90
Reaboro	86
N. Harvey	39
Bobcaygeon	145
Maple Leaf	55
Red Rock	85

The bidding was as follows: Gillespie, 13½c; Thompson, 13½c; Flavelle, 13½c; Thompson, 13½c; Gillespie, 14c. All the cheese sold for 14 cents, as follows: Gillespie, Star, Dunsford, Mariposa, Thompson, E. Verulam, Maple Leaf, Red Rock, Flavelle, N. Ops, Reaboro, N. Harvey, Bobcaygeon.

Saturday Drunks

Saturday night at the local police court two men were fined for being drunk and disorderly. James Adams was fined \$5 and costs, \$9.50 altogether, and Allan Morton, \$1 and costs, \$4 altogether, H
