## CAMBRAY

(Special to The Post)

The social evening of the Cambray Waman's Institute was held on Aug. 7 at Mrs. Wm. Tamlin's home. We had a splendid program Mr. C. E. Weeks, Lindsay, gave an excellent address on "Women and Banking."

It was very instructive and we enjoyed it splendidly. Mr. Frank Webster's paper was also very interesting, it being on pioneer days and experiences of the first settlers of Fenelon, also he told us of some old land marks that few of us had ever known of. Mr. Pethick, Mr. Weeks and C. McInnes sang for us, and Mr. Parkin gave several recitations. After cake and ice cream had been partaken of we all went home, feeling gratified that such a pleasant evening had been enjoyed by so many.

The September meeting will be held on Friday, September 13th at Mr. Frank Webster's. An unusually good program is being prepared. We expect to have Dr. Ray, Mr. Thos. Stewart, Lindsay, and Rev Mr Howard to address us, so an interesting meeting is expected on Friday afternoon, Sept. 13 at 2.30 p. m. at Mrs. Frank Webster's home.
