FENELON FALLS

(Special to The Post.)
The entertainment given on Thursday evening, August 27th in Dickson's Hall under the auspices of the Fenelon Falls branch of the Women's Institute, and in aid of the Red Cross Society of Canada was one of the best amateur entertainments ever presented to a Fenelon Falls audience. While the attendance was not as large as it should have been, considering the excellence of the programme, the hall was fairly well filled and the audience was an appreciative one. Rev. W. H. A. French, who officiated as chairman, in his opening address spoke in eulogistic terms of the Women's Institute, also of the Red Cross Society. The programme was presented for the most part by the summer residents of romantic Rosedale, that famed resort of the tourist, and others. Solos, vocal, were contributed by Miss Elsie Keefe, Mr. Comber and Mr. Lumsden, also by Mrs. Jno. MacKay and Rev. W. H. French of Fenelon Falls. That these numbers were all enjoyed by the audience was manifest by the hearty and prolonged applause. A recitation given by Miss Dolly Robinson was much appreciated. Instrumental selections on the piano were well rendered by Miss Tilly Patten, and Mr. Armstrong of Fenelon Falls. Miss Crowley, of London, Eng. was the accompanist during the evening, as assisted by Mrs. Delamere and Mrs. French. The piano recently placed to the hall by the efforts of the Women's Institute was heard for the first time by the audience, who were pleased with the tone of the instrument. The second part of the programme consisted of a laughable farce entitled "The Two Puddifoots" in which Major Keefe as Puddifoot sr. and Mr. Wilks Keefe as Puddifoot jr. were very funny in their respective roles, and acted cleverly. A special feature was an educated camel, of which Mr. Wilks Keefe, attired in Oriental costume, was the proud proprietor. The "Johnstone family" of Rosedale, made a decided hit, the "family" being composed of the following ladies and gentlemen: Major Keefe, Miss Trina Keefe, Mr. Comber, Miss Molly Delamere, Mr. Lumsden, Miss Dolly Robinson, Master Ian Innes Taylor and Miss Evelyn Arkwright. The singing of the National Anthem closed the entertainment, the proceeds of which amounted to \$41.
The garden party given under the auspices of St. James church on Tuesday evening, Aug. 25th at the residence of Mr. E. D. Hand was a decided success. A good programme was given, which was enjoyed by a large number present. The receipts amounted to about \$40.

Catarrh Cure is the only medicine that cures now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
